Vehicle to Load

Providing access to electricity anywhere and anytime through the vehicle. User can take advantage of the existing electric power in the EV9 to turn on household electronic equipment or to charge other electronic batteries.

Meridian Premium Sound System With 14-Speakers

Provides clear audio quality so that it can add comfort when dealing with traffic jams. User can listen to their favorite songs from the Meridian Premium Sound System with 14-Speakers.

Dual Panoramic Sun-roof

Adding a luxurious and spacious impression to the cabin with the presence of the Dual Panoramic Sunroof, while also allowing users to enjoy natural views and cool air through the sunroof.

Relaxing Seats & Dynamic Body care

Providing maximum comfort for passengers sitting in the second row through the Relaxing Seats & Dynamic Body Care features. Traveling long distances will feel very comfortable.

Electric Flagship SUV to Advance Kia's Sustainability Vision

Efficient Aerodynamic Performance

Aerodynamic drag coefficient of 0.28

Differentiated Space Experience

2nd row relaxation-type seat option for enhanced space and comfort

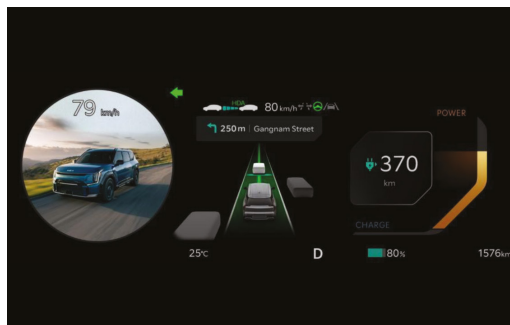

Full-Flat Floor

Maximized spaciousness through flat floor based on E-GMP

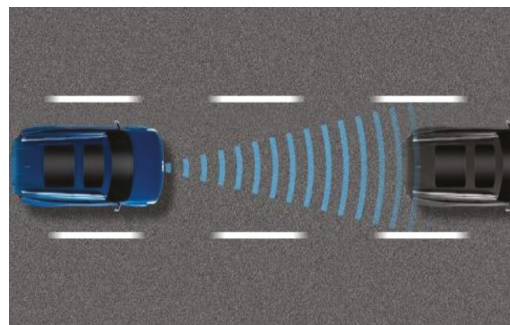

Futuristic Bold Design

Robust exterior and spacious interior reflecting 'Opposites United' design philosophy
