Interior

A refined driving layout

The wide and clean crash pad layout, paired with sleek diagonal character lines, creates a refined and forward-thinking interior space. The 30-inch panoramic wide display that flows naturally along the driver's line of sight, coupled with an intuitive interface, delivers an even more effortless, reassuring driving experience.

Electronic Chromic Mirror (ECM)

Smart sensors automatically dim the mirror when bright headlights from behind are detected, protecting your eyes from sudden glare.

Driver’s memory seat

Save and instantly restore your ideal seat and mirror positions with a single button press for hassle-free convenience when multiple drivers use the vehicle.

Column-type electronic shift lever

Effortlessly switch between Drive, Neutral, Reverse and Park with steering column-mounted lever controls conveniently located next to the ignition start-stop button.

Wireless charging tray

A dedicated, built-in charging pad provides seamless, cable-free power for your compatible smartphone.

Ambient lighting

Customizable mood lighting around the door panels, dashboard, and center console creates an inviting, emotional space that reflects your personal taste.

Panoramic wide display

The spacious and sophisticated interior is accentuated by the wide, uninterrupted integrated display featuring a 12.3-inch cluster and split-screen infotainment system. Controls are conveniently at your fingertips.

Display Themes

Display Themes

Customize your cabin's digital experience with themed dashboard functions, personalized colors and graphics, and captivating animations.

※ Availability of specific Kia Display Themes may depend on vehicle model, trim level, region, and current software version. Certain themes may require an active Kia Connect subscription or an additional purchase through the Kia Connect Store.

Panoramic sunroof

The expansive sunroof enhances the sense of space,
creating a bright, airy and comfortable cabin environment.

Space

A versatile space tailored for your daily needs and journeys

Generous legroom and reclining second-row seats maximize passenger comfort, while fold-flat rear seatbacks and an adjustable luggage board offer flexible cargo solutions. From daily commutes to long road trips, the cabin effortlessly adapts to your lifestyle.

Floor console storage

Designed to make the most of the floor space beneath the console, this tray features integrated cup holders and dividers to keep your essentials within reach and neatly organized.

Cargo space luggage hooks & storage bins

Multi-use hooks located in the rear cargo area let you hang smaller hand luggage or shopping bags that could otherwise roll or tip over.
Items can also be conveniently stowed away in the storage spaces on the left and right sides of the cargo area.

Smart power tailgate

Standing behind the car for a few seconds with the smart key opens the tailgate automatically for easier loading.

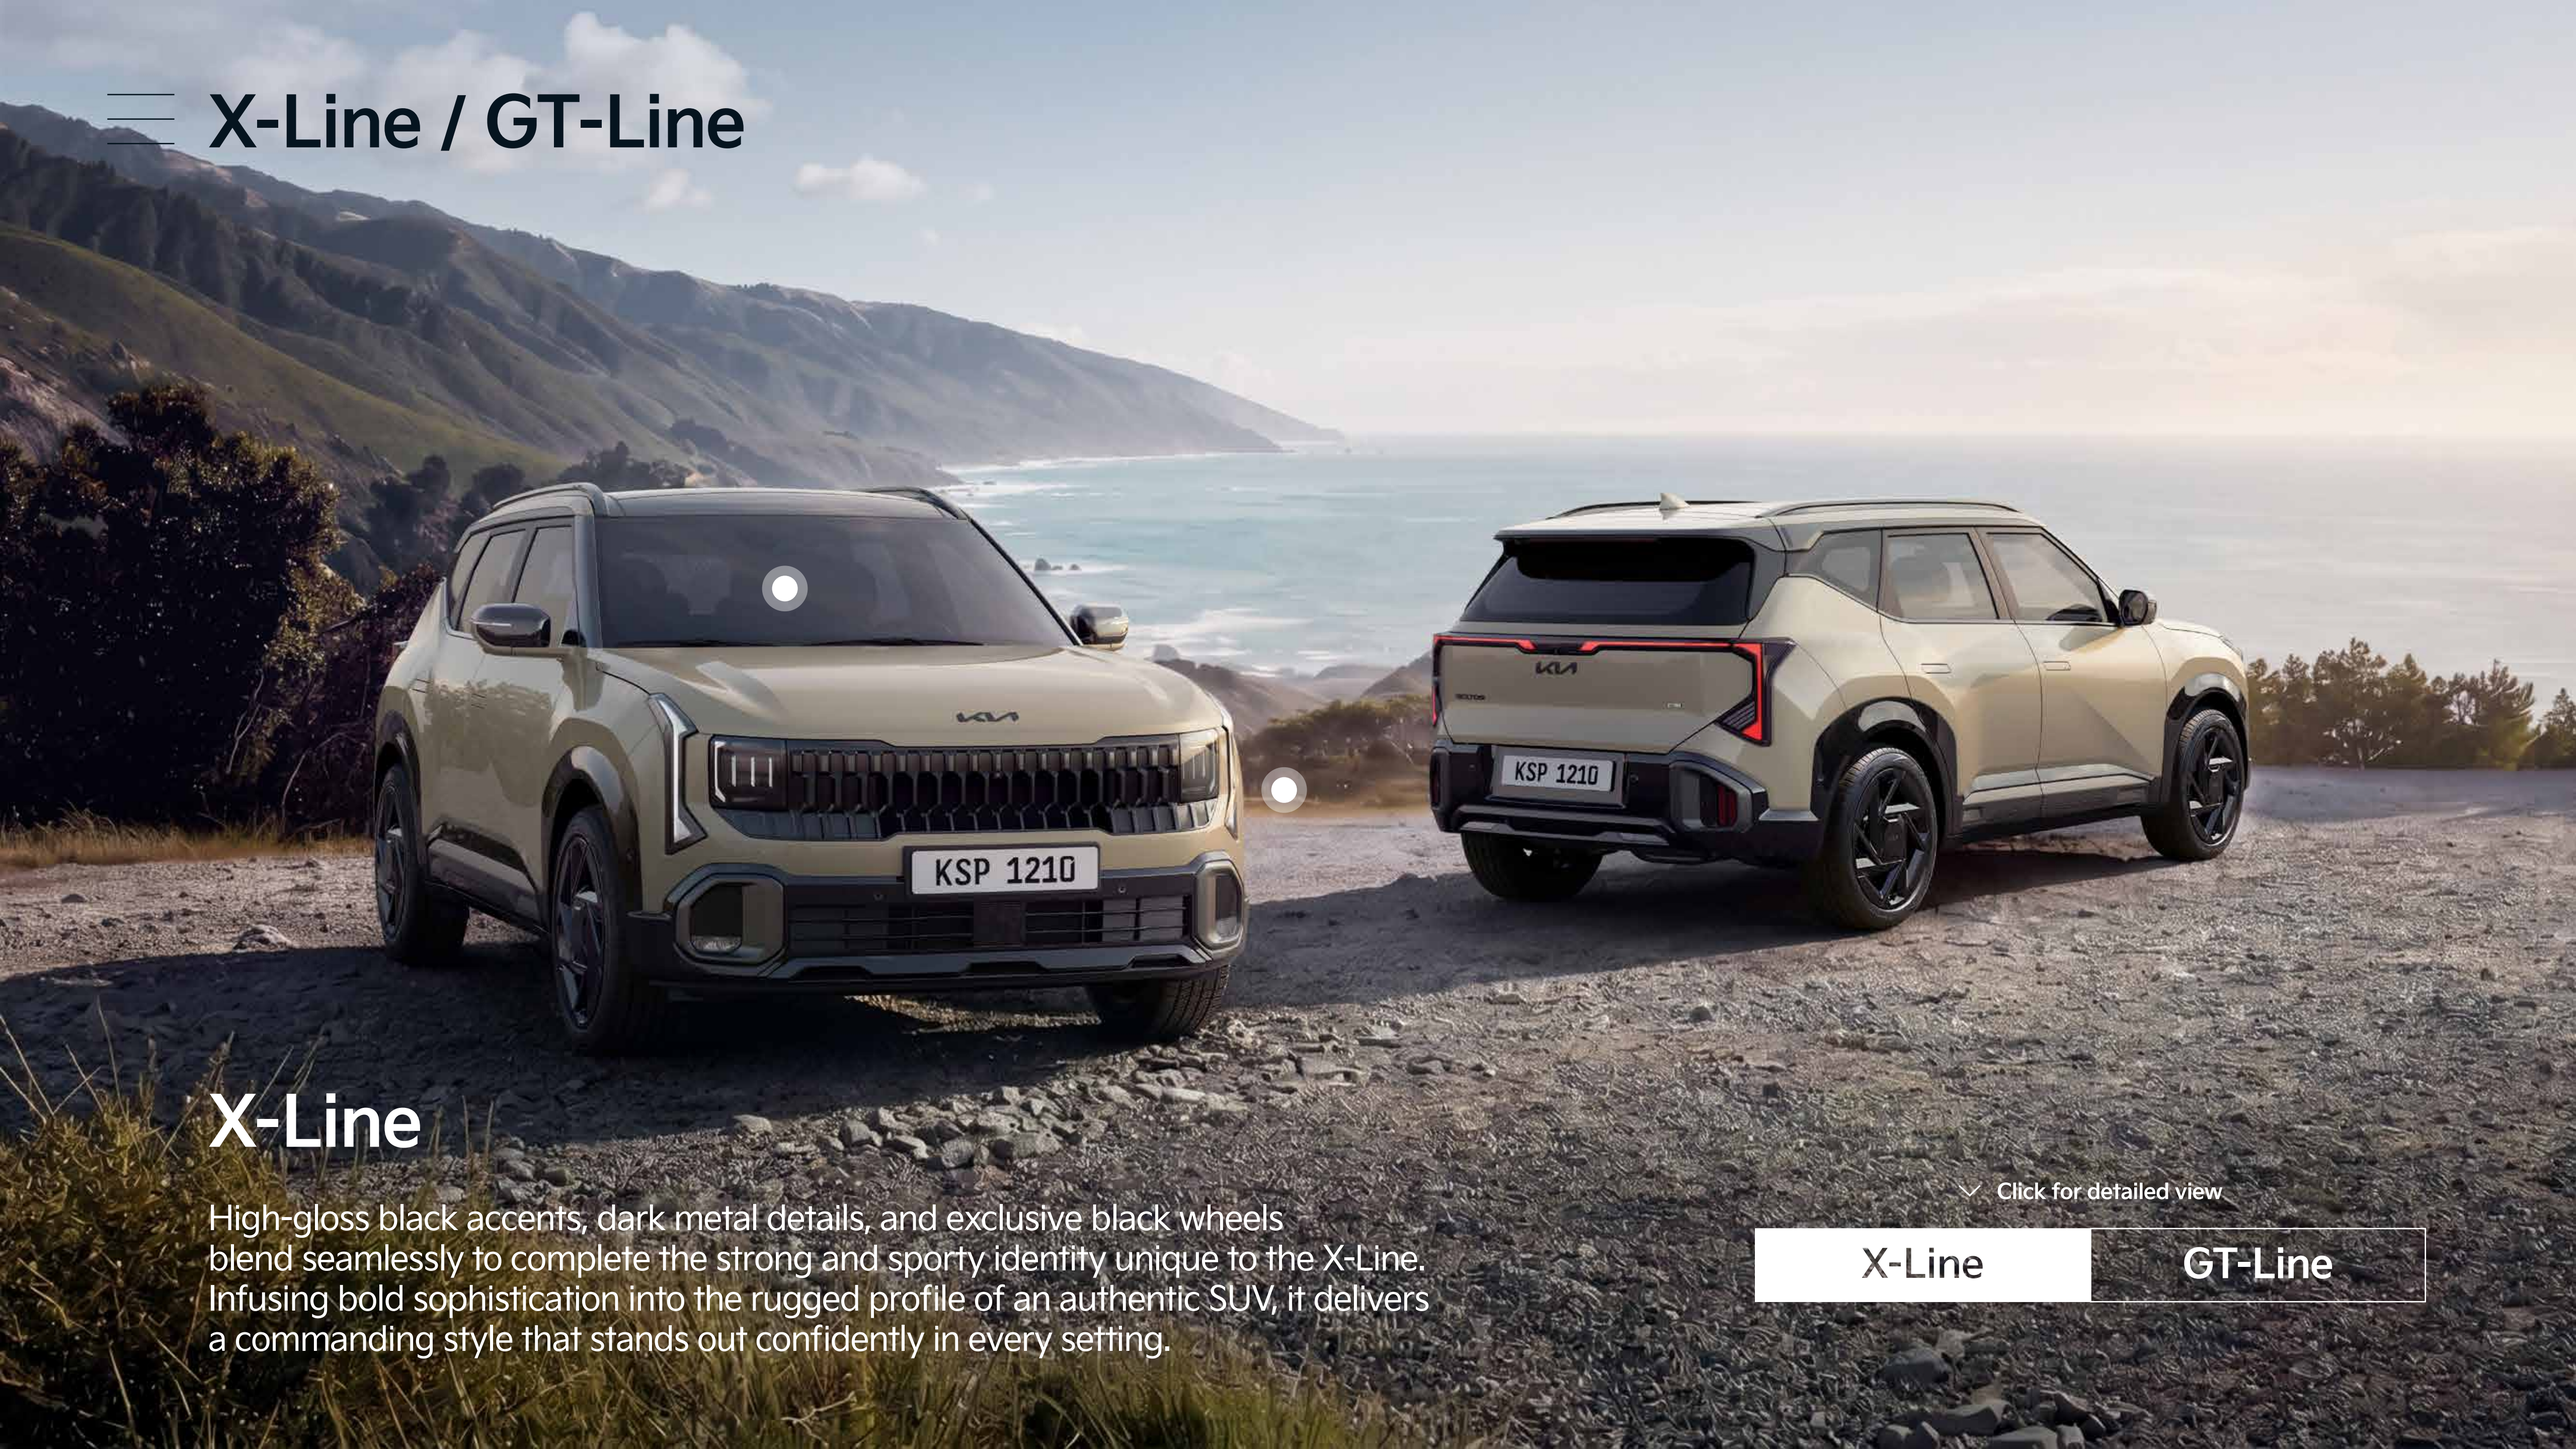
X-Line / GT-Line



X-Line

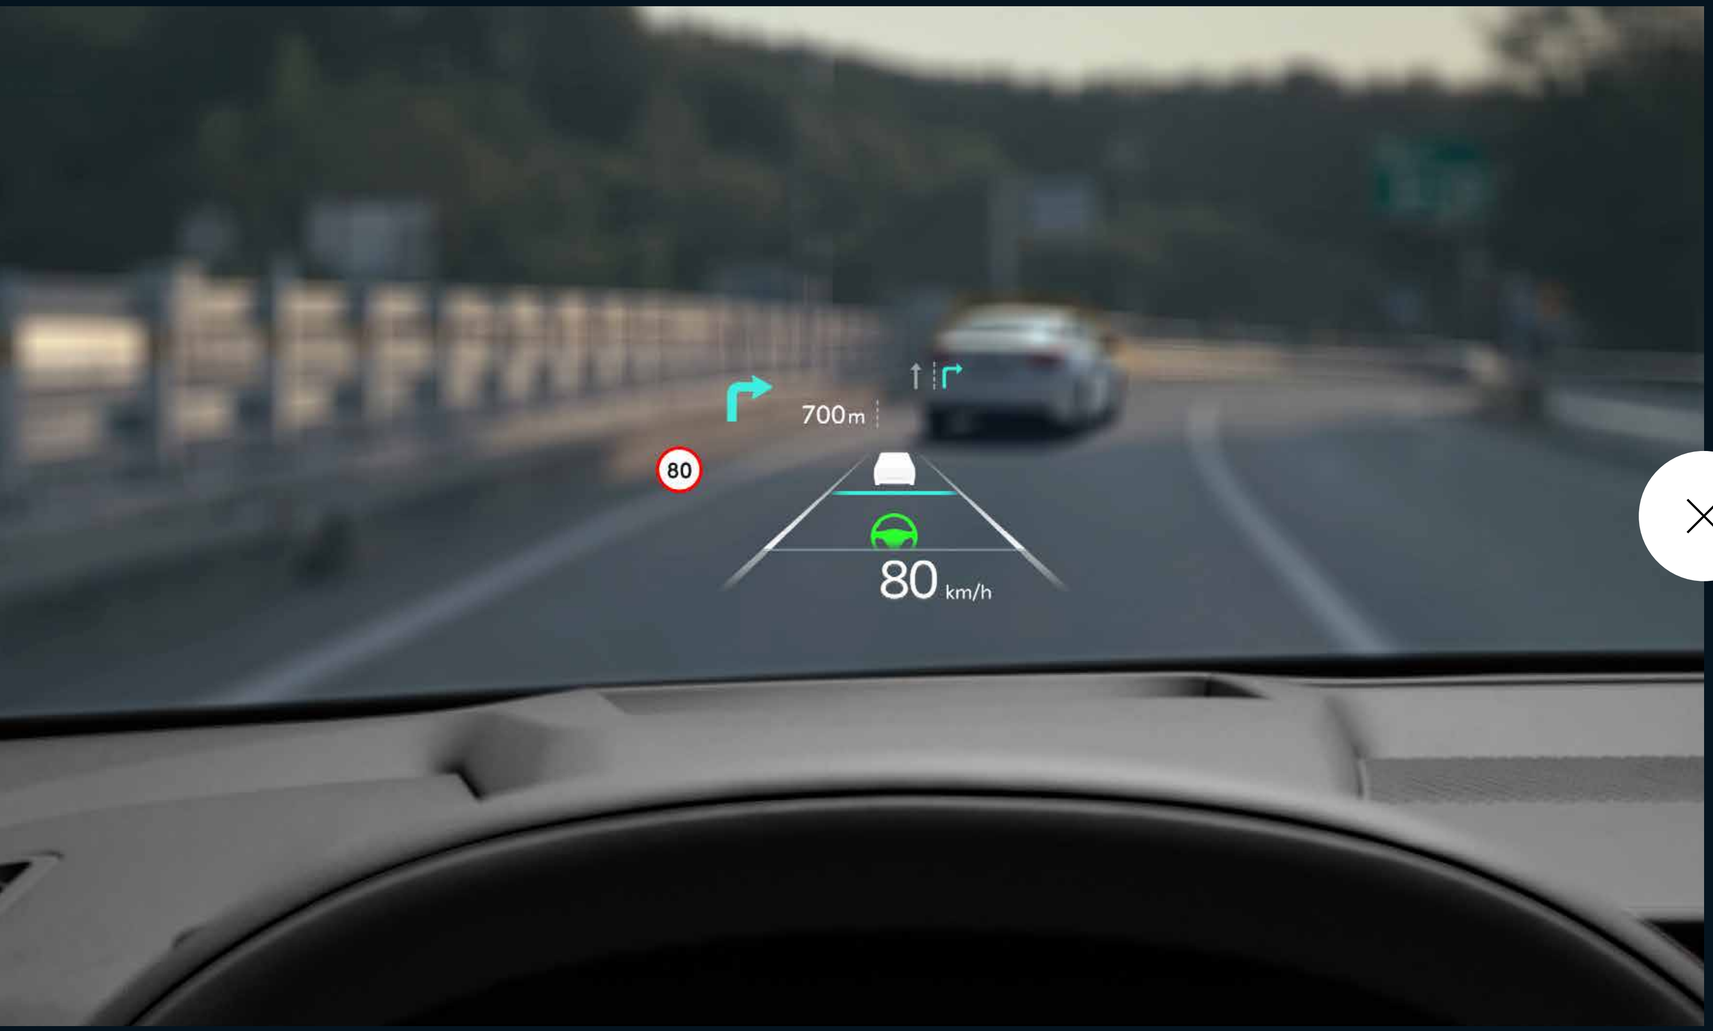
High-gloss black accents, dark metal details, and exclusive black wheels blend seamlessly to complete the strong and sporty identity unique to the X-Line. Infusing bold sophistication into the rugged profile of an authentic SUV, it delivers a commanding style that stands out confidently in every setting.

Click for detailed view

X-Line | GT-Line

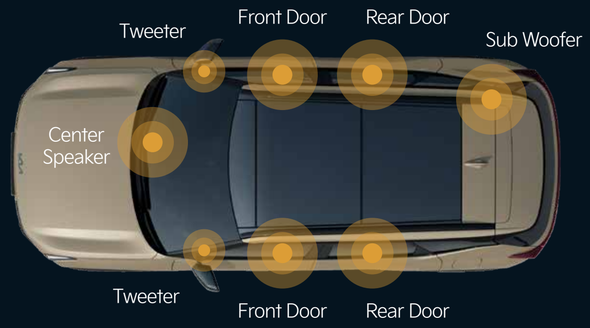
X-Line Interior

A black-focused interior color scheme and exclusive seat details bring the robust identity of the X-Line into the cabin.
The wide, horizontal layout, and refined interior touches, combine to deliver a truly confident drive.



Head-up display (HUD)

With the 12-inch HD head-up display, you can view essential cluster and navigation details without taking your eyes from the road.



Harman Kardon sound system

The externally amplified, 8-speaker Harman Kardon premium audio system delivers stunning, high-fidelity sound.

100W USB ports

Two 27W USB Type-C ports come standard on the lower center fascia, while optional 100W ports are available for faster charging.

Dynamic Welcome Light

A unique lighting pattern greets you the moment you approach the vehicle, creating a distinctive first impression that is uniquely Seltos.

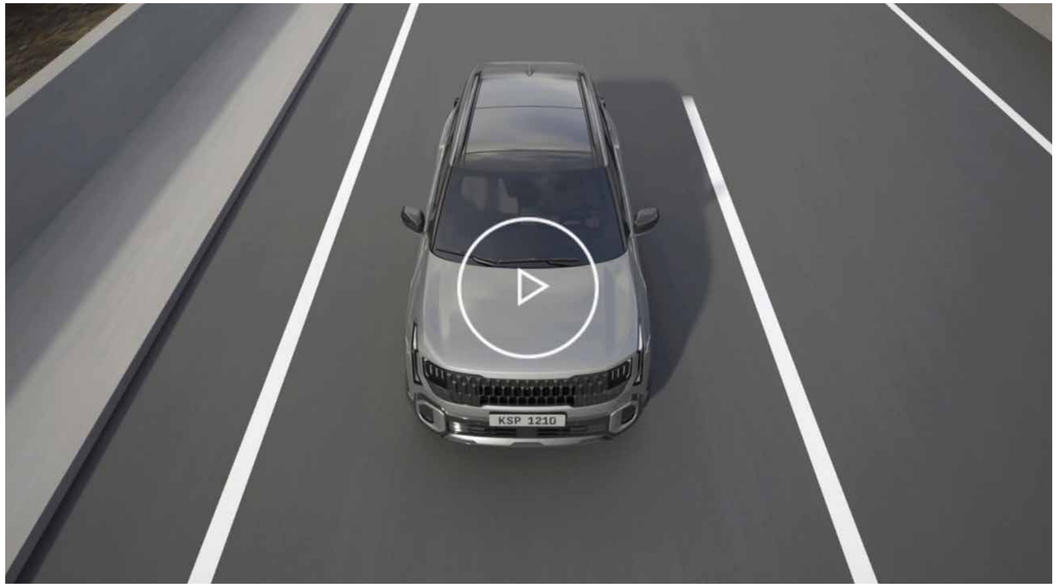
Forward Collision-Avoidance Assist 2

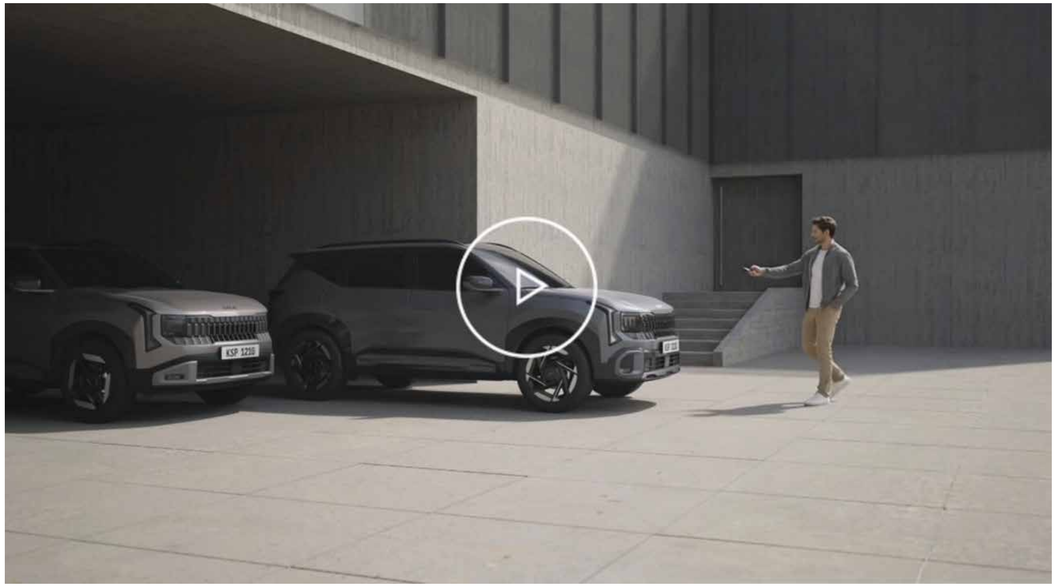
FCA 2 monitors the surroundings and automatically assists braking when the risk of collision increases with a vehicle, motorcyclist, pedestrian, or cyclist ahead; with an oncoming vehicle from the opposite side or from the left/right side at an intersection; or with a directly oncoming vehicle in the same lane. It also automatically assists steering when there is a risk of collision with an oncoming vehicle or a vehicle in the next lane while changing lanes, as well as with a vehicle or pedestrian on the edge of the lane.



Lane Following Assist 2

LFA 2 helps keep the vehicle perfectly centered in its lane with smoother, more precise steering control. For seamless operation, a Hands-On Detection (HOD) sensor accurately monitors whether the driver's hands are on the wheel, ensuring optimal system performance.

※ Advanced Driver Assistance Systems (ADAS) are designed to assist the driver. Always remain attentive and drive with care.
※ Functions may not operate properly depending on surrounding environment and driving conditions.
Certain functions may also be limited in accordance with regulations governing Advanced Driver Assistance Systems certification. For details, please refer to the Owner's Manual.
※ The specifications shown above may vary depending on trim, powertrain, and options.



Remote Smart Parking Assist

RSPA lets you enter or exit a parking spot while standing outside the vehicle. Using advanced sensors, it automatically steers, accelerates, decelerates, and shifts gears, while instantly braking if it senses an obstacle.

Reverse Parking Collision-Avoidance Assist

PCA-R provides a warning and automatically engages emergency braking if there is a risk of collision with an object while reversing.

※ Advanced Driver Assistance Systems (ADAS) are designed to assist the driver. Always remain attentive and drive with care.
※ Functions may not operate properly depending on surrounding environment and driving conditions.
Certain functions may also be limited in accordance with regulations governing Advanced Driver Assistance Systems certification. For details, please refer to the Owner's Manual.
※ The specifications shown above may vary depending on trim, powertrain, and options.

*18-inch alloy wheel

Head room	1st row	1,029 (Panoramic sunroof: 978)
	2nd row	989 (Panoramic sunroof: 958)
Leg room	1st row	1,051
	2nd row	990
Shoulder room	1st row	1,435
	2nd row	1,407
Minimum ground clearance		170

Luggage space	Length	929	
	Width	1,060	
	Height	800 (to headlining)	462 (to top of seatback)
Luggage capacity (ℓ)	2nd row seat unfolded	SAE	786
		VDA	536 (TMK*)
	2nd row seat folded	SAE	1,817
		VDA	1,511 (TMK*, Gasoline) 1,494 (TMK*, HEV)

Movement that inspires

We believe movement inspires ideas. Great ideas come to you when you're on the move. That is why we at Kia create the space for you to get inspired and more time to bring your ideas to life.

All information, illustrations and specifications are accurate at the time of printing and are subject to change without notice.
The models and specifications shown in this catalogue may vary from those available in your market.
Contact your local Kia dealer for current information and full warranty details including terms and conditions.
Driving range is determined according to the standardized EU measurement procedure (WLTP). The individual driving style and other factors, such as speed, outside temperature, topography and the use of electricity-consuming devices, have an influence on the real-life range and can possibly reduce it.

Movement that inspires
