| FAQ's

Q1. Are these car accessories compatible with all car models?

A: Most accessories shown (neck rest cushion, boot mat, organizers, perfume, tissue box, tyre inflator, etc.) are universally designed and fit most cars. However, items like body covers, boot mats, and seat accessories should be checked for size compatibility with your specific car model.

Q2. Are these products genuine and branded?

A: Yes, the products displayed are genuine branded accessories designed for durability, safety, and everyday use. Branding details are visible on the products and packaging.

Q3. Do these accessories require professional installation?

A: No. All accessories shown are DIY-friendly and can be easily installed or used without professional help. Items like tyre inflators and organizers come with simple usage instructions.

Q4. Are electronic items safe to use in the car?

A: Yes. Electronic products such as the tyre inflator, and hydraulic jack are designed to work safely with standard 12V car power sockets. Always follow the user manual for safe operation.

Q5. How do I maintain and clean these accessories?

- A:
- **Fabric items** (neck rest, organizers): Wipe with a damp cloth or gentle cleaner
 - **Plastic/rubber items** (boot mat, cup coaster): Rinse or wipe clean
 - **Car care products:** Use as instructed on the label Proper care will extend product life.

Q6. Are car perfumes safe and long-lasting?

A: Yes. The car perfume shown is designed for vehicle interiors, offering a pleasant fragrance without damaging surfaces. Longevity depends on usage and ventilation but typically lasts several weeks.

Q7. Can these accessories help keep my car organized?

A: Absolutely. Products like the back seat organizer, boot organizer, dustbin, and tissue box are specifically designed to reduce clutter and improve convenience during travel.

Q8. Is the tyre inflator suitable for emergencies?

A: Yes. The tyre inflator is a compact emergency tool, ideal for quick inflation during roadside situations. It's recommended to keep it in your car at all times.

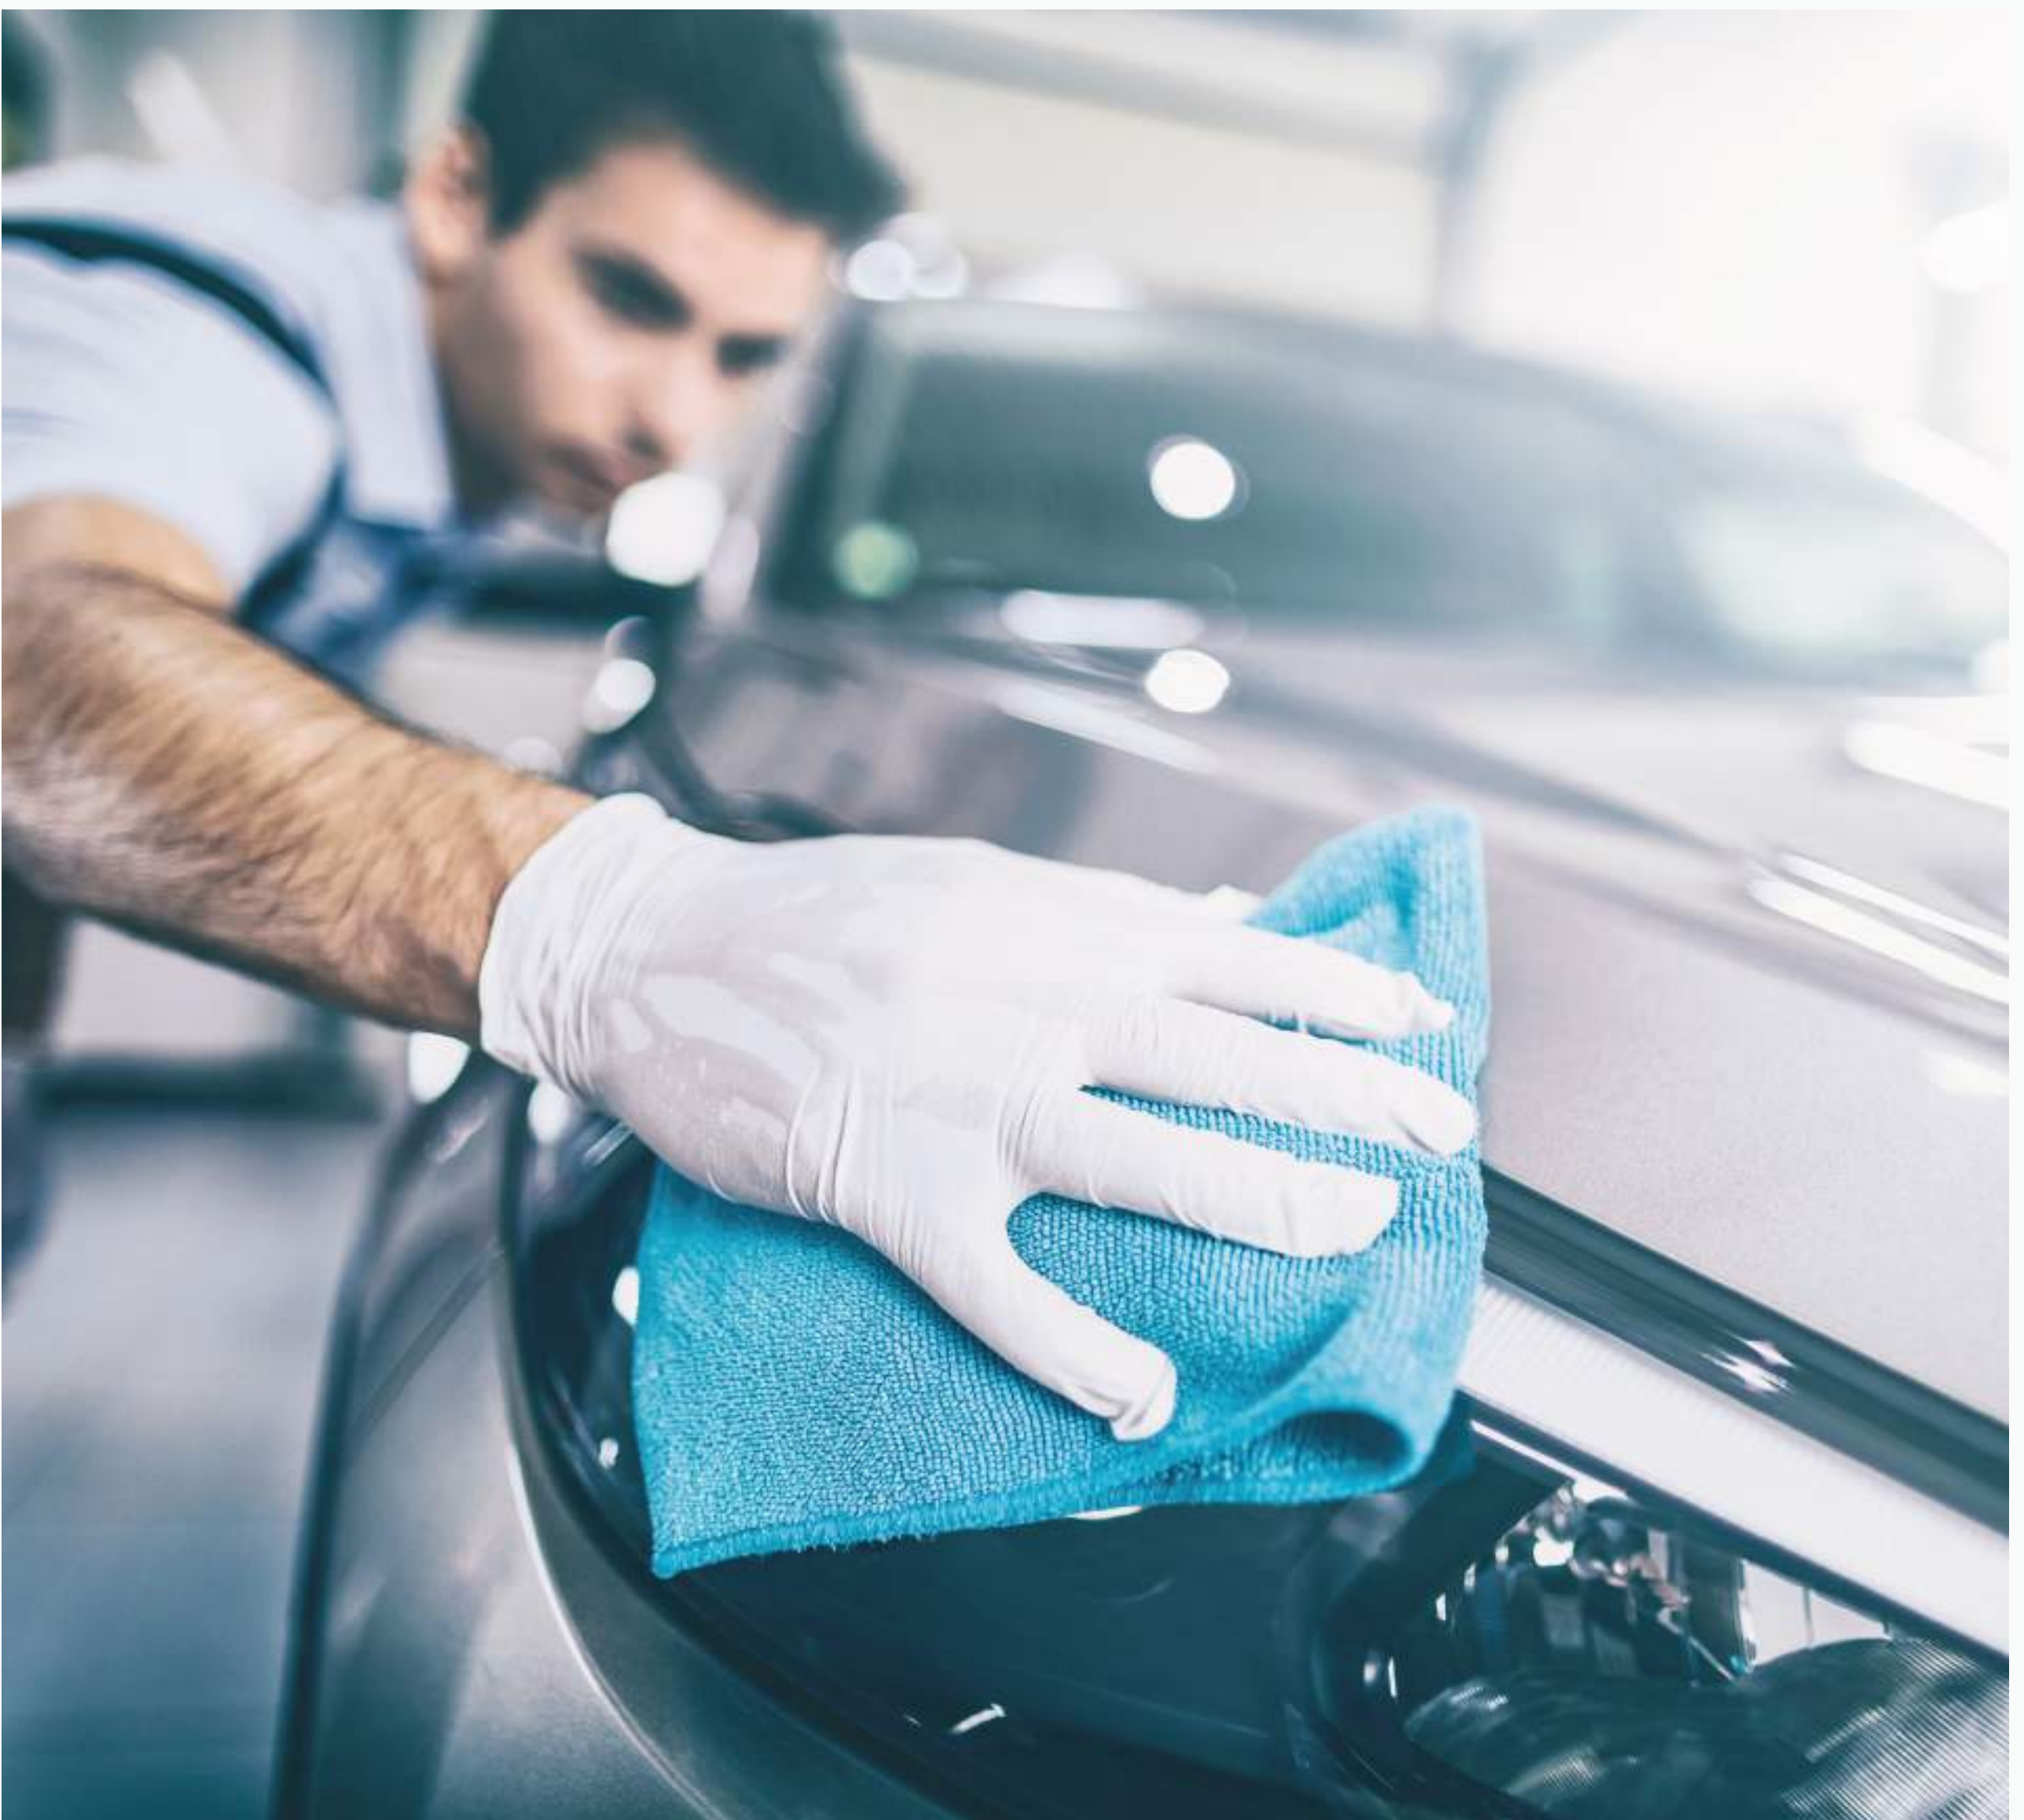

Q9. Do these products come with a warranty?

A: Warranty coverage depends on the specific product. Electronic and mechanical items usually come with a manufacturer warranty. Please check individual product details.

Q10. Are these accessories suitable for long drives?

A: Yes. Comfort items like neck rest cushions and lumbar support, along with utility products like organizers and refrigerators, are especially useful for long-distance travel.
