Unenrolment Process

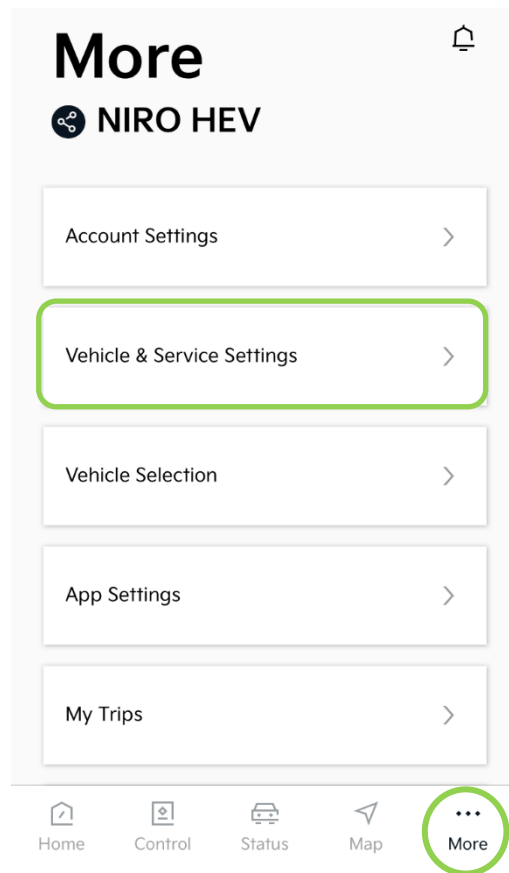

5A. Deactivate through the in-vehicle screen

If you have purchased a pre-owned vehicle and Kia Connect is still enrolled by the previous owner. The new owner can navigate to Kia Connect settings → Scroll down to Deactivate Kia Connect → Click the Deactivate button

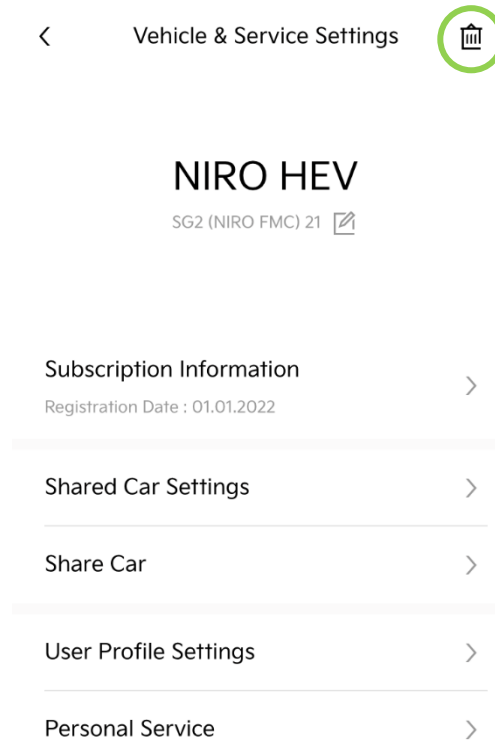

5B. Deactivate through the Kia Connect App

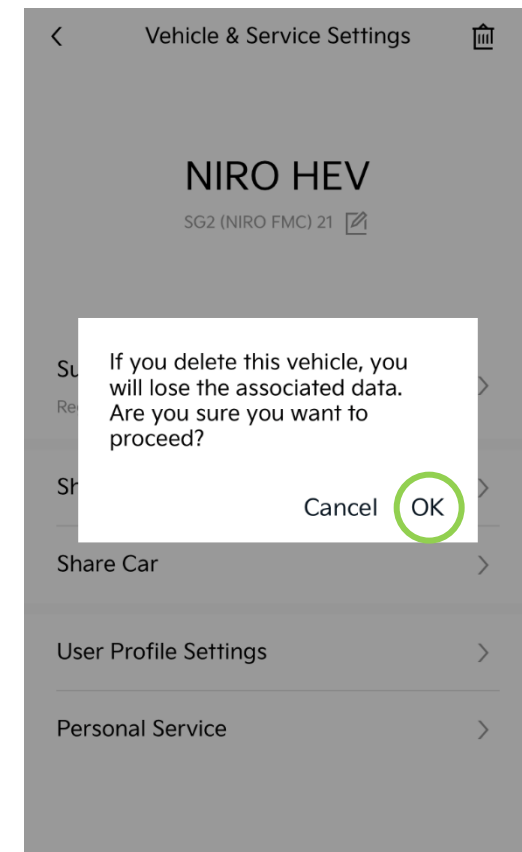

If you are no longer the owner of the vehicle, you deactivate your account by following the three steps below.

01. Navigate to the 'More' page and click 'Vehicle and Service Settings'

02. Click the bin icon in the top right corner of the app

03. Click 'OK' to unenrol the vehicle from your Kia Connect Account
