

# The Carens Clavis

For epic journeys

Movement that inspires

## The everyday feeling of epic.

The new Kia Carens Clavis is where bold design meets thoughtful innovation. With a commanding presence, spacious 3-row comfort, and intuitive tech, it's built to make every drive feel memorable. Designed for those who embrace the unconventional, it understands that epic moments don't always need a big stage, just the right company. Whether it's everyday routines or spontaneous getaways, the Carens Clavis moves with confidence, ease and undeniable style. Because being together should always feel this effortless.

## The bold look of belonging.

Every journey makes a statement. The new Carens Clavis makes it boldly. Kia's new design language brings together a bold stance, an aggressive front, and striking LED DRLs, ensuring that every arrival feels like a warm reunion. The Dual Pane Panoramic Sunroof lets your stories breathe under the open skies. Because when you travel with the ones who matter, the outside should feel just as special as what's within.

## The thoughtful ease of tuning in.

Stepping into the new Cares Clavis feels like entering a space that just gets you. From the immersive Dual Panoramic Display to the sleek D-cut steering wheel and the smart simplicity of the Infotainment / Temperature Control Swap Switch, every element is designed to keep your senses in sync. Add ventilated cup holders for everyday comfort and the rich sound of the Bose speaker system and you've got a cabin that doesn't just impress, it resonates.
