

What colour lights do you need?

Illuminate your style and mood with the ambient light.

Movement that inspires

Beige
for
comfort

Red
for
energy

Green
for
healing

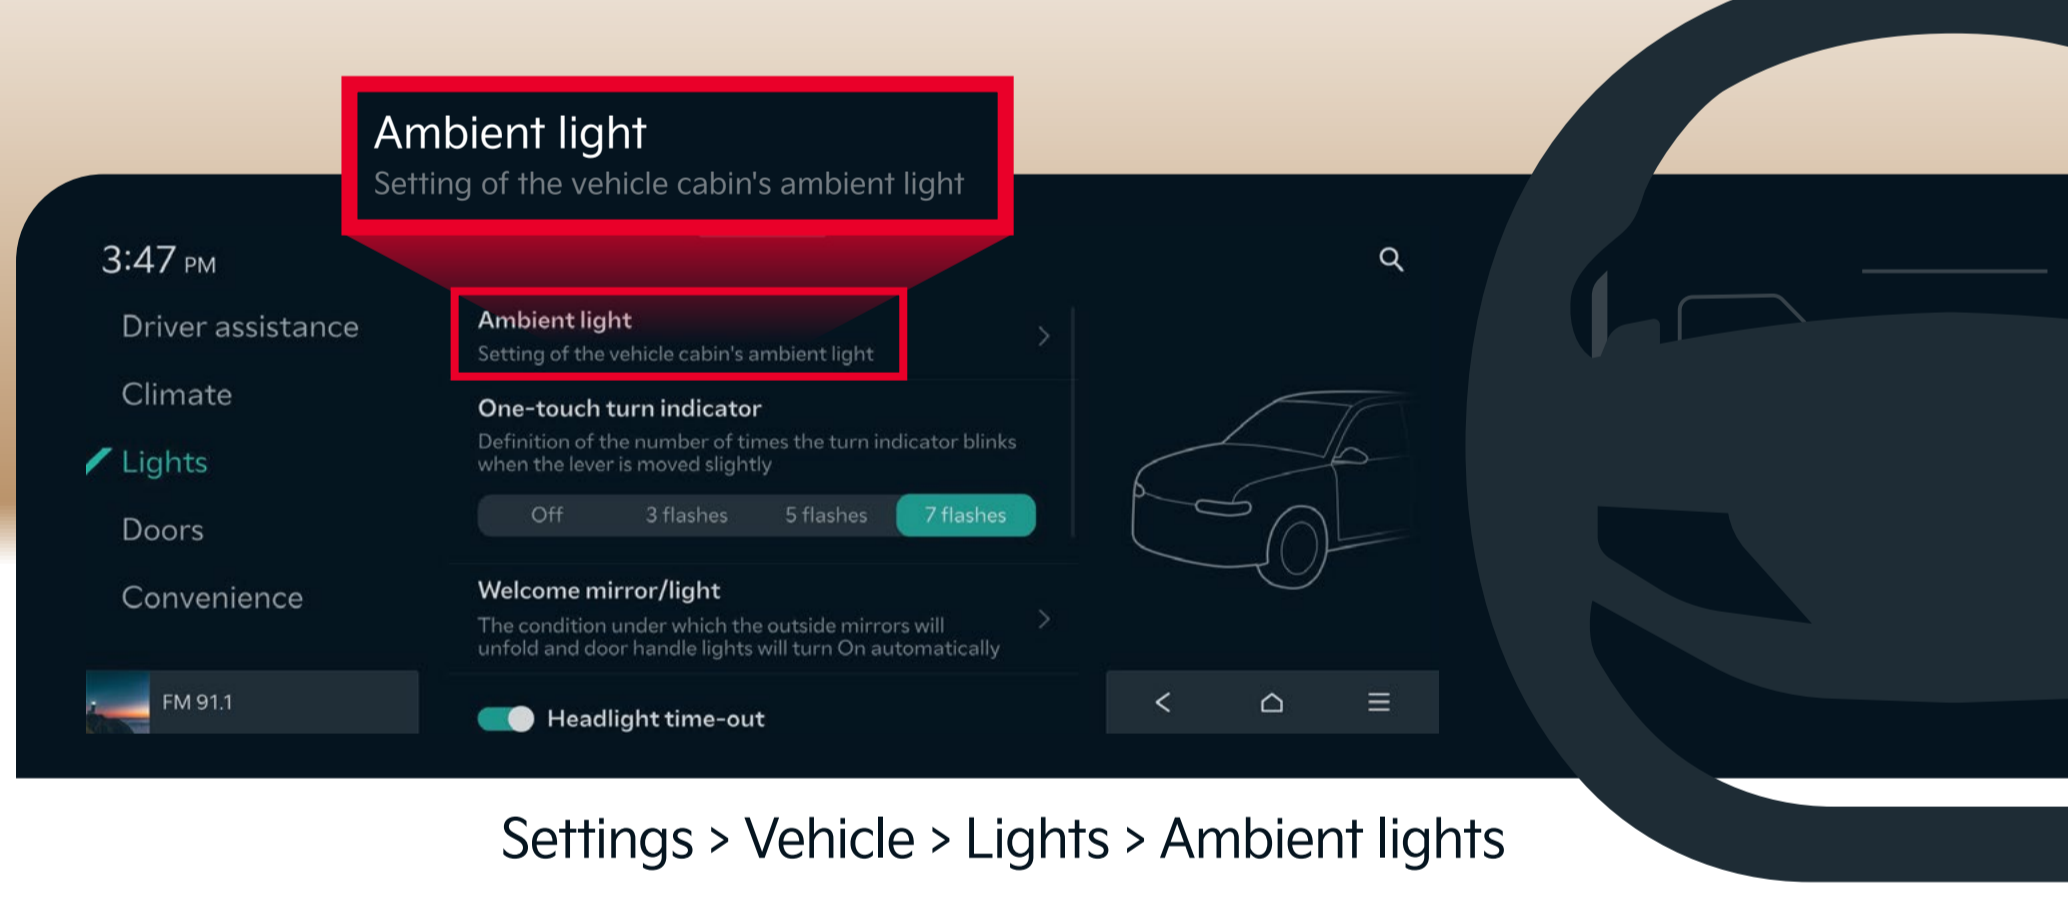

Believe in the power of colours.
The ambient light
makes driving special.

**Change the mood with
the ambient light.**

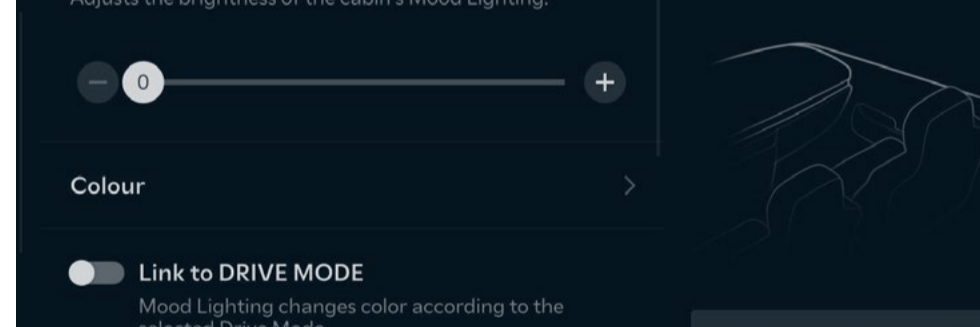

Create a cozy atmosphere with soft lighting.

**Create your own style by
customising.**

You can set it in the infotainment system.

Settings > Vehicle > Lights > Ambient lights

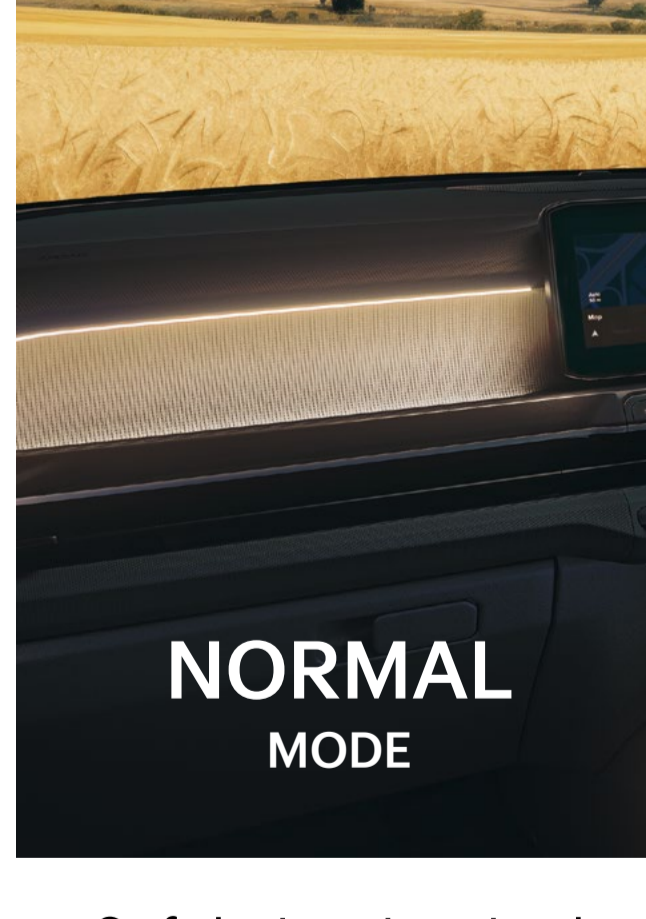

You can adjust the brightness.

You can customise your desired colour.

**Change with the driving mode—
the driving colour.**

The colours change to match the mode,
creating a mood that matches the driving environment.

**NORMAL
MODE**

Soft beige, inspired
by smooth driving
and a gentle ride.

**SPORT
MODE**

Red,
capturing a firm ride
and sporty energy.

**ECO
MODE**

Green,
symbolising eco-driving
and nature.
