

Kia Sorento

Global Icon. Reimagined for India.

Movement that inspires

The most evolved expression of an icon has arrived in India, bringing together sophisticated design, refined comfort, hybrid performance, confident All-Wheel Drive capability, the reassurance of ADAS Level 2+ and the seamless intelligence of Kia AI Assistant. Every detail comes together to create a driving experience that feels effortlessly refined, intelligently intuitive and distinctly accomplished.

Iconic presence needs no introduction.
Consider this yours.

A distinctive design gives the Sorento a presence that feels effortless, from its bold stance and signature lighting to its sculpted silhouette. The 19" crystal-cut alloys and dual-pane panoramic sunroof add their own quiet sense of occasion. Every detail is considered. Nothing feels overstated.

Indulgent comfort makes the long way tempting.
Take your time.

A thoughtfully crafted cabin brings together generous space, premium finishes and technology that feels right at home. From the comfort of the 12-way Ergo Motion driver's seat to the 64 colour ambient lighting, every detail is designed to make settling in effortless. Add a sense of calm that stays with you, and even the longest journeys begin to feel unhurried.

Adaptive intelligence makes itself useful. Keep your edge.

The Sorento puts intelligent connectivity within easy reach. Kia AI Assistant makes interacting with your car feel more natural, helping you find information, get answers and make the most of your drive through conversations with Kia Connect 2.0 and its 85+ connected features. Built-in navigation keeps you on course, while OTA updates help your Sorento evolve with you. Because technology is at its best when it simply works around you, leaving you free to focus on what matters.

Purposeful performance makes all the difference. Take the wheel.

There's more than one way to enjoy the drive. The Sorento offers a 2.2 Diesel with 8DCT and a 1.6T HEV with 6AT, giving you two distinct expressions of performance. Sporty paddle shifters let you take a more active role when you want to, adding another layer of connection between you and the road.

Advanced safety thinks beyond the obvious. Keep going.

The Sorento is designed to give you confidence beyond what you can see. 10 airbags provide comprehensive protection, while the 360-degree camera gives you a clearer view of your surroundings, helping you stay aware in moments that demand a little more attention. Together, they add a reassuring layer of protection to every journey.
