

Kia Connect 2.0

The ultimate connected
car experience

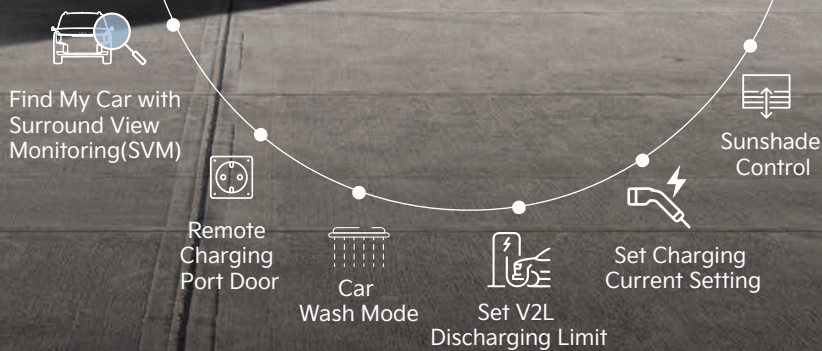

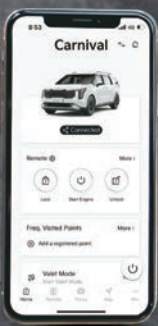

Movement that inspires

Connected to the future.

Experience the future with Kia Connect 2.0, a platform that combines cutting-edge technology and a seamless user experience to help you stay in sync with your Kia, no matter where you are.

The magic of 5

Driving convenience redefined
through 5 intelligent functionalities.

Navigation

Enjoy comfortable commuting with live traffic updates, live vehicle tracking and other features.

Remote Control

Start and stop the engine, control the AC, lock and unlock or even check vehicle status remotely.

Safety & Security

Protect your car 24x7. If anyone tries to mishandle your car, Kia Connect will alert you immediately so that you can take timely action.

Convenience

Voice recognition provides enhanced driving experience and excellent driving pleasure.

Vehicle Management

Stay updated with the well-being of your car and manage regular maintenance reports.

Your digital co-pilot.

An ecosystem of connection comes to life at your fingertips. The Connected Car Navigation Cockpit gathers information from your Kia and displays it all in one easy-to-navigate interface.

The key to tomorrow.

Say goodbye to physical keys. Kia Digital Key 2.0 lets your car recognize you and access it seamlessly through your smartphone.

New. And more for you.

Explore new services that understand your driving, support your journey, and make every drive more inspiring.

Kia Connect Subscription

Enables renewal of Kia Connect services after the initial 3-year complimentary period.

Kia Inspiring Drive Program

An engagement program designed to provide insights into driving behaviour and key vehicle performance parameters, while promoting safe and efficient driving practices.

Kia Drive Green

An engagement initiative for EV users that lets them grow a virtual tree each month as they drive, helping visualise their positive impact on the planet.

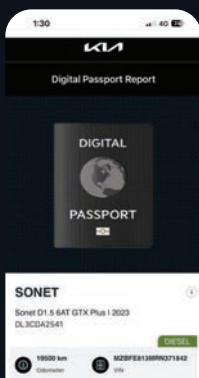

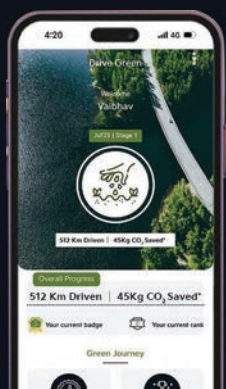

Kia Home Charger

Enables easy, app-based EV charging at home with real-time control and monitoring.

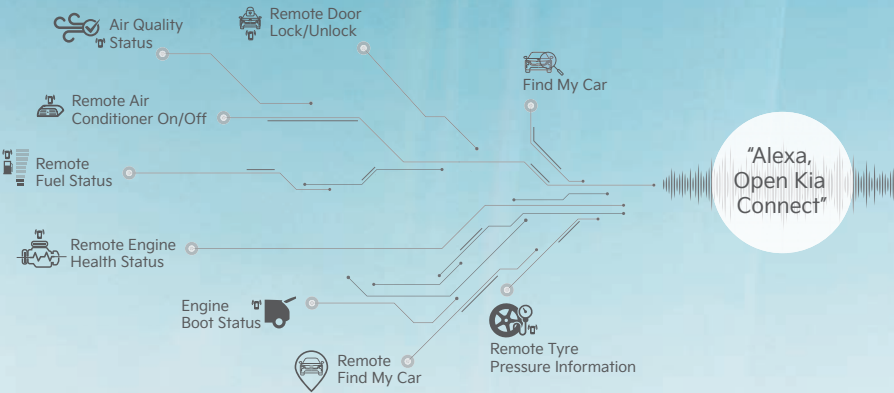

Digital Passport

A paid service offering a verified, data-driven record of a vehicle's usage, maintenance, and overall health across its lifecycle.

Smarter than ever

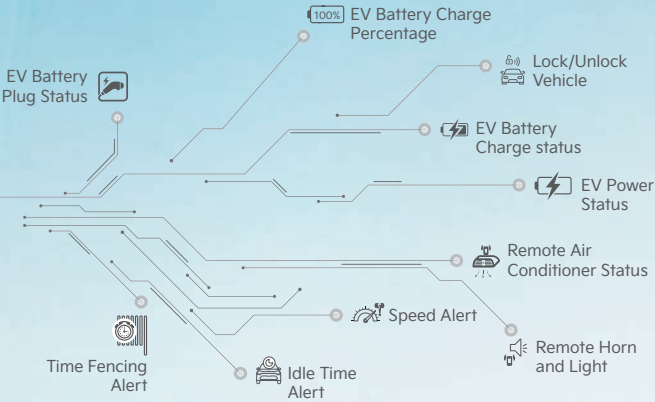

Integrated with Alexa, there's nothing more convenient than our Next-gen Kia Connect. Use its features to command, and get information on your vehicle from the comfort of your home.

Mobile App available on:

"Alexa,
Open Kia
Connect"

Stay safe. Stay secured. Stay connected around the clock.

Next-gen Kia Connect is an advanced technology that allows you to stay linked with our range of vehicles, wherever you are.
