

Integrated Charging Control Unit Update

EV3 MY25 | 17/06/2026

Dear Owners,

An important OTA Update for the Integrated Charging Control Unit will be available from the 17th of June, 2026. This update is applicable to variants of Model Year 2025 EV3.

What's New

This OTA update provides the following improvement to your vehicle:

- Updated Integrated Charging Control Unit (ICCU) logic to allow steady AC charging with V2L usage at low loads (for example, when charging a phone whilst the vehicle is being charged).
