

GIVE IT EVERYTHING 

2020 **RIO.** BECAUSE
SMALL CAN DO
BIG THINGS.

Part #: UR200 PM001

MADE FOR BOSTON PARKING LOTS, AND OTHER TIGHT PARKING SPOTS.

MADE TO STAND OUT AND FIT IN.

AMERICA'S BUSIEST RUSH HOUR.

Boston, MA, is known for many things — baked beans, its world-famous marathon, and rush-hour traffic. Commuters who travel to and from work during the busiest times of day “lose” 164 hours a year to congestion — more than New York, Washington, D.C., and even Los Angeles. Luckily, the Rio is perfect for efficiently bobbing and weaving through this popular city, or whichever city you call home.

THE RIO

In a big, bustling city such as Boston, size can be as important as style and substance. So the 4-door Rio delivers on all fronts — with sculpted, modern looks, a roomy interior, advanced features, and great handling to help you smoothly maneuver through traffic. All while being compact enough to score the best parking spots in town.

THE RIO 5-DOOR

Perhaps you're more the throw-it-in-and-go type. That works, too — because the Rio 5-door gives you all the great things about Rio, plus the easy-in, easy-out versatility of a hatchback and split-folding rear seats, ready to whisk you to your destination and give you quick access to your stuff when you get there.

SENSES, ALERTS, AND HELPS STOP.

Even the best drivers can use a little help. So we created Kia Drive Wise,* our available advanced driver-assistance technologies that are designed to help keep you alert and aware of changes in the flow of traffic ahead of you — and even help you brake in certain situations.⁵

FORWARD COLLISION WARNING^{5*} DW

This system is designed to help detect slowing or stopped traffic ahead, and alert you if it detects you getting too close

FORWARD COLLISION-AVOIDANCE ASSIST^{5*} DW

This system is designed to help detect and alert you of a potential forward collision with a preceding vehicle and even automatically apply the brakes in some cases

BRAKE ASSIST SYSTEM

If you suddenly slam on your brakes, it's designed to sense the urgency and apply full braking power, which can help shorten your braking distance

ELECTRONIC BRAKE-FORCE DISTRIBUTION

Based on the vehicle's weight distribution, it helps adjust the balance of braking power accordingly

*Optional feature available only on certain trims. See kia.com for details. ⁵ See inside back cover for endnote. Image shown for illustration only. RIO S WITH TECH PACKAGE SHOWN

IT LOOKS GREAT FROM THE BACK BUT IT SEES EVEN BETTER.

Rio's Rear View Monitor with Parking Guidance⁵ is a feature you'll use daily because it is designed to help you see things behind you that you might miss by simply using your mirrors or looking over your shoulder.

REAR VIEW MONITOR⁵

Just put Rio in reverse and the rear view is designed to automatically pop up on the bright, high-contrast floating media monitor

PARKING GUIDANCE⁵

Guidelines on the Rear View Monitor help you see what's behind your vehicle and adjust to follow the direction you're turning

IT CONNECTS, FINDS, REMINDS. MEET UVO, YOUR NEW ASSISTANT.

Kia's UVO eServices^{6*} smart telematics lets you integrate your compatible smartphone with your Rio to stay connected with a range of helpful features (see a few of our favorites below). All you have to do is activate UVO eServices^{6*} and download the UVO eServices^{6*} app from the App Store^{®1} or Google Play^{™2} Store. The best part is, there are no subscription fees for five years.

911 CONNECT^{9*}

will attempt to call 911 and give emergency responders your location if your airbags deploy

ROADSIDE ASSISTANCE^{10*}

connects you with our call center for 24/7 assistance

VEHICLE DIAGNOSTICS^{11*}

helps you monitor the condition of your Rio and even schedule service if needed

PARKING MINDER^{12*}

keeps track of where you parked and even sets reminders for your parking meter

MY CAR ZONE^{13*}

will let you set and receive notifications if you or another driver breaks one of your preset limits for maximum speed or curfew

MY POINTS OF INTEREST (POIs) WITH SEND-TO-CAR^{*}

can sync your favorite POIs from your compatible smartphone

**WHEN LIFE THROWS YOU A CURVE,
HERE'S HOW TO STAY ON TRACK.**

**ELECTRONIC STABILITY
CONTROL (ESC)[†]**

In certain difficult driving situations, ESC is designed to help control the engine and brakes for improved directional stability

**VEHICLE STABILITY
MANAGEMENT (VSM)[†]**

VSM is designed to intervene to help enhance stability and steering responses when driving on some slippery roads

TRACTION CONTROL SYSTEM (TCS)[†]

When TCS senses wheelspin during acceleration, it uses a combination of engine power and brake force to help transfer power to the wheel that has more traction

ANTI-LOCK BRAKING SYSTEM (ABS)[†]

The cornerstone of active safety features, ABS helps provide greater control when stopping in difficult conditions like wet or slippery roads

[†]No system, no matter how advanced, can compensate for all driver errors, accidents, and/or injury. Always drive safely. Image shown for illustration only.

SAFETY NEVER TAKES A DAY OFF.

At Kia, the priority is always on improving all aspects of safety. Advanced sensor systems, strategically placed airbags, and breakthroughs in materials and design that have led to strong body construction are just a few of the ways we never stop working to increase your protection.[†]

ADVANCED AIRBAG SYSTEM¹⁴

includes dual front, front seat-mounted side, and full-length side curtain airbags to help protect driver and passengers

AIRBAG & SEAT-BELT SENSORS¹⁴

monitor the severity of certain impacts and seat-belt use, then help to control airbag inflation accordingly

FRONT SEAT-BELT PRETENSIONERS

tighten driver and front-passenger seat belts in certain collisions to help reduce injuries

HEIGHT-ADJUSTABLE SEAT-BELT ANCHORS

let you adjust the front seat belts for a more customized fit to help improve effectiveness

REINFORCED BODY CAGE

helps absorb impact energy to help protect the structural integrity of the passenger compartment in certain collisions

[†]No system, no matter how advanced, can compensate for all driver errors, accidents, and/or injury. Always drive safely. ¹⁴ See inside back cover for endnote. Inflated airbags shown for illustration only. RIO S WITH TECH PACKAGE SHOWN
