The magic of 5

5 functionalities that let you experience convenience at its best.

Navigation

Enjoy comfortable commuting with LIVE traffic updates, LIVE vehicle tracking and other features.

Remote Control

Start and stop the engine, control the AC, lock and unlock or even check vehicle status remotely.

Safety & Security

Protect your car 24x7. If anyone tries to mishandle your car, Kia Connect will alert you immediately so that you can take timely action.

Convenience

Artificial Intelligence powered voice recognition provides enhanced driving experience and excellent driving pleasure.

Vehicle Management

Stay updated with the well-being of your car and manage regular maintenance reports.

Your digital co-pilot.

An ecosystem of connection comes to life at your fingertips. The Connected Car Navigation Cockpit gathers information from your Kia and displays it all in one easy-to-navigate interface.

The key to tomorrow.

Say goodbye to physical keys. Kia Digital Key 2.0 lets your car recognize you and access it seamlessly through your smartphone.

Updates you, always.

Keep your Kia's software and performance at their best. OTA (over-the-air) updates improve existing features or provide bug fixes, giving you a convenient on-the-go experience.

Maintain the Feeling of a New Car

Ensure your Kia always feels new by regularly updating its software.

Convenience at your Fingertips

Enjoy the simplicity of wireless software updates for your Kia. Easily resolve software issues with quick updates.

Keeps you informed.

Breakdowns and service surprises are a thing of the past. Get real-time health status information on your car, quick resolutions, and follow-up service with Kia Connect Diagnosis.

Smarter than ever

Integrated with Alexa, there's nothing more convenient than our Next-gen Kia Connect. Use its features to command, and get information on your vehicle from the comfort of your home.

Mobile App available on:

Stay safe. Stay secured. Stay connected around the clock.

Next-gen Kia Connect is an advanced technology that allows you to stay linked with our range of vehicles, wherever you are.
