Genuine Accessories.
Brighten up the soul.

Each Kia Genuine Accessory has been designed, developed and manufactured with the greatest of care and precision. Tested to rigorous highest-quality standards, they will perfectly complement the quality and durability of your new Kia e-Soul (MY 19-22). Your local Kia dealer will be happy to help you choose.

Capture the boomerang.

Individualism is the heart and soul of your new car. Emphasize it even more by gracing it with decals that make your Kia e-Soul stand out from the crowd even more. Show the world that it is possible to make perfect design even better.

Decals, boomerang. Slicken up your silhouette: emphasize the slick contours of your Kia e-Soul. Those boomerang shapes make an impression that will come back every time someone thinks of your ride. Available in Chili Red, Sea Blue and Black Metallic. These top-quality decals withstand rain, storm and even the most robust car wash.

Seize the power.

After all, you bought your Kia e-Soul because you care about the environment. Clean energy is key. And you need to be able to grab some whenever you need it. Safe, smart and fast, this charging equipment will keep your Kia e-Soul going.

Charging cable, Mode 3. Fast charging (AC) your new electric vehicle could not be easier and faster. The charging cable, Mode 3 is equipped with Type-2 plugs at both ends and can be used for the day-to-day charging at public and domestic charging points that provide Type-2 sockets. High-grade materials make this charging cable extremely resistant to severe twisting or bending, and extensive weatherproofing excludes the possibility of corrosion. Secure automatic locking to both the car and the charging point is provided by the Type-2 plugs.

Type-2 plug. Now adopted as the European standard in connection with electric vehicle charging, the Type-2 plug incorporates a unique, single- or three-phase pin arrangement that facilitates three different functions: power transmission, safety earthing and system communication. The majority of public charging points are equipped with Type-2 power sockets and combined with the single-phase charging cable, Mode 3 provides the maximal possible charging speed for the Kia e-Soul.
