The Kia Picanto

Movement that inspires

Movement that inspires
Interior
Neat size. Surprising space.

Comfort in style. Charisma in abundance.

Slide inside the Picanto and be impressed by its cool interior that feels super compact and yet amazingly spacious. With intuitive modern design, premium materials, ergonomic seating, cutting edge technology and the latest safety and driver-assisted features, it's a real feast for all the senses. So go on. Get in, get comfy and experience the delights and take it away.

MDPS with tilt steering wheel. Motor-Driven Power Steering simplifies turning, while a tilt steering column helps you get in and out.

Automatic air conditioning. Just set your preferred temperature, and the automatic climate control monitors and maintains it until you change or cancel the setting.

View Offers

A world of comfort.

Take your seats for true comfort that’s endlessly chic to the eye and beautiful to the touch. From the Picanto's heated steering wheel to its smart key, you're bound to feel life with the Picanto is very pleasant indeed.

Wireless phone charger. Go wire free, with optional wireless charging for compatible smartphones. The charging pad is at the front of the centre console for easy access (grade dependent).

USB port. Connect audio players and mobile devices via USB.

Auto light control. Set the stalk ring to Auto and the front and rear lights will turn on or off depending on lighting conditions.

Folding door mirrors. Leave your Picanto neatly parked, with door mirrors that fold when you lock the doors (grade dependent).

Alumium pedals. Racing-inspired alloy pedals add to the fun of driving. Raised rubber grips help ensure confident footwork.

Build your Picanto

More let's do it. More why not.

When you're ready for anything, the Picanto is your best ever friend. With its roomy cabin, clever rear folding seats offering a generous 255 litres of standard luggage capacity, plus a jaw-dropping 1,010 litres of luggage capacity when the rear seats are folded down, you're all set for any adventure you fancy.

60:40 split-folding rear seats. Take whatever you need with the flexibility of rear seats that split and fold 60:40 to accommodate people or cargo.

Front cup holders. Dual cup holders at the front of the console keep your drinks close at hand and if you prefer a more flexible space, the cup holders can be easily stowed-away at the touch of a button.

Double tray. Located below the temperature controls, the double tray is a great spot to store your shades or phone.

Test Drive Picanto

Information at your fingerprints.

Living the moment means always being on. The Picanto is packed with technologies to help you stay informed and inspired while driving.

Android AutoTM/Apple CarPlayTM. Bring the best of your smartphone in your car. Every Picanto with an 8-inch display supports Android AutoTM and Apple CarPlayTM (grade dependent).

8-inch Touchscreen Navigation System. The high-definition touchscreen provides clear guidance to navigate to your chosen destination using real-time traffic information (grade dependent).

Audio System. The base audio system includes a 3.8-inch monochrome screen with DAB radio (grade dependent).

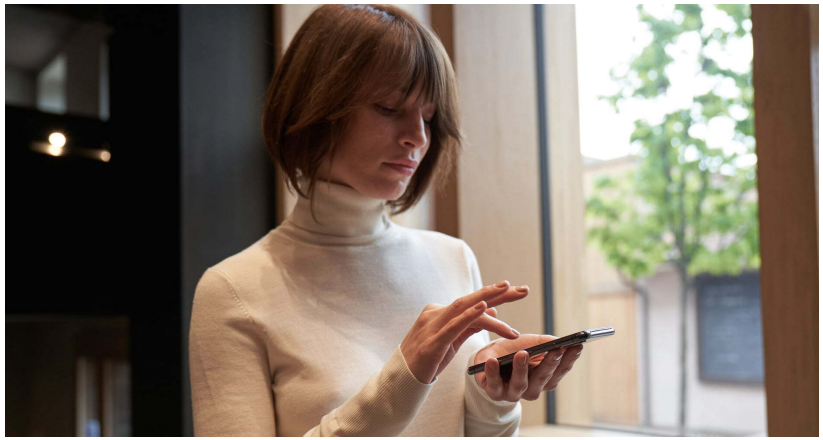
Owner Reviews

Information at your fingerprints.

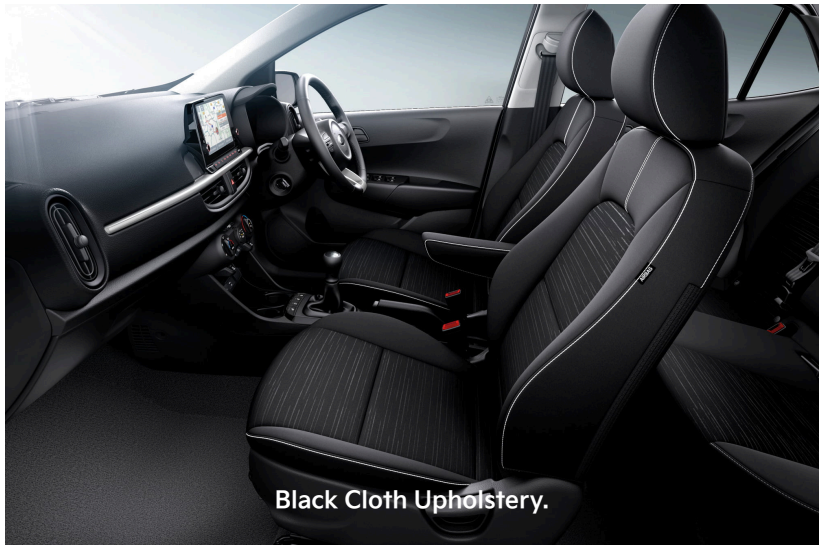
Living the moment means always being on. The Picanto is packed with technologies to help you stay informed and inspired while driving.

(Images are for illustrative purposes only and not up to the UK specifications.)

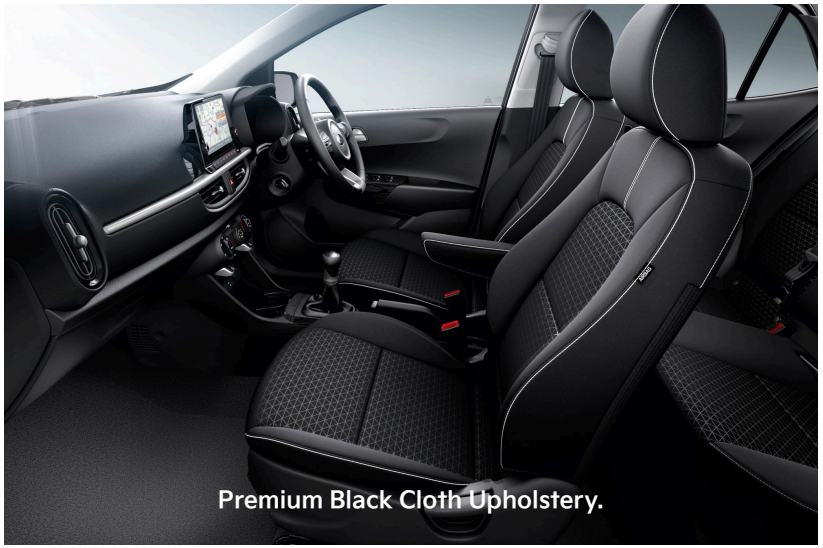
4.2-inch supervision monochrome cluster display. This screen is positioned between the rev counter and speedometer, and provides access to essential vehicle status, menus and trip data (grade dependent).



Kia Connect. Kia Connect comes free for seven years. Your satellite navigation system, destination search and Points-of-Interest directory are powered by the Internet. You can also find out about fuel station prices, obtain weather forecasts and can interact with your car through the Kia Connect mobile app (grade dependent).



Black Cloth Upholstery.



Premium Black Cloth Upholstery.

Black and Red Faux leather Upholstery.

Black faux Leather Upholstery with Green Stitching.

Sit back. In style.

Take your seats for true comfort that's endlessly chic to the eye and beautiful to the touch. From stunning cloth to stylish artificial leather, to a bold sports package, you're bound to find the perfect seating to suit you and your passengers for years to come.

Movement that inspires
Performance
Efficient engines. Effective anywhere.
F KM 701

Great choice. Good times.

The Picanto is designed to be highly efficient both in terms of performance and fuel economy. It is perfectly suited to meeting city regulations as well as exceeding your expectations on the open road. Take your pick from the svelte and smooth-running 1.0-litre DPi engine.

(Images are for illustrative purposes only and not up to the UK specification).

Idle Stop & Go (ISG). ISG comes as standard on all Picanto models and is designed to reduce fuel consumption by shutting down the engine when the vehicle is at a standstill.

Manual Transmission. The Picanto's 5-speed manual transmission has been optimised to give a higher torque and a longer gear ratio. That's why the engine not only offers good acceleration and top speed, but it also makes gear changing super smooth and responsive.

Automatic Transmission with Manual Mode (AMT). It works like any other automatic transmission: a manual gearbox automated by an electric clutch, it allows you to move slowly by releasing the brake pedal.

Movement that inspires
Safety
Safety first with DriveWise technologies.
F KM701

The Picanto's DriveWise technologies set the standard with an extensive range of built-in, active safety and convenience features. They take the strain out of driving and parking and, crucially, are designed to keep you safe.

Forward Collision-Avoidance Assist. The system uses a front-facing camera to guard against a collision with any vehicles or pedestrians ahead. By warning you and braking automatically, it can help you avoid, or reduce the severity of an accident.

Rear Parking Sensors. Ideal for confident parking, these ultrasonic sensors mounted on the rear bumper warn you of any obstacles when manoeuvring into a parking space (grade dependant).

Tyre Pressure Monitoring System. The system alerts you when a tyre needs pressure adjustment.

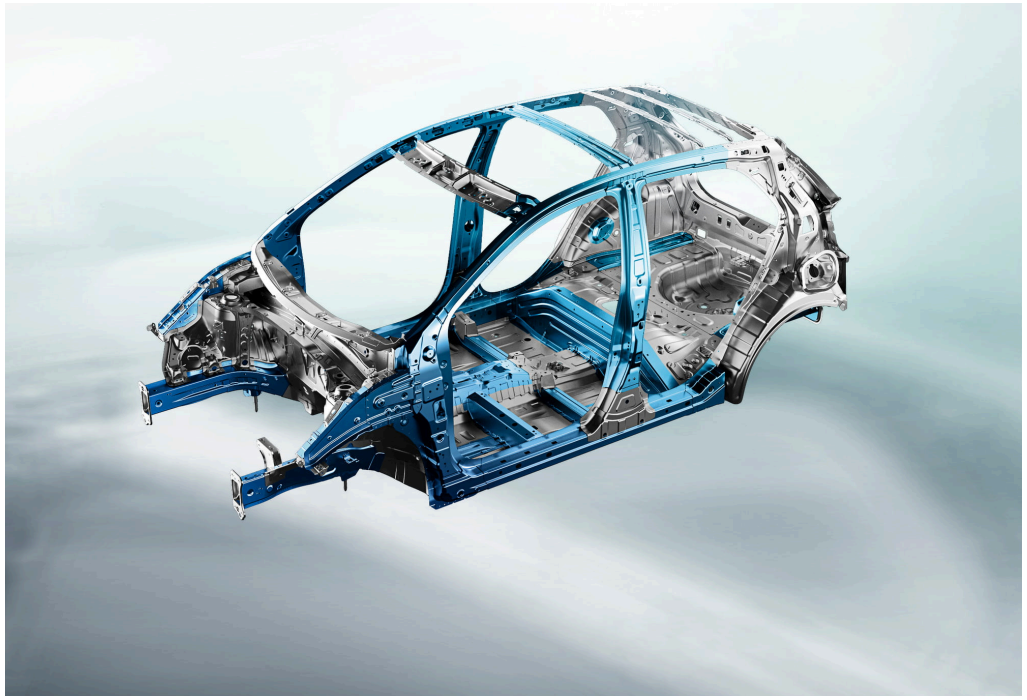
(Images are for illustrative purposes only and not up to the UK specifications.)

Rear-view Camera with Dynamic Guidelines. The rear camera projects an image onto the 8-inch floating display, along with dynamic guidelines to help you into place (grade dependant).

Build your Picanto

Uncompromised protection. Complete peace of mind.

The Picanto is serious about keeping you protected. With advanced active safety features and rigorous attention to detail, it's designed and built to safeguard you and your passengers at all times. You can enjoy each and every ride, safe in the knowledge that you are being looked after.



Advanced high-strength steel and hot-stamped steel. The Picanto uses more than 44% advanced high-strength steel, as well as hot-stamped components in the core stress areas. This greatly improves average body rigidity enhancing cabin protection and dynamic

Front/side/curtain. To help protect occupants and potentially reduce injuries in the event of a collision, the Picanto offers driver and front passenger airbags, two front-side airbags and two side-curtain airbags.

Electronic Stability Control (ESC). ESC ensures optimal braking performance and directional control. It automatically delivers the right amount of braking force to each wheel, based on an evaluation of engine torque and driving conditions.

Hill-start Assist Control. When at a standstill on an incline, Hill-start Assist Control prevents you from rolling backwards. It applies the brakes from the time you lift your foot from the brake pedal, giving you a moment to switch your foot smoothly to the accelerator. (Images are for illustrative purposes only and not up to the UK specifications.)

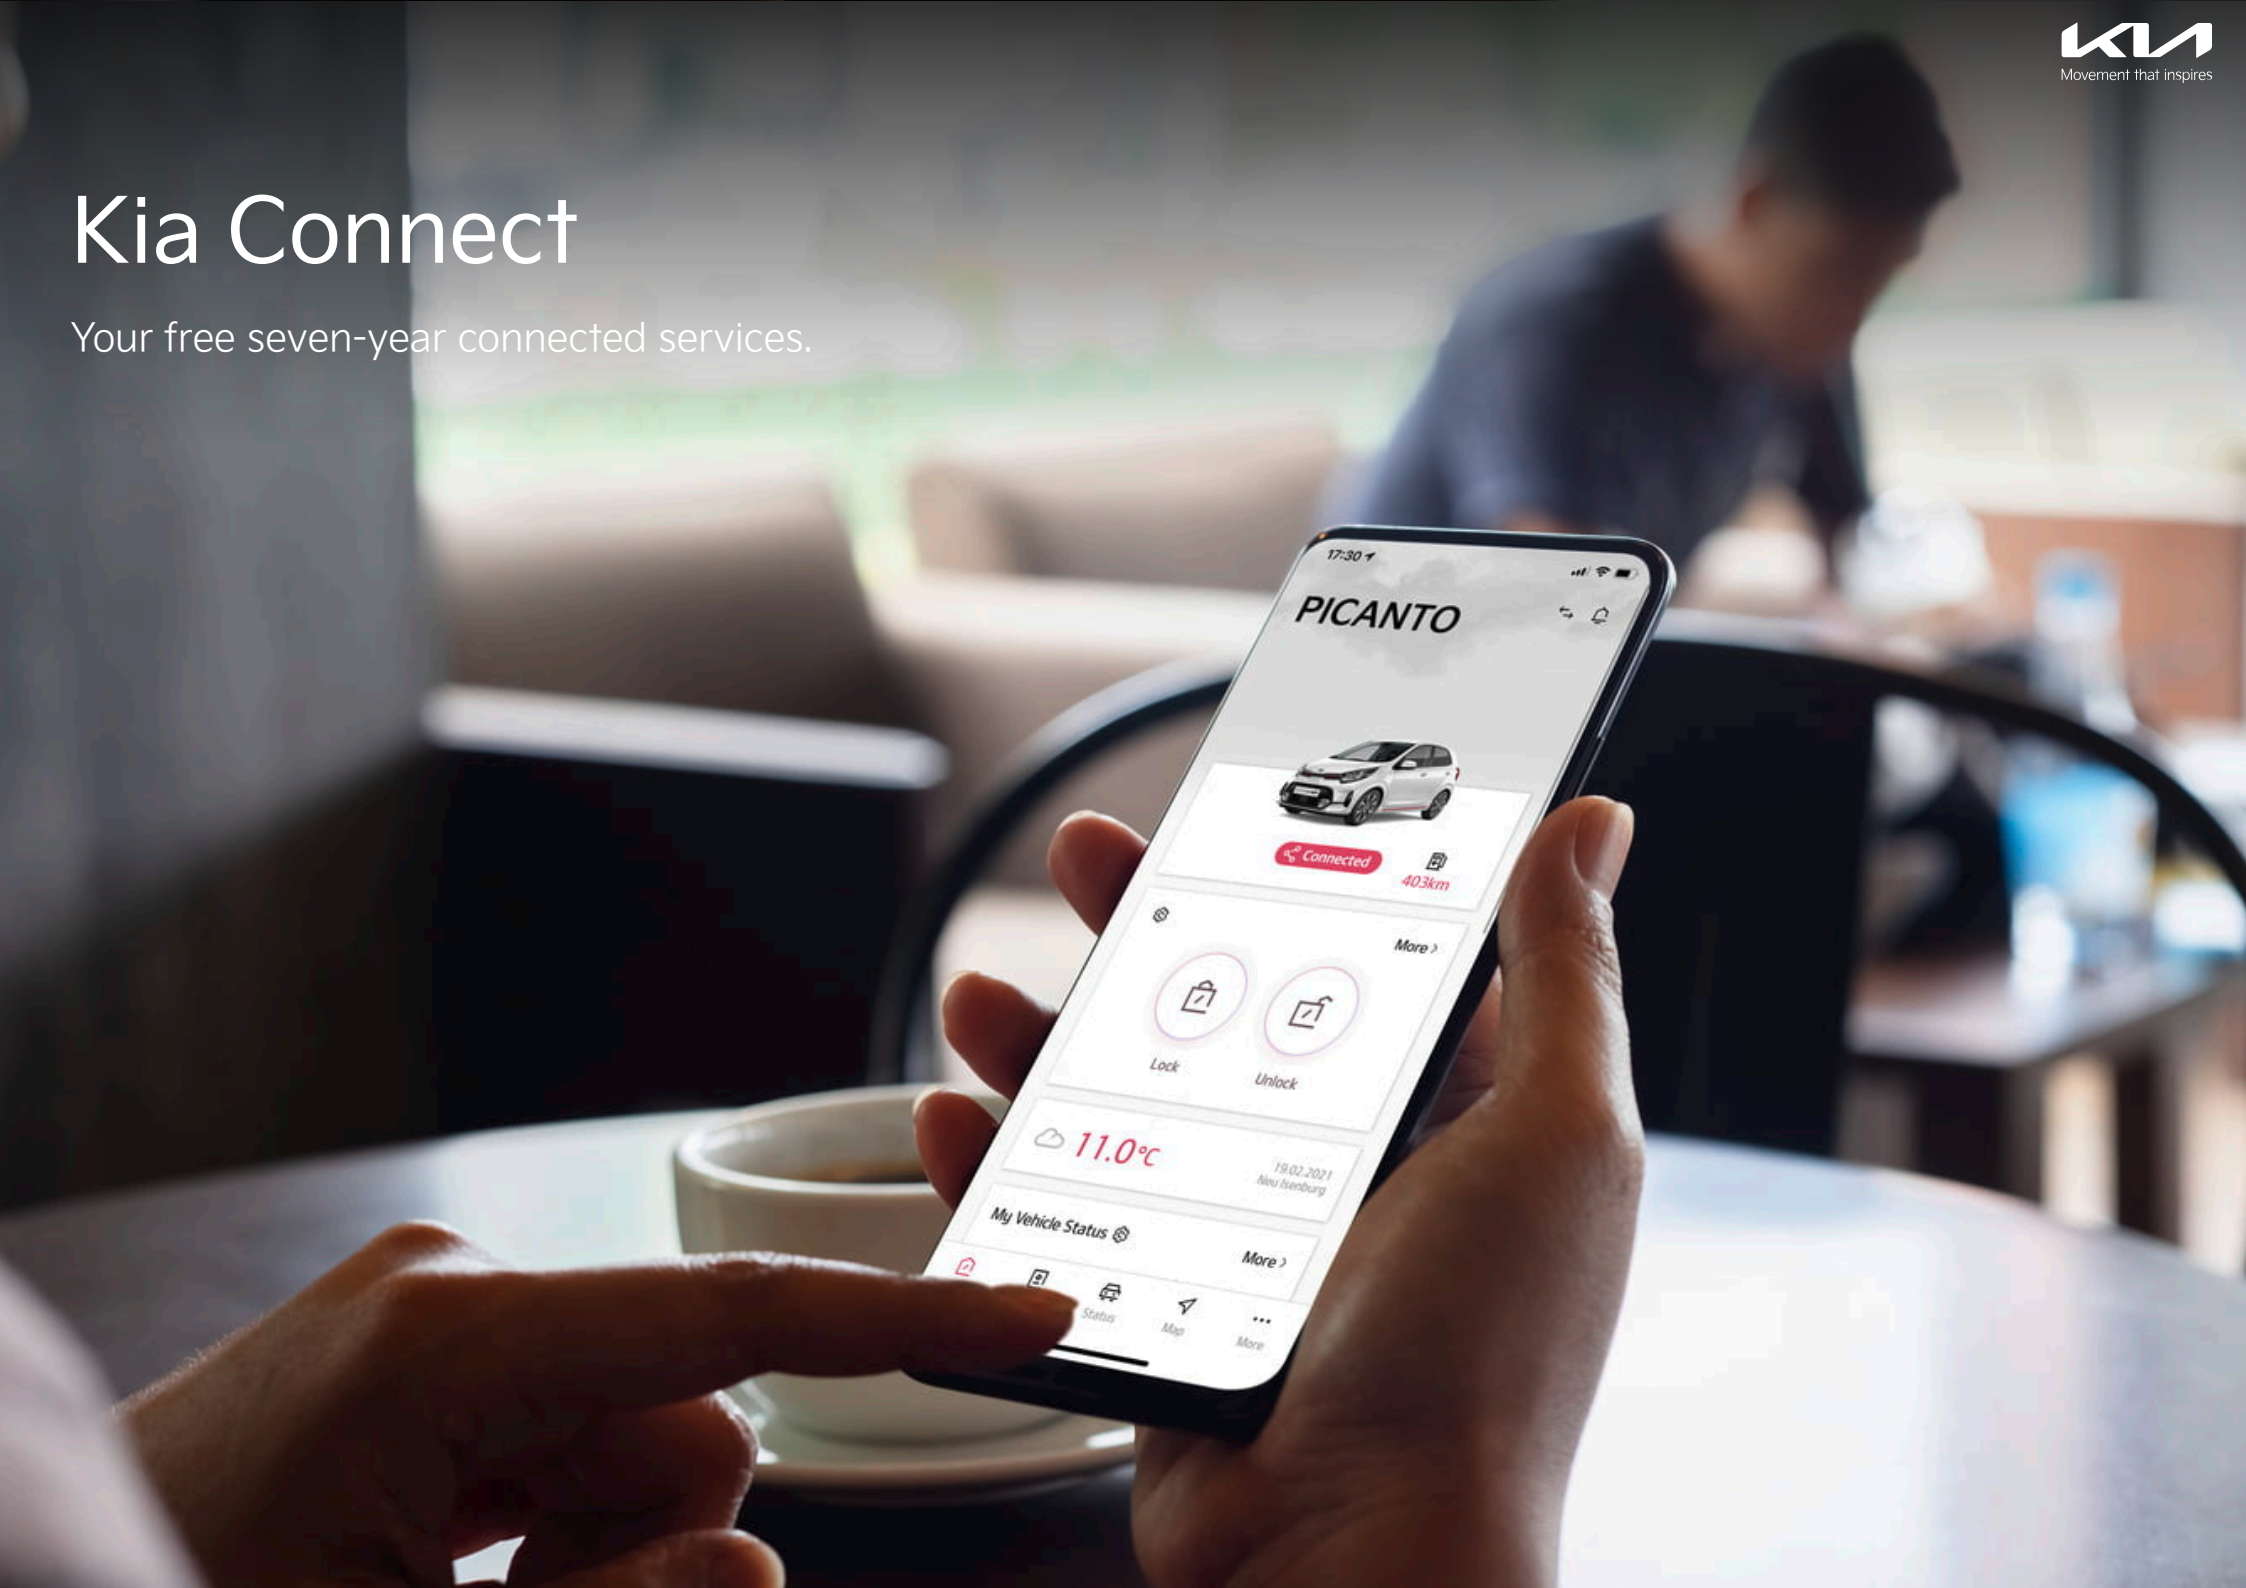
Kia Connect

Your free seven-year connected services.



Kia Connect... Your free seven-year connected services.

Kia Connect opens your Kia to the world of connected services. Once activated, it enables a number of essential digital features in your car. You can also install the Kia Connect app on your smartphone and pair it with your Kia to control certain functions remotely and consult a wealth of information about your car.

In-car services

Your free seven-year Kia Connect, once activated, uses your vehicle's embedded SIM card to connect it to the world of live data.

Real-time traffic information
Your navigation system uses live traffic information to recommend the best route and dynamically predict the most accurate arrival time.

Speed cameras and danger zones
Be alerted to speed and traffic light cameras, and to areas where accidents are particularly common.

Weather information
With up to three days' weather forecast available, you can check weather conditions at your destination.

Points of interest
Are you looking for a place to eat, a local business or the nearest ATM? All this information and more is easily accessible via your Kia's live, connected directory.

Parking
Kia Connect helps you find available parking locations. It shows on- and off-street parking locations, including prices and likely availability.

Fuel station information
The system shows you the nearest petrol stations and prices to plan a refuelling stop.

Charging station information (electric and plug-in hybrid vehicles only) Your car gives you the location of charging stations, with useful information such as availability and charging speeds available.

Works with Apple CarPlay

Apple CarPlay™ is a smart, safe way to use your iPhone while driving. It takes all the things you might want to do, and puts them into your display, so you can get directions, make a call and listen to music all while staying focused on the road.

androidauto

Android Auto™ is designed to keep you perfectly connected to your phone while minimizing distractions so you stay safe on the road. The simple, intuitive interface lets you access features like Google Maps, apps, music and voice control, and automatically organizes info into simple cards that appear just when they're needed.

Mobile application services

Once Kia Connect is activated in your Kia, it gives you access to a wide range of useful functionalities through the Kia Connect mobile phone application (available on Apple™ and Android™).

Find my car and first/last mile navigation
You can check the location of your car from your smartphone. Your app can also use augmented reality to guide you to your car. When driving and parking before reaching your exact destination, your app can give you guidance to walk the last bit of the way using augmented reality or Google Maps.

Vehicle status
The Kia Connect app gives you an overview of your Kia's status including fuel/battery level, doors, windows, bonnet or tailgate. It lets you know if any of the vehicle's functions isn't working properly. You can also use the app to consult information about your past trips or to obtain a summary of key stats for your past month's driving.

Notifications and remote door control
You get warned if your vehicle's anti-theft alarm is triggered or if you left your doors unlocked. What's more, you can lock and unlock doors from your phone, wherever you are.

User-profile-linked vehicle settings
Select your preferred vehicle settings from your phone for a tailored experience once you get behind the wheel.

Valet mode
Activate the valet mode in your car and you can track its location and speed on the app. Ideal when you lend your vehicle to an airport's valet parking service.

Kia services are available free of charge for a period of 7 years commencing on the day the vehicle is sold to the first owner of the vehicle and may be subject to change during that period. You need a smartphone with iOS™ or AndroidTM operating system and your own data plan to operate the Kia mobile apps. Your Kia needs to be in a location with Vodafone signal to connect to these services.

For new vehicles sold from May 2021, Kia offers, per vehicle, two free-of-charge updates of the maps in the vehicle's navigation system and of the Head Unit software using the so-called "over-the-air" method ("OTA Updates"). Once the two free-of-charge OTA Updates have been consumed, you will be able to get updates of the maps in the vehicle's navigation system and of the Head Unit software only (i) by accessing the following web page https://update.kia.com/EU/E1/Main or (ii) at a dealership.

Accessories

Expand your possibilities.

Movement that inspires

Accessorise in style.

Give your new Picanto an edge with a range of functional and styling accessories. From customisable options to express your style to practical ways to protect your car, there's the perfect accessory for everyone.

Velour carpet mats. Keep your cabin unblemished for longer. These high-quality velour carpet mats will protect your Picanto's interior from everyday dirt and enhance its look at the same time. Tailor-made to fit the footwells perfectly, they feature the Picanto logo in the front row and are held in place with fixing points and antislip backing.

Entry guards. First impressions always count. These aluminium entry guards give a flash of premium shine to welcome passengers to your Picanto. They're a custom fit and feature the Picanto logo.

Tailgate trim line. Make sure your Picanto is as unique as you are. Now you can make an eye-catching style statement on the road. Add a striking design detail and colour accent to your Picanto's exterior with this tailgate trim line. Available in elegant silver, piano black and vibrant red.

Boot liner. However wet, muddy or grimy things get, this custom-made liner will protect your boot area. It is durable, anti-slip and waterproof with raised edges. The textured anti-slip surface helps prevent loads moving around. Custom-made and designed to complement the interior of your car carrying the Picanto logo branding.

LED footwell illumination. Give your cabin the red carpet treatment with this premium touch that bathes the front footwell in exquisite ambient light whenever the doors are unlocked, fading out when the engine starts. Available in stylish red and classic white.

Kia Promise

Our promise to you.

7 more reasons to join our Kia family

Now there are even more reasons to buy a stylish, technology packed Kia. Peace of mind comes as standard when you join the Kia family with the Kia Promise - 7 great owner benefits when you buy your Kia and register at MyKia.

There are a lot of things to consider when buying a new car. Compromising on reliability in the long term shouldn't be one of them. That's why Kia have redefined quality and offers a unique, industry-leading 7 year warranty that comes with peace of mind for at least 100,000 miles.

Our 24/7 Roadside Assistance package is designed for Kia owners in partnership with the RAC. All new cars have complimentary cover for 12 months from the first date of registration, giving you the highest level of cover provided by the RAC, including onward travel and European cover.

With every new or Approved Used Kia you can get driveaway insurance and a £250 Excess Return voucher free of charge. All Kia owners can use our Accident AfterCare service and with Kia Care Service Plans we offer great value fixed price servicing.

Online service booking offers convenience and flexibility 24/7. Offering quality and value at one of our Dealers nationwide. Kia trained technicians use the latest diagnostic equipment and technology. All of our Genuine Kia parts come with a 2 year warranty. Fully inclusive pricing at the click of a button.

At Kia we care about you as an individual and want to deliver service that fits your needs. When you visit one of our Dealers for a service your vehicle will benefit from a complimentary vehicle health check, a wash and vacuum and alternative transport if needed. We look forward to spending time getting to know you!

Kia Charge gives you access to the majority of public charging infrastructure in the UK and across Europe. It lets you locate stations, plan journeys, charge and pay, all with one solution.

Connectivity with Kia Connect & Over-the-Air Updates. Kia Connect is our range of connected services both in-car and through the Kia Connect mobile app. Over-the-Air Updates keep your infotainment system up to date using your Kia's mobile data connection.
