

The Carens Clavis EV.

It's an E.We.

Movement that inspires

Moves with the times. And with you.

The Carens Clavis EV is crafted for a new way to move, where every ride is shared in spirit, every seat sparks a connection, and cutting-edge electric innovation blends seamlessly with the timeless joy of being together. And the journey keeps going, thanks to a long-range battery, K-Charge, and i-Pedal regen. Designed with space, safety, and seamless tech, it's everything India needs to travel smarter and keep everyone effortlessly in sync, be it highway or city rides.

Commands the first glance. And the next.

With sculpted lines that exude presence from every angle and a confident SUV-like stance, the Carens Clavis EV turns first impressions into lasting ones. Signature touches like the bold Digital Tiger Face with Grille Cover and striking Star Map LED Connected DRLs with Integrated Turn Signals set it apart, while the expansive Dual Pane Panoramic Sunroof invites more light, space and endless possibility into every drive.

Star Map LED Connected DRLs

& Regen Braking[#]

Front Charging Port with
LED Illumination

[#]The individual driving style and other factors, such as speed, outside temperature, topography and the use of electricity-consuming devices/units, have an influence on the real-life range regeneration level, and can possibly reduce it. Range as per ARAI MIDC-Full. ^{*}i-Pedal Regen technology is not a complete replacement for the brake pedal, and drivers should always be prepared to use the brake pedal for emergencies or when more forceful braking is needed.

K-Charge: Search, charge and pay with ease

K-Charge on the MyKia App helps you find a charging station with ease. Just search, navigate, plug in, and pay. You'll have access to 11 000+ charging points across India, right at your fingertips. And when you're not on the road, Kia's convenient home charging unit options make sure your EV is always powered up and ready to go.

Why K-Charge?

11 000+
charging points
nationwide

18 leading
Charge Point Operators
(CPOs) integrated

Fast EV charging
network spanning
PAN India

How it works

With the easy-to-use MyKia App, charging your EV is just four simple steps away:

Locate
nearby charging
stations

Navigate
directly to your
selected charger

Charge
charging services
effortlessly

Pay
securely through
the App

"K-Charge is a platform of Kia India Pvt. Ltd. ("Kia") which assists / facilitates users to locate, access, and pay for EV charging services ("Services") offered by third-party Charging Point Operators (CPOs). Users hereby agree and acknowledge that all charging services are delivered by third-party CPOs. Kia only facilitates the above Services and shall not be liable for service interruptions, equipment failures or inaccuracies in availability/status provided by the CPOs or for any other service provided by CPO's relating to the EV Charging including but not limited to any permanent or temporary functioning / damage to the Vehicle. Kia disclaims any liability for physical damage, safety incidents or performance issues at third-party charging stations. Users are responsible for ensuring proper connection and safe charging practices as per guidelines provided by CPO's."

EV Route Planner: Find your way. And your next charge.

No guesswork. Just seamless journeys. The EV Route Planner with K-Charge on the MyKia App shows you charging stations across your route, thanks to a growing network of reliable partners.

How it works

- Enter your starting point
- Enter your destination
- Tap 'Ok'

While navigating from point A to point B, available charging stations along the route are instantly displayed, ensuring seamless travel and uninterrupted mobility. Here's an example:

Origin*
Bengaluru, Karnataka

Destination*
Tenali, Andhra Pradesh

Get Directions

Powers your day. And your escape.

No more queues. No more compromises. The Smart Connected Home Charger (optional) comes with 7.4kW and 11kW options, along with OTA updates and 24x7 support — so your Carens Clavis EV is always ready for adventure.

11kW Charger

Estimated AC Fast Charging 4h 45 min (SOC 0% to 100%)^{^^}
from 11kW AC Fast Charger

- 3-phase charging capability
- Recommended for extended battery range vehicle

7.4kW Charger

Estimated AC Fast Charging 6 hour 30 min (SOC 0% to 100%)^{^^}
from 7.4kW AC Fast Charger

- Single-phase charging capability
- Recommended for standard battery range vehicle

^{^^}Depending on the condition of high voltage battery, charger specifications, and ambient temperature, the time required for charging the high voltage battery may vary.

Holds the connection. And your world.

The next-gen Kia Connect puts control at your fingertips with 85+ smart features including Amazon Alexa for home-to-car connectivity. With your smartphone or smartwatch, you get remote access, real-time insights, and a confident connection to what matters every time you hit the road with your loved ones.

Kia Connect services are complimentary for initial 3 years. Please take up subscription program to ensure seamless connectivity for extended period

The magic of 5

Navigation

Enjoy comfortable commuting with LIVE traffic updates, LIVE vehicle tracking and other features.

Remote Control

Start and stop charging, control the AC, lock and unlock or even check vehicle status remotely.

Safety & Security

Protect your car 24x7. If anyone tries to mishandle your car, Kia Connect will alert you immediately so that you can take timely action.

Convenience

Voice recognition provides enhanced driving experience and excellent driving pleasure.

Vehicle Management

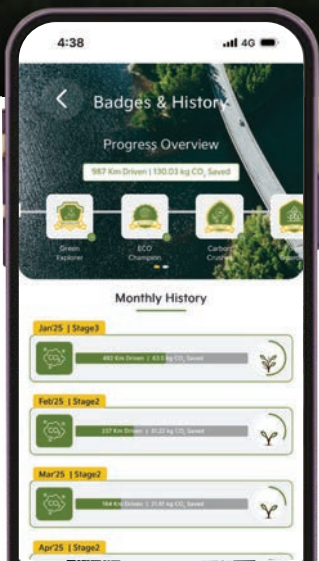

Stay updated with the well-being of your car and manage regular maintenance reports.

Drive with purpose. And watch your progress.

With Kia Drive Green on the Kia Connect App, every kilometer you drive helps grow a digital tree, a living symbol of your eco journey. You can track your progress, unlock badges as you hit milestones, and see how your drive contributes to a greener tomorrow.

The Carbon Dioxide (Co2) savings and images displayed here are for representational purpose only. The Co2 savings calculations are derived from the MoRTH formula and considering fuel efficiency of 18 kmpl of ICE vehicle of similar specification for emission at tail pipe. Actual Co2 savings may vary depending upon various factors such as driving behavior, terrain, weather conditions, vehicle load. This information is intended to provide an estimated comparison and should not be considered as exact measurement of real-world comparison.

Guards the moment. And the many ahead.

Drive with confidence, backed by 20 advanced ADAS Level 2 features like Forward Collision Warning and Smart Cruise Control, and 18 robust standard safety features. The Carens Clavis EV looks out for you, anticipates what's ahead, and steps in when it matters so that every journey with your loved ones feels protected, assured and entirely under your control.

18 Robust Standard Safety Features:

- Front Dual Airbags
- Front Seat Side Airbags
- Side Curtain Airbags
- ABS (Anti-lock Brake System)
- BAS (Brake Assist System)
- ESC (Electronic Stability Control)
- VSM (Vehicle Stability Management)
- HAC (Hill-start Assist Control)
- ESS (Emergency Stop Signal)
- DBC (Downhill Brake Control)
- Highline Tyre Pressure Monitor
- Rear Parking Sensors
- Speed Sensing Auto Door Locks & Impact Sensing Auto Door Unlock
- All Seats 3-Point Seat Belts with Reminder
- ISOFIX
- Rear Occupant Alert
- All Wheel Disc Brakes
- Rollover Sensor

Front Collision Warning (FCW)
Front Collision - Avoidance Assist (FCA)

Smart Cruise Control (SCC)
with Stop and Go

Lane Keeping Assist (LKA)

Rear Cross Traffic Collision
Warning & Avoidance Assist
(RCCW & RCCA)

High Beam Assist (HBA)

Blind View Monitor in Cluster

Backs the promise. And every mile.

Unmatched ownership begins the moment you choose Kia. Because peace of mind should come standard, Kia backs every drive with a promise that goes beyond the road, from people-first service that understands your needs, to proactive care that anticipates them.

Add to that industry-leading warranties and dedicated support at every step, and ownership becomes a confidence-filled journey.
