

The Carens Clavis EV

It's an E.We

Movement that inspires

Moves with the times. And with you.

The Carens Clavis EV is crafted for a new way to move, where every ride is shared in spirit, every seat sparks a connection, and cutting-edge electric innovation blends seamlessly with the timeless joy of being together. And the journey keeps going, thanks to a long-range battery, K-Charge, and i-Pedal regen. Designed with space, safety, and seamless tech, it's everything India needs to travel smarter and keep everyone effortlessly in sync, be it highway or city rides.

Commands the first glance. And the next.

With sculpted lines that exude presence from every angle and a confident SUV-like stance, the Carens Clavis EV turns first impressions into lasting ones. Signature touches like the bold Digital Tiger Face with Grille Cover and striking Star Map LED Connected DRLs with Integrated Turn Signals set it apart, while the expansive Dual Pane Panoramic Sunroof invites more light, space and endless possibility into every drive.

Star Map LED Connected DRLs
with Integrated Turn Signals

Active Air Flaps (AAF)

R17 43.66cm (17") Crystal Cut Dual
Tone Aero Alloy Wheels

Frunk with Cover (25l)

Star Map LED Connected Tail Lamps

Dual Pane Panoramic Sunroof

Invites you in. And lets you unwind.

Inside, the Carens Clavis EV is crafted for ease, clarity and seamless connection, so everyone feels instantly at home. A sweeping panoramic display, shift-by-wire convenience, immersive Bose audio, wireless charging, CarPlay, and other meticulous details blend technology with tranquility and spaciousness, turning every shared journey into a moment of effortless harmony.

Shift-by-Wire (SBW) Column Type

67.62 cm (26.62") Dual Panoramic Display Panel

Infotainment / Temperature Control Swap Switch

Smartphone Wireless Charger

BOSE Premium Sound System with 8 Speakers

64 Color Ambient Lighting & Footwell Lamp (1st & 2nd Row)

Expands your space. And comforts with ease.

More space to share, more ways to unwind. From the 2nd row's one-touch easy electric tumble that welcomes all, to front ventilated seats that keep you cool and refreshed, and 2nd & 3rd row diffused AC vents that bring balanced comfort to everyone. It's a comfort thoughtfully crafted for E.We.

Electric Tumble

Front Ventilated Seats

Walk-in Sliding Lever:
1st Row Passenger Seat

Smart Pure Air Purifier with AQI Display

4-way Power Driver's Seat

Floating Console with Premium Sliding
Cover, Cup Holder & Open Storage

Goes the distance. And beyond.

Say goodbye to range anxiety with options tailored for India's diverse journeys. From daily commutes to long drives, the Carens Clavis EV's advanced battery, floor-mounted battery packs deliver confidence without compromise, offering space, balance and the charging flexibility to take you as far as you dream.

51.4 kWh Battery

ARAI Certified MIDC Full Range:
490 km* per charge

42 kWh Battery

ARAI Certified MIDC Full Range:
404 km* per charge

*The individual driving style and other factors, such as speed, outside temperature, topography and the use of electricity-consuming devices/units, have an influence on the real-life range regeneration level, and can possibly reduce it. Range as per ARAI MIDC-Full. #i-Pedal Regen technology is not a complete replacement for the brake pedal, and drivers should always be prepared to use the brake pedal for emergencies or when more forceful braking is needed.

K-Charge: Search, charge and pay with ease

K-Charge on the MyKia App helps you find a charging station with ease. Just search, navigate, plug in, and pay. You'll have access to 11 000+ charging points across India, right at your fingertips. And when you're not on the road, Kia's convenient home charging unit options make sure your EV is always powered up and ready to go.

Why K-Charge?	 11 000+ charging points nationwide	 18 leading Charge Point Operators (CPOs) integrated	 Fast EV charging network spanning PAN India
----------------------	---	--	--

How it works

With the easy-to-use MyKia App, charging your EV is just four simple steps away:

Locate
nearby charging stations

Navigate
directly to your selected charger

Charge

charging services effortlessly

Pay

securely through the App

"K-Charge is a platform of Kia India Pvt. Ltd. ("Kia") which assists / facilitates users to locate, access, and pay for EV charging services ("Services") offered by third-party Charging Point Operators (CPOs). Users hereby agree and acknowledge that all charging services are delivered by third-party CPOs. Kia only facilitates the above Services and shall not be liable for service interruptions, equipment failures or inaccuracies in availability/status provided by the CPOs or for any other service provided by CPO's relating to the EV Charging including but not limited to any permanent or temporary functioning / damage to the Vehicle. Kia disclaims any liability for physical damage, safety incidents or performance issues at third-party charging stations. Users are responsible for ensuring proper connection and safe charging practices as per guidelines provided by CPO's."

EV Route Planner: Find your way. And your next charge.

No guesswork. Just seamless journeys. The EV Route Planner with K-Charge on the MyKia App shows you charging stations across your route, thanks to a growing network of reliable partners.

How it works

- Enter your starting point
- Enter your destination
- Tap 'Ok'

While navigating from point A to point B, available charging stations along the route are instantly displayed, ensuring seamless travel and uninterrupted mobility. Here's an example:

Origin*
Bengaluru, Karnataka

Destination*
Tenali, Andhra Pradesh

Get Directions

Powers your day. And your escape.

No more queues. No more compromises. The Smart Connected Home Charger (optional) comes with 7.4kW and 11kW options, along with OTA updates and 24x7 support — so your Carvens Clavis EV is always ready for adventure.

11kW Charger

Estimated AC Fast Charging 4h 45 min
(SOC 0% to 100%)** from 11kW AC
Fast Charger

- 3-phase charging capability
- Recommended for extended battery range vehicle

7.4kW Charger

Estimated AC Fast Charging 6 hour 30 min
(SOC 0% to 100%)** from 7.4kW AC Fast Charger

- Single-phase charging capability
- Recommended for standard battery range vehicle

**Depending on the condition of high voltage battery, charger specifications, and ambient temperature, the time required for charging the high voltage battery may vary.

Holds the connection. And your world.

The next-gen Kia Connect puts control at your fingertips with 85+ smart features including Amazon Alexa for home-to-car connectivity. With your smartphone or smartwatch, you get remote access, real-time insights, and a confident connection to what matters every time you hit the road with your loved ones.

The magic of 5

Navigation

Enjoy comfortable commuting with
LIVE traffic updates,
LIVE vehicle tracking and other features.

Remote Control

Start and stop charging, control the AC,
lock and unlock or even
check vehicle status remotely.

Safety & Security

Protect your car 24x7. If anyone tries to
mishandle your car, Kia Connect will alert you
immediately so that you can take timely action.

Convenience

Voice recognition provides
enhanced driving experience and
excellent driving pleasure.

Vehicle Management

Stay updated with the well-being
of your car and manage regular
maintenance reports.

Guards the moment. And the many ahead.

Drive with confidence, backed by 20 advanced ADAS Level 2 features like Forward Collision Warning and Smart Cruise Control, and 18 robust standard safety features. The Carens Clavis EV looks out for you, anticipates what's ahead, and steps in when it matters so that every journey with your loved ones feels protected, assured and entirely under your control.

18 Robust Standard Safety Features:
