

The Power to Surprise

Kia is the newest and most exciting force of change in the automotive world and we are ready to change the way you feel and think about driving. More than just a promise, we are committed to making driving a true pleasure for customers across the globe. With youthful and dynamic styling and the latest in advanced technologies, Kia cars are turning heads the world over with the power to surprise. From the Picanto to the Mohave, Kia offers a full lineup of sedans, SUVs and MPVs that are not only practical and stylish but downright exhilarating to drive. Keep your eyes on Kia because our best has yet to come.

About Kia Motors Corporation

Kia Motors Corporation (www.kia.com) – a maker of quality vehicles for the young-at-heart – was founded in 1944 and is Korea's oldest manufacturer of motor vehicles. It produces over 3 million vehicles annually through 10 manufacturing and assembly operations located in 5 countries. These are then sold and serviced through a network of distributors and dealers spanning around 180 countries. Kia currently employs around 50,000 people worldwide and has annual revenues exceeding US\$44 billion. It is the major sponsor of the Australian Open and serves FIFA, the governing body of the FIFA World Cup™ as official automotive partner. Kia Motors Corporation's brand slogan – "The Power to Surprise" – represents the company's global commitment to surprise the world by providing exciting and inspiring experiences that go beyond expectations.

The Power to Surprise

**GRAND
CARNIVAL**

Celebrate the Arrival of Style

The Grand Carnival is absolute proof that a car with great power and presence can also possess a superbly sleek and sporty profile.

Specifications may vary according to region. Please contact your local dealership for more details.

Change the Rules and Go Beyond

The Grand Carnival takes you to a place where superior design and truly smart features combine with a deep understanding of your practical driving needs. It's a place where maximum luxury goes hand in hand with a respect for economy - a place where the exceptional meets the everyday.

Dynamic Driving in an Exciting World

Conquer any urban landscape while in complete control. The Grand Carnival keeps you on the move and in style.

Specifications may vary according to region. Please contact your local dealership for more details.

On the Move, Even When Parked

An imposing presence and generous proportions ensure that the Grand Carnival keeps eyes on its muscular lines, even when parked.

Specifications may vary according to region. Please contact your local dealership for more details.

Style That Turns Heads Everywhere

It's a rare quality to get everything done while looking good, down to every last detail. The Grand Carnival represents a perfect combination of function and form, which catches attention and delights the senses.

1. **Positioning Lamps** LED parking lamps illuminate with supreme effectiveness while adding to the Grand Carnival's remarkably modern exterior styling.

2. **Fog Lamps** Always maintain a clear view of the road ahead without interrupting the Grand Carnival's futuristic design aesthetic.

3. **Aerodynamic Lines** Elegant side molding accentuates the sporty lines of the Grand Carnival to maintain a dynamic profile view.

Specifications may vary according to region. Please contact your local dealership for more details.

Optimised Driver Controls

Wherever and whenever you're driving, convenient fingertip accessibility means you're always in the moment and totally in control, striking the perfect balance between relaxation and awareness.

7" Infotainment System Music is a vital part of driving pleasure and the Grand Carnival's Android and Apple CarPlay compatible audio system helps you create the soundtrack for your life on wheels.

3.5" Mono TFT Cluster A high-visibility display located in the centre gauge cluster provides useful, on-demand trip computer information such as distance to empty, fuel consumption and outside temperature.

Steering Wheel Remote Controls (Bluetooth connectivity, auto cruise control) To minimise distraction and maximise practicality, key driver controls are within easy reach at all times.

A Supremely Elegant and Spacious Cockpit

Contemporary driving is successful when everything you need is always at your fingertips. The Grand Carnival boasts a wide, horizontal centre console combined with abundant space and premium styling to exceed your expectations.

Push Button Start Simplifying a necessary function and making starting the car more convenient by simply pressing a button.

Aux & USB Helping you play your favourite music from your handheld device and charge it.

Technology in the Name of Comfort

The Grand Carnival is a prime example of how technology helps deliver the ultimate driving experience by anticipating and fulfilling the driver's needs.

Dual Sunroof

There's no reason you can't enjoy the sensation of driving under a big sky while creating an even more spacious feel to the cabin.

Foldable Rear Seats

Ensure space for all your luggage regardless of size.

Large Centre Console

Keep your small laptop, tablet PC or smartphone conveniently close at hand.

USB Charger Outlet

Stay connected by charging your smartphones and tablet PCs.

The Right Place at the Right Time

The perfect interior environment offers an innovative approach by ensuring your comfort in all driving conditions.

12-Way Power Driver's Seat

Infinitely adjustable seating positions ensure a perfect driving position for every driver.

Full Auto Air Conditioning with Independent 3-Zone Control

The high-tech climate control guarantees interior air quality and temperature to suit everyone along for the journey.

Rear Charging Ports

Easily accessible power outlets for maximum convenience.

Introducing a New Definition of Space

You and your passengers will finally discover that, however far you travel, it is possible to arrive at your destination even more energised than when you left.

11 seats

4th row
pop-up sinking

3rd row
seatback
folding & sliding

Specifications may vary according to region. Please consult your local dealership for more details.

Extending Interior Space Beyond Expectation

An abundance of space and smart design are key to creating an interior configuration of your choice. The cabin of the Grand Carnival is designed to adapt to the demands of your passengers and their luggage requirements.

Pop-up Sinking Seats

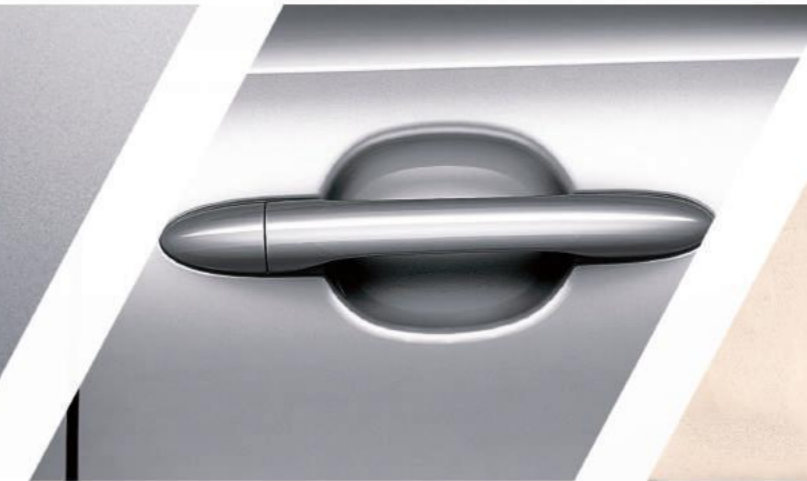

Hide the fourth-row seat below the floorboard of the Grand Carnival for even more space and restore it instantly by pushing a lever.

Smarter Features to Match Your Pace of Life

Quality of life is all about having enough time to spare. The Grand Carnival offers optimum efficiency and simplicity to make your life easier and help you enjoy every precious moment.

Smart Key Remote

Outside Door Handle

Overhead Console

Power Sliding Door

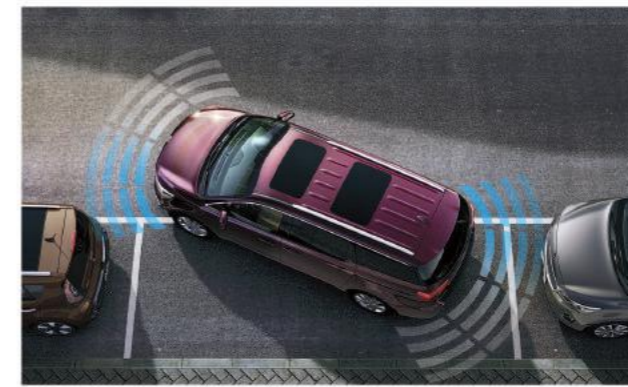

The second row sliding door can be opened manually or automatically with just the flick of a switch.

Sliding Door Button

Specifications may vary according to region. Please contact your local dealership for more details.

Front and Rear Parking Sensors

Ultrasonic sensors warn you about obstacles in front of and behind your vehicle to help you keep safe and in control at all times.

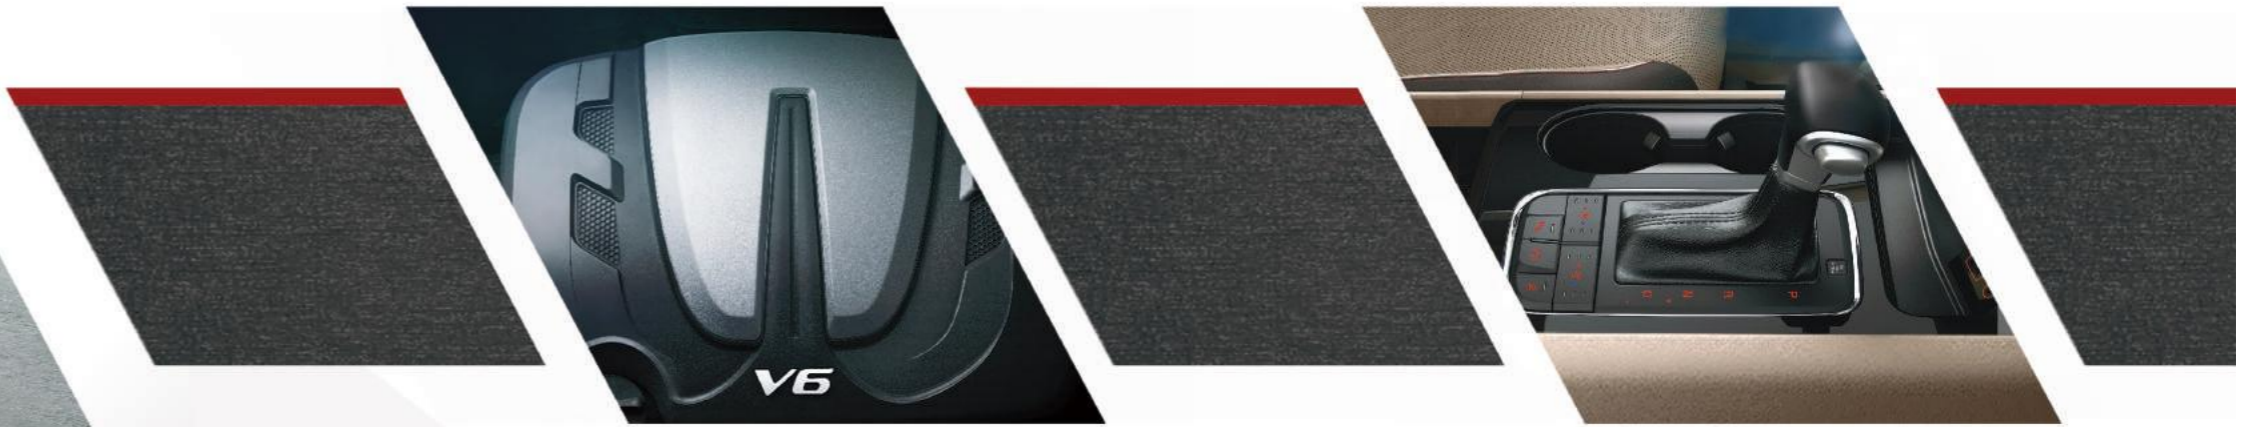

Rear-View Camera

Be fully aware of what's behind you by using the full-colour, high-definition rear-view camera as your trusted guide.

Intelligent Spatial Awareness

With smart technology and great manoeuvrability, you can handle every situation, even the tightest of spaces. Stay in charge of your Grand Carnival with its state-of-the-art features and enjoy your surroundings to the fullest.

Lambda II 3.3 MPI Engine

A 3-stage variable intake system helps boost performance while minimising fuel consumption.

6-Speed Automatic Transmission

Geared to the way you drive, the 6-speed automatic transmission is perfect for driving both within the city and outside.

Power and Safety in Harmony

Comprehensive safety measures are essential for peace of mind while power is best used when combined with refinement and tranquillity. The Grand Carnival offers advanced anti-collision features and a high-strength chassis for maximum safety.

Aerodynamic Performance

A low drag coefficient helps reduce wind resistance and increase efficiency through intelligent design, including the front bumper lip, wheel reflectors and under-coverings.

High-Performance Damper (HPD)

Working alongside the Grand Carnival's suspension, HPD helps improve the ride, steering and handling.

Airbag System

Front airbags for the driver and front passenger plus side-curtain airbags help protect against injury in the event of a collision.

Advanced High-Strength Steel

Advanced high-strength steel improves impact resistance, body rigidity and performance while reducing weight and reinforcing the collision structure.

Specifications may vary according to region. Please contact your local dealership for more details.

Conversation Mirror Looking over your shoulder while driving can be dangerous. Talk to rear-seat passengers without turning your head.

Auto Light Control The Grand Carnival's headlamps automatically switch on or off, depending on exterior light levels to make driving more convenient.

Active Eco System The Grand Carnival's engine, transmission and air conditioner output are all centrally controlled for optimal fuel efficiency.

LED Side Repeaters and Auto Folding Mirrors The exterior side mirrors are heated and fold away automatically, for added convenience. They also incorporate LED side repeaters for a perfect fusion of function and form.

Cooled Glove Box Make journeys more fun with chilled drinks and snacks.

ECM Rear View Mirror The rear-view mirror automatically dims the headlights of trailing vehicles for added safety when driving at night.

Rear Spoiler The rear spoiler features an integrated LED stop lamp which enhances visibility for other motorists and adds a sporty touch to the design.

Shark Fin Antenna The Grand Carnival is all about style and functionality, down to the smallest detail. The antenna has been designed along those lines.

Auto Defog System This clever feature detects moisture on your windshield and removes it automatically.

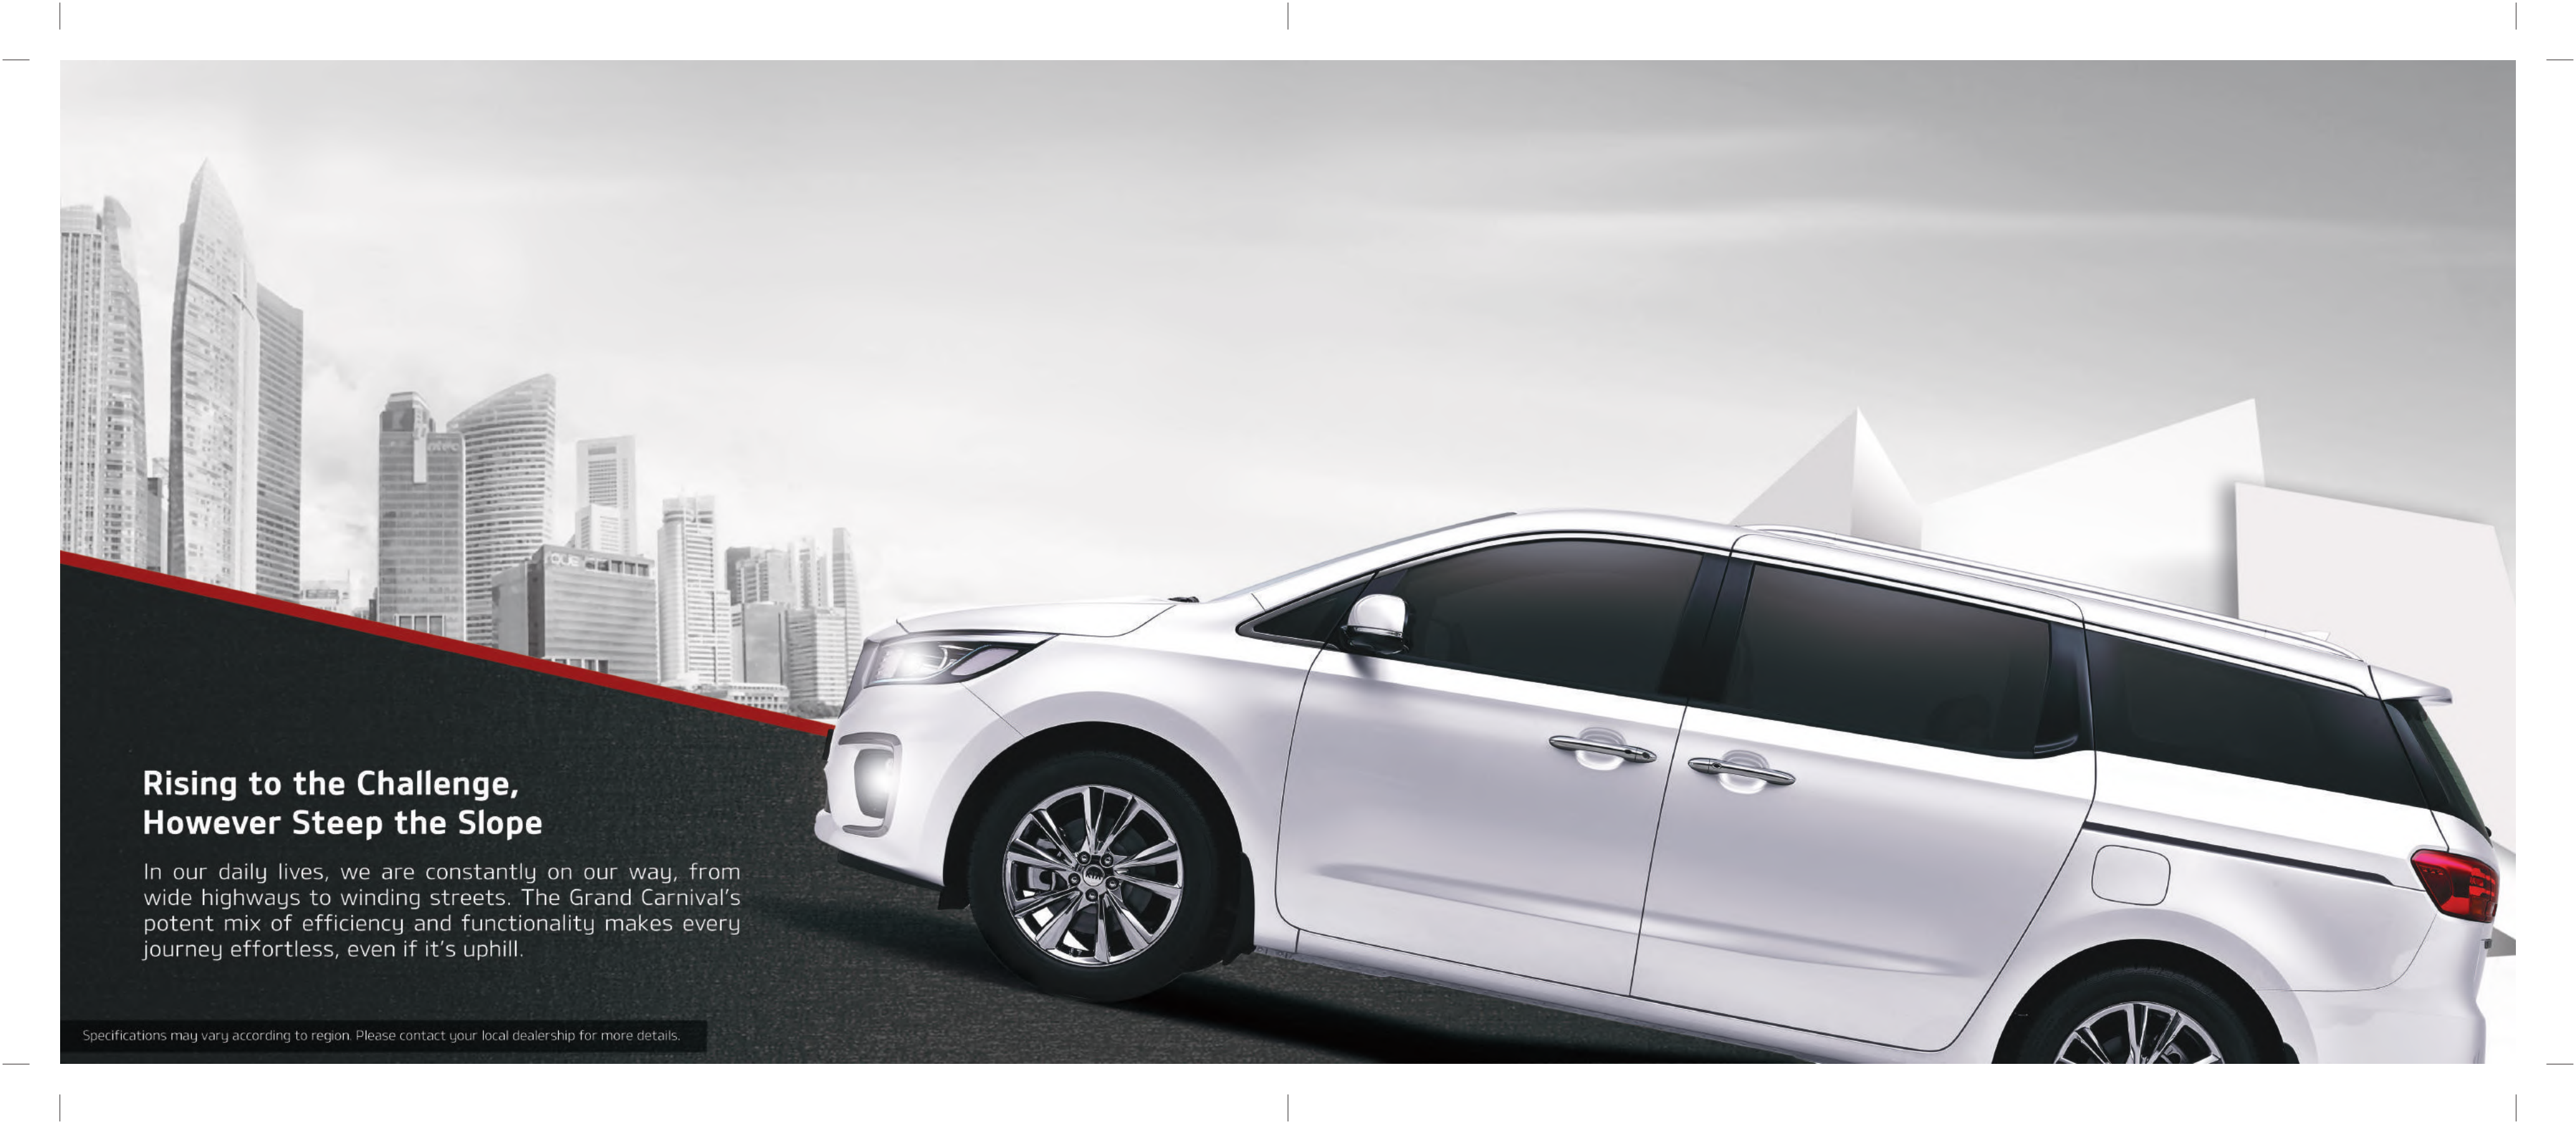

Pure Leather Seats

Every journey in the Grand Carnival is an experience because of its luxurious, pure leather interior.

Anti-Pollution Seat (YES Essentials®)

Cleaning the car seat can be a chore but with easy-to-clean, stainless technology, liquid spills bead up and are easily wiped away if noticed immediately. Other stains on the surface are easily dealt with, using soap and water.

Rising to the Challenge, However Steep the Slope

In our daily lives, we are constantly on our way, from wide highways to winding streets. The Grand Carnival's potent mix of efficiency and functionality makes every journey effortless, even if it's uphill.

Specifications may vary according to region. Please contact your local dealership for more details.

Konfidence
