3E. Vehicle Link

You will need to link your Kia Account to the Driver Profile to save details such as radio stations, seat position, AC settings, favourited map destinations and more. To do this, when the app is opened it will ask you to link your account. Select 'Confirm' and then click the 'Register' button

Connect

Vehicle Link (continued)

Once linked, it may take a minute to register. When successfully linked, the Kia Connect App will give you the option to 'Remove' the linked account as shown below
