CHANGE THE WORLD.”

— LUIS BENITEZ

AIM FOR AMAZING.

EQUIPPED FOR ADVENTURE AND INFUSED WITH ATTITUDE,
SORENTO IS ENGINEERED TO HELP YOU PURSUE WHATEVER
YOU SET YOUR SIGHTS ON.

Create your own “possible.” At Kia, we believe that when you Give It Everything there’s no limit to what you can do — and people like Luis Benitez are living proof. Born with debilitating asthma, Luis spent his childhood in and out of hospitals and mostly indoors. “I was a boy in a bubble,” he says. One day, he read about a famed mountaineer with asthma who had summited Mount Everest, and as Luis puts it, “Something clicked. I associated climbing mountains with being healthy, with thrill and adventure — and I found my passion.”

He began climbing as a teen, training relentlessly for the rugged, high altitudes, pushing himself higher and farther. “Mountaineering is one of the most merciless sports there is. You can’t fake it. You sleep it, eat it, drink it, live it.” Today, Luis is among the world’s elite mountain guides who has summited Mount Everest six times and scaled the Seven Summits 32 times. He has also shared his passion and skill to serve others, including Veterans and disadvantaged youth, through his trekking-based nonprofits, Warriors to Summits and Trekking for Kids.

Believe in the big picture. At Kia, we're committed to pursuing new endeavors that help reduce our environmental impact, and we celebrate those who do the same, like Jasmine Crowe. A passionate social entrepreneur, Jasmine's mission is to end hunger, reduce food waste, and help the environment — and she's achieving it all through the power of technology. She's the founder of Goodr, a real-time food waste management app that lets companies track their surplus fresh food, donate it to those in need in their communities, and in doing so, divert millions of pounds of food waste from landfills — a leading source of greenhouse gas emissions.

With years of experience working to feed vulnerable populations, Jasmine realized that “hunger is not an issue of scarcity, it's a matter of logistics,” inspiring her to launch Goodr in 2017 — despite having no prior background in technology. To date, Goodr has helped redirect more than 2 million pounds of unused food into the hands of the people who need it most, creating a better environment for all of us.

“I HEARD ‘NO’ SO MANY TIMES,
BUT I DIDN’T GET DEFEATED
BECAUSE I KNEW WHAT I WAS
FIGHTING FOR WAS WORTH IT.”

— JASMINE CROWE

KEEP LOOKING FORWARD.

WITH OUR EYES ON THE FUTURE AND A MISSION TO CONTINUALLY TAKE OUR VEHICLES FURTHER, WE'RE EXCITED TO INTRODUCE OUR FIRST-EVER SORENTO HYBRID SUV.

ECO DYNAMICS

Kia is dedicated to reducing environmental impact and increasing social responsibility. We call this philosophy EcoDynamics — the inspiration behind our growing line of hybrids, plug-in hybrids, and fully electric vehicles.

SORENTO HYBRID'S ADVANCED TECHNOLOGIES AND INNOVATIVE FEATURES HELP YOU GET THE MOST FROM EVERY ADVENTURE, MILE AFTER EFFICIENT MILE.²

"THE CHANGE STARTS WITH YOU.
I HATE HEARING PEOPLE SAY
I CAN'T OR *I'D NEVER*. THOSE
WORDS SHOULD BE TAKEN OUT
OF THE HUMAN VOCABULARY.
CHANGE THOSE WORDS TO
I CAN AND *I WILL*."

— PAUL DE GELDER

THRIVE IN ANY SITUATION.

SORENTO'S THOUGHTFULLY CRAFTED INTERIOR GIVES YOU THE FLEXIBILITY, SPACE,
AND FEATURES TO HELP YOU PURSUE WHAT YOU LOVE, WHEREVER IT LEADS YOU.

Let nothing stop you. We designed Sorento to help you boldly meet any moment, and Paul de Gelder is the ultimate example of doing just that. Growing up, Paul chased adventure wherever he could find it — traits that led him to become an elite clearance diver in the military. During a training exercise in 2009, Paul was brutally attacked by a bull shark — losing his right leg, part of his right arm, and very nearly his life. He spent two months in the hospital recovering, where he was fitted with high-tech prosthetic limbs. True to his nature to take on any challenge, Paul charged full-force into his recovery, battling through excruciating pain, and amazing the medical staff with his will to succeed.

In the 10-plus years since the attack, Paul has embraced new adventures every bit as epic as before. With no fear of returning to the water, he continued to instruct military divers for three more years. Today, he travels the world as a passionate shark conservationist, motivational speaker, TV host, and mentor to school kids, inspiring thousands through his experiences of overcoming adversity and embracing change.

Strive to improve lives. We're constantly seeking innovative technologies to help keep our drivers safe, and people like M. Bernardine Dias are driven by a similar purpose. A technology and robotics specialist focused on compassionate engineering, Bernardine has collaborated with Carnegie Mellon University to create a Smart Traffic Signal system to assist pedestrians with disabilities cross traffic intersections safely. Using embedded artificial intelligence designed to coordinate with an app on the pedestrian's smartphone, the system monitors their crossing intentions and speed, adjusting the signal timing accordingly.

Bernardine discovered her passion for science and technology as a student growing up in Sri Lanka, against the backdrop of the ongoing civil war. The war caused significant hardships for many, especially those from marginalized populations. Working hard to earn a scholarship, she was able to immigrate to the U.S., and has since devoted her career to developing technologies that better the lives of those who need them most.

CREATE A WISER WAY.

WE CAN ALL USE A LITTLE EXTRA HELP OUT THERE, SO WE ENGINEERED SORENTO WITH THE LATEST ADVANCED DRIVER-ASSISTANCE TECHNOLOGIES, MANY OF WHICH COME STANDARD ON EVERY TRIM.* WE CALL THESE FEATURES KIA DRIVE WISE,* BECAUSE THEY HELP YOU DRIVE SMARTER AMIDST EVERYDAY CHALLENGES.¹⁸

Photographs provided courtesy of Carnegie Mellon University.

"MY WISH IS THAT INNOVATORS WILL STEP OUT OF THEIR COMFORT ZONES, LISTEN ATTENTIVELY, AND COLLABORATE RESPECTFULLY TO MAKE TECHNOLOGY THAT TRULY BENEFITS EVERYONE."

— BERNARDINE DIAS, Ph.D.

KIA DRIVE WISE^{18*}

is a suite of standard and available advanced driver-assistance technologies that are designed to help keep you alert, aware of surrounding traffic, and even intervene in certain situations to help you avoid collisions. Using cameras, radar, and sensors, Kia Drive Wise includes braking technologies, maneuvering technologies, and more. You can learn about each of these impressive features on the following pages.

¹⁸ See inside back cover for endnote.

AVOID LIFE'S OBSTACLES.

SURROUND VIEW MONITOR¹⁸

uses four cameras to provide an aerial view around the vehicle while parking

DESIGNED WITH URBAN DRIVING IN MIND, KIA DRIVE WISE HELPS ENHANCE YOUR ABILITY TO REACT TO PEDESTRIANS, CYCLISTS, AND VEHICLES IN YOUR PATH.¹⁸

FORWARD COLLISION-AVOIDANCE ASSIST WITH PEDESTRIAN DETECTION¹⁸

can give visual and audible alerts and even automatically apply the brakes when the system detects a potential forward collision with a vehicle or person in front of you

FORWARD COLLISION-AVOIDANCE ASSIST WITH CYCLIST DETECTION & JUNCTION TURNING^{18*}

adds cyclist detection to the feature described above, and is also designed to detect oncoming vehicles in certain situations like making a left turn at an intersection

*Optional features available only on certain trims. See Features page for availability. 13, 18, 19 See inside back cover for endnotes. Simulated screen shown. SX-PRESTIGE SHOWN

REAR CROSS-TRAFFIC COLLISION-AVOIDANCE ASSIST^{18*}

uses visual and audible alerts that can help warn of traffic coming from either side when you're in reverse, and can even automatically apply the brakes to help you avoid collisions

PARKING DISTANCE WARNING — FORWARD & REVERSE¹⁸

can give visual and audible warnings if it detects certain objects close to the front and rear of your vehicle when parking

PARKING COLLISION-AVOIDANCE ASSIST — REVERSE^{18*}

is designed to enhance the above feature by adding the ability to apply the brakes when it detects an object or person close behind your vehicle

SAFE EXIT ASSIST¹⁸

can alert driver and passengers to potential hazards approaching from behind when exiting the vehicle, and has an available active locking feature* that can automatically activate the power child locks until the hazard has passed

ULTRASONIC REAR OCCUPANT ALERT¹⁹

is designed to remind you to check the rear seat for occupants at the end of your drive, plus alert you via your UVO link¹³ app if the sensor detects a rear occupant after you exit and lock the vehicle

BLIND-SPOT COLLISION-AVOIDANCE ASSIST WITH PARALLEL EXIT^{18*}

is designed to alert you when vehicles in your blind spot are detected, and in some cases, can even apply corrective braking to help you avoid some hazardous lane-change decisions or when exiting a parallel parking spot

BLIND-SPOT VIEW MONITOR^{18*}

activates within the instrument panel when you turn on the blinker to change lanes, to display the blind spot in the direction of your turn signal

LANE KEEPING ASSIST¹⁸

can help alert you if it detects the vehicle getting close to visible lane markers, and apply corrective steering to help prevent you from drifting out of your marked lane

LANE FOLLOWING ASSIST¹⁸

can provide a degree of automatic steering assist to help keep the vehicle centered in its lane by analyzing visible lane markings and information it detects from the vehicle ahead

TAKE EVERY ADVANTAGE.

KIA DRIVE WISE IS DESIGNED TO HELP KEEP YOU ON COURSE AMIDST EVERYDAY CHALLENGES SUCH AS VEHICLES IN YOUR BLIND SPOT, CHANGING LANES IN TRAFFIC, AND MORE.¹⁸

SMART CRUISE CONTROL WITH STOP & GO^{18*}

is engineered to help maintain a safe distance from the vehicle detected in front, by adjusting your driving speed, and in some cases, completely stopping and resuming again

NAVIGATION-BASED SMART CRUISE CONTROL — CURVE^{18*}

adds to Smart Cruise Control¹⁸ and is designed to adapt to changing speed limits and upcoming curves that it detects through the Sorento's available Navigation system^{5*}

HIGHWAY DRIVING ASSIST^{18*}

utilizes Smart Cruise Control¹⁸ and Lane Following Assist,¹⁸ and is designed to adjust the speed to match the speed limit of selected federal highways that the system detects through the available Navigation system^{5*}

DRIVER ATTENTION WARNING WITH LEADING VEHICLE DEPARTURE ALERT²⁰

is designed to give you a warning signal to take a break if it detects inattentive driving practices, and also alert you when the vehicle ahead pulls away from a standstill

LED HEADLIGHTS WITH HIGH BEAM ASSIST²¹

are engineered to automatically dim the headlights when an oncoming or leading vehicle is detected, then return to high beams when vehicles are no longer detected

*Optional feature available only on certain trims. See Features page for availability. 5, 18, 20, 21 See inside back cover for endnotes. Simulated screen shown. SX-PRESTIGE SHOWN

ENDNOTES

1. Warranties include 10-year/100,000-mile powertrain and 5-year/60,000-mile basic. All warranties and roadside assistance are limited. See retailer for warranty details. 2. Based on EPA estimates. Actual mileage will vary with options, driving conditions, driving habits, and your vehicle's condition. 3. Range calculated by using full fuel tank capacity and 2021 MPG estimate provided to EPA. Range claim is not a warranty or guarantee. Actual distance may vary with options, driving conditions, driving habits, and vehicle conditions. 4. Use extreme caution when using seat warmers or heated steering wheel to avoid burns. Refer to the Owner's Manual for more safety information. 5. Distracted driving can result in a loss of vehicle control. When operating a vehicle, never use a handheld device or vehicle system that takes your focus away from safe vehicle operation. Navigation is for information purposes only, and Kia does not make any warranties about the accuracy of the information. 6. Remote features require a UVO subscription, a compatible smartphone, and a wireless signal with good coverage to function. Normal cellular service rates may apply. Do not use remote climate control if vehicle is in an enclosed area (e.g., closed garage) or a partially enclosed area without ventilation. Close all doors leading from adjacent living areas to the vehicle area before executing a remote climate control command. If any door or hatch is not closed properly, the remote lock and unlock functions will not work. 7. Bose is a registered trademark of Bose Corporation. 8. The *Bluetooth*® word mark and logos are registered trademarks owned by Bluetooth SIG Inc., and any use of such marks by Kia is under license. A compatible *Bluetooth*®-enabled cell phone is required to use *Bluetooth*® wireless technology. 9. Charging system only works with select devices. Refer to the vehicle's Owner's Manual for warnings and instructions. 10. Apple, the Apple logo, App Store, Apple CarPlay, and iPhone are trademarks of Apple Inc., registered in the U.S. and other countries. 11. Vehicle user interface is a product of Google and its terms and privacy statements apply. Requires an Android phone running Android 5.0 or higher, an active data plan, and the Android Auto app. 12. Google devices are sold separately and require a Wi-Fi internet connection. Google, Android, Google Play, Android Auto, and other marks are trademarks of Google LLC. 13. Purchase/lease of certain 2021 and newer Kia vehicles with UVO link includes a complimentary 1-year subscription starting from new vehicle retail sale/lease date as recorded by the dealer. After your complimentary 1-year UVO link subscription expires, continued access to the full suite of UVO link services available on your Kia will require a paid subscription at the then-current subscription rate or your use of certain UVO link features may immediately terminate. Use of UVO is subject to agreement to the UVO Privacy Policy (available at owners.kia.com/us/en/privacy-policy.html) and Terms of Service (available at owners.kia.com/us/en/terms-of-service.html). UVO link is transferable to subsequent owner during the original UVO link service term. Only use UVO link when safe to do so. Kia Access with UVO link app is available from the Apple® App Store® or Google Play™ Store. Kia Motors America, Inc. reserves the right to change or discontinue UVO link at any time without prior notification or incurring any future obligation. Message and data rates may apply. Cellular and GPS coverage are required to use most features. UVO link features may vary by model, model year, and trim level. Features, specifications, and fees are subject to change. For more on details and limitations, visit www.kia.com or your authorized Kia dealer. Apple and App Store are registered trademarks of Apple Inc. Google and logos are trademarks of Google LLC. 14. 911 Connect must be enabled on head unit, and activates after airbag deployment. Requires a wireless signal with good coverage to function. 15. 24-hour Roadside Assistance is a service plan provided by Kia Motors America, Inc. Limitations apply. See Kia Warranty and Consumer Information Manual for details. Requires cellular coverage. 16. Amazon devices are sold separately and require a Wi-Fi internet connection. Amazon, Alexa, and all related logos are trademarks of Amazon.com, Inc. or its affiliates. 17. Towing requires additional equipment. See Owner's Manual for towing capacity, and additional information and warnings. 18. These features are not substitutes for safe driving and may not detect all objects surrounding vehicle. Always drive safely and use caution. 19. This system is not a substitute for one's attention. Always check the vehicle interior when exiting the vehicle. 20. Driver Attention Warning is not a substitute for safe driving and may not detect all instances of inattentive driving practices. Failure to pay attention to travel conditions and vehicle operation could result in loss of vehicle control. Always drive safely and use caution. 21. High Beam Assist does not operate below certain speeds, or in some lighting and driving conditions. Please be aware of your surroundings and exercise proper road etiquette when operating a vehicle using the high beams. 22. SiriusXM® audio and data services each require a subscription. Subscriptions are sold separately, or as a package, by Sirius XM Radio Inc. **If you decide to continue service after your 3-month All Access trial subscription expires, which is included with your newly purchased or leased vehicle, the subscription plan you choose will automatically renew thereafter and you will be charged according to your chosen payment method at then-current rates. Fees and taxes apply. See SiriusXM's Customer Agreement at www.siriusxm.com for complete terms and how to cancel, which includes calling SiriusXM at 1-866-635-2349. All fees and programming subject to change. Traffic information not available in all markets. See siriusxm.com/traffic for details.** Sirius, XM, SiriusXM, Pandora, and all related marks and logos are trademarks of Sirius XM Radio Inc. Satellite and streaming lineups may vary slightly. 23. For maximum protection, always wear your seat belt. No system, no matter how advanced, can compensate for all driver errors, driving conditions, and/or injury.
