# APPLAUD THE DESIGN.

The eco-friendliest car is nothing without the capability to haul stuff. But the chores of daily use will leave their marks. Protect your Kia e-Soul inside and out against wear and tear. With a range of accessories that will withstand even the toughest loads. Their look is uniquely designed following the same idea for both of them.

## All weather mats, with grey accent

Whatever adventure you've been on, don't worry about wet, muddy or sandy shoes when you get back in the car. These durable custom-made mats carry a vehicle logo in grey colour and fixing points to hold them firmly in place. They feature distinctive design that matches perfectly with the trunk liner which follows the same theme.

### Charging cable, Mode 3

Fast charging (AC) your new electric vehicle could not be easier and faster. The charging cable, Mode 3 is equipped with Type-2 plugs at both ends and can be used for the day-to-day charging at public and domestic charging points that provide Type-2 sockets. High-grade materials make this charging cable extremely resistant to severe twisting or bending, and extensive weatherproofing excludes the possibility of corrosion. Secure automatic locking to both the car and the charging point is provided by the Type-2 plugs.

### Advantages of Mode 3 cable

**Safety**  
Interlocks for added security

**Smart**  
Communicates overall charging status

**Fast Charging (AC)**  
Optimal charging speed

### Type-2 plug

Now adopted as the European standard in connection with electric vehicle charging, the Type-2 plug incorporates a unique, single- or three-phase pin arrangement that facilitates three different functions: power transmission, safety earthing and system communication. The majority of public charging points are equipped with Type-2 power sockets and combined with the single-phase charging cable, Mode 3 provides the maximal possible charging speed for the Kia e-Soul.

# INTENSIFY THE CHARACTERISTIC.

You can always improve things. Whether in terms of design or usefulness – we have put loads of thought and love into finding all these little details that will put even more soul into your Kia e-Soul.

## LED door projectors

This luminous detail gives a lasting impression. Bring a special touch to every entrance after dark, by projecting the sharp contours of the Soul or Kia logo on the ground every time the front doors are opened.
