

The Power to Surprise

The Kia  
**SORENTO**

## Ready to go the extra mile

The Kia Sorento opens up a thrilling new chapter in SUV enjoyment. This 7-seater will reward you at every turn. It's our answer to those who don't just go for the norm, but always expect a little more. The Sorento's striking design, cutting-edge technology and absolute commitment to quality is all part of one aim: to make each and every journey as exciting as possible. Notice the stylish 'Ice-Cube' LED fog lights which are both hi-tech and efficient as they offer a longer source of consistent brightness.

Details within this brochure are not intended to be a description of the vehicle but are simply a general overview. For a more detailed description please speak to your Kia dealer. If a particular item is important to you, please make sure it is mentioned, in writing, when ordering your car. This disclaimer does not affect your statutory rights. Images shown are for illustrative purposes only and not to UK specification. Features shown are not necessarily standard across the range.

**The Kia 7-year warranty**  
The Kia warranty covers your new Sorento for 7 years.

Details within this brochure are not intended to be a description of the vehicle but are simply a general overview. For a more detailed description please speak to your Kia dealer. If a particular item is important to you, please make sure it is mentioned, in writing, when ordering your car. This disclaimer does not affect your statutory rights. QUALITY

## A rock-solid promise

There's no doubt that an SUV commands a certain respect for its robust appearance and dimensions. Take a look around the Sorento, and you'll discover the kind of attention to detail and workmanship that makes this SUV the perfect ambassador for Kia's eye-catching design and sharp technology. And, just as you would expect, a car as well crafted as this also comes with Kia's pioneering 7-year warranty.

## EXTERIOR DESIGN

# Lights up any day

In the Kia Sorento, you'll find plenty of intelligent thinking, all wrapped up in a sleek and muscular design. At the front, the distinctive Kia grille truly stands out with a new three-dimensional diamond pattern, framed by wrap-around headlights and prominent fog lights. The long bonnet, low roofline and swept-back silhouette all contribute to the dynamic proportions. It's beautifully finished with the striking LED brake lights which are neatly integrated into the tail lights. You'll see, the Sorento has all the hallmarks of a bold, self-assured character.

Details within this brochure are not intended to be a description of the vehicle but are simply a general overview. For a more detailed description please speak to your Kia dealer. If a particular item is important to you, please make sure it is mentioned, in writing, when ordering your car. This disclaimer does not affect your statutory rights. Images shown are for illustrative purposes only and not to UK specification. Features shown are not necessarily standard across the range.

#### INTERIOR DESIGN

## Wrap-around intelligence

The wide horizontal layout of the cabin instantly feels welcoming. From the flowing contours, reaching across the dashboard to the air vents and sculpted door trim, every detail is designed to wrap around the driver. The ergonomic design is also enhanced by quality soft touch materials and distinctive satin-chrome surrounds. It all creates a deep sense of well-being.

**8" Touchscreen Sat Nav with European Mapping and Traffic Messaging Channel (TMC)**  
If you want to take in-car entertainment to the next level, opt for this large high-definition 8" LCD touch screen. It also boasts an Infinity sound system complete with ten speakers and an amplifier, as well as a rear-view camera display and a shark fin antenna.

#### TECHNOLOGY & CONNECTIVITY

## Inspired, relaxed and firmly in control

The Kia Sorento is packed with solutions to turn each and every journey into a truly fantastic driving experience.

Details within this brochure are not intended to be a description of the vehicle but are simply a general overview. For a more detailed description please speak to your Kia dealer. If a particular item is important to you, please make sure it is mentioned, in writing, when ordering your car. This disclaimer does not affect your statutory rights. Images shown are for illustrative purposes only and not to UK specification. Features shown are not necessarily standard across the range.

**7" Touchscreen Sat Nav with European Mapping and Traffic Messaging Channel (TMC)**  
Lots of useful trip information, all brought together in one crisp, high-visibility display – from outside temperature, and turn-by-turn directions to distance to empty.

**Satin-chrome finish**

Eye-catching craftsmanship: you'll find satin-chrome finish on inner door handles, air vent surrounds, and on both centre and floor consoles.

**New floor console design**

Less effort, more peace of mind: the sleek floor console design now features an electronic parking brake instead of a manual handbrake lever (on automatic models).

**Rear air ventilation and power supply**

Rear passengers can adjust airflow via the controls mounted at the back of the floor console. A USB charging port and 12 V outlets are also available for your portable devices.

Details within this brochure are not intended to be a description of the vehicle but are simply a general overview. For a more detailed description please speak to your Kia dealer. If a particular item is important to you, please make sure it is mentioned, in writing, when ordering your car. This disclaimer does not affect your statutory rights. Images shown are for illustrative purposes only and not to UK specification. Features shown are not necessarily standard across the range.

#### CABIN COMFORT

## Comfort you'll want to share

There's no limit to enjoying your spacious Kia Sorento. It all begins with the ergonomic, comfortable and highly versatile seats on this 7-seater model. If you want to create an even greater sense of space and airiness certain models boast a panoramic sunroof.

## 10-way

Because we're all individuals: the power-adjustable driver seat with 4-way lumbar support makes it easy to find your ideal seating position.

## 8-way

Power-adjustable passenger seat with height adjuster

## 270mm

2<sup>nd</sup> row slides 270 mm forward and back for easy access to the 3<sup>rd</sup> row

### Ease of entry and exit

The second row seat auto-folds and slides 270 mm for easy access to the third row.

### Heated and ventilated seats

Comfortable whatever the weather: when it's cold outside, the 1<sup>st</sup> and 2<sup>nd</sup> row seat cushions and backrests can be heated. On warm days, the driver and front passenger can enjoy seats with ventilated seat cushions and backrests.

### Driver's seat cushion extension

The Sorento also looks after taller drivers: at the push of a button, the driver seat cushion can be extended for greater comfort.

Details within this brochure are not intended to be a description of the vehicle but are simply a general overview. For a more detailed description please speak to your Kia dealer. If a particular item is important to you, please make sure it is mentioned, in writing, when ordering your car. This disclaimer does not affect your statutory rights. Images shown are for illustrative purposes only and not to UK specification. Features shown are not necessarily standard across the range.

#### One-button adjustable headrest

Everything to make your life a little easier: the driver and front passenger headrest can be adjusted up or down with a simple push of a button.

#### Seven seats for maximum flexibility

Fold the rear seats partially or fully to create numerous seating and cargo combinations.

3<sup>rd</sup> row partially folded

3<sup>rd</sup> row folded fully flat

3<sup>rd</sup> row folded fully flat and 2<sup>nd</sup> row partially folded

### 7-seater flexibility

#### DRIVER ERGONOMICS & VERSATILITY

## Maximise the space within

Whatever you've got planned and whatever you want to carry, the Sorento comes well prepared. It can be transformed quickly from a 7-seater to a generous luggage hauler or explorer with space for adventurers and their equipment. That's what we call everyday versatility and comfort.

2<sup>nd</sup> row backrest lever

#### 2<sup>nd</sup> row backrest lever

For easier folding without the need to open the rear door, each side of the cargo area has a remote folding lever for the 2<sup>nd</sup> row backrests.

#### Underfloor cargo storage compartment

Store smaller items in the spill-proof tray under the cargo space floor.

#### Cargo screen storage compartment

Stow larger valuables under the retractable screen out of view in a separate, partitioned-off space.

#### Tailgate memory function

A great help for effortless loading: opening angles for the tailgate can be stored to suit different driver's height, with a memory button under the tailgate – simply press and hold the button for three seconds.

Remote Smart Key

## INTERIOR PRACTICALITY & CARGO SPACE

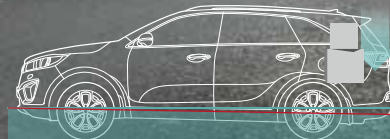

# Flexible, generous, open-minded: a truly welcoming character

The Sorento does not shy away from bulky luggage. In fact, flexibility is key to accommodating a wide range of items and uses. It even comes with roof rails as standard for added support if you need to transport more items.

### Smart power tailgate

Ideal when you've got your hands full: the tailgate opens automatically when the remote Smart Key is detected behind the back of the car for three seconds and closes with a simple push of a button.

### Self-levelling suspension

When you're transporting heavy items, the self-levelling suspension is raised to the optimum height to ensure maximum stability and clearance.

## **dynamax** AWD

True AWD. Continuously thinking forward.

The intelligent Dynamax™ all-wheel drive (AWD) system, developed in conjunction with Magna Powertrain, continuously monitors driving conditions and anticipates AWD system requirements, sending torque to the wheels that have traction. The system also adds stability in corners and helps eliminate unintended over- and understeer by reducing unwanted traction forces at the front and rear axle. At the same time, it's designed to reduce fuel consumption and emissions.

Details within this brochure are not intended to be a description of the vehicle but are simply a general overview. For a more detailed description please speak to your Kia dealer. If a particular item is important to you, please make sure it is mentioned, in writing, when ordering your car. This disclaimer does not affect your statutory rights. Images shown are for illustrative purposes only and not to UK specification. Features shown are not necessarily standard across the range.

DRIVING PLEASURE

## All-Wheel-Drive for all-round driving pleasure

Inspired by rugged terrain, the Sorento's all-wheel drive technology is designed to make everyday driving more comfortable. Innovative, continuously active All-Wheel-Drive ensures the Sorento maintains excellent traction on rough, loose or slippery surfaces and helps improve lateral stability when cornering.

**2.2 CRDi diesel engine**  
Max. power 200 PS @ 3,800 rpm

**6-speed automatic transmission**  
An electronically controlled 6-speed automatic transmission provides smooth, seamless gear shift and improved fuel efficiency.

**6-speed manual transmission**  
The Sorento's 6-speed manual gearbox offers high torque when accelerating and sporty performance, along with smooth, fuel-efficient gear changes.

**Drive mode select system**  
By pressing a button you can choose between Normal, Eco or Sport drive mode to adjust the transmission shift points to your preferred driving style and the driving environment: Normal for everyday driving, Eco for more fuel efficient gear changes and Sport for a more dynamic drive. Standard on automatic transmission models.

**Flex steer system**  
Choose from three modes to adjust the steering response and effort to different road conditions: Normal for regular conditions, Comfort with lighter steering for urban driving and easy parking and Sport for a more engaging drive on the motorway. Standard on manual transmission models.

#### POWER & TRANSMISSION

## Where efficiency and beauty work hand in hand

The Kia Sorento provides all the tools for an engaging drive: responsive and agile, the 2.2 CRDi diesel engine offers enjoyable mid- and low-range torque as well as smooth and quiet operation. All the while, fuel consumption is kept low, thanks to precise transmissions and excellent aerodynamics with a drag coefficient of just 0.33.

Cd **0.33** drag coefficient

#### Energy regeneration system

Another clever idea to help you save fuel and reduce CO<sub>2</sub> emissions: when you take your foot off the accelerator and slow down, the Kia Sorento recaptures this normally lost kinetic energy and uses it to help recharge the battery. If the battery is already charged, the alternator is decoupled.

## SAFETY FEATURES

# Safety with a sixth sense

Every day the road can present new challenges. The Sorento is engineered to use its own reflexes to keep you safe and in control when tricky surfaces, inclines, twisting roads and unexpected moves by other drivers put you to the test.

### Vehicle Stability Management (VSM)

The system controls brake force, engine torque and steering torque to provide improved vehicle stability when simultaneously braking and cornering – especially on wet, slippery and rough road surfaces.

### Hill-start Assist Control (HAC)

HAC prevents the vehicle from rolling backwards when starting on a steep hill.

### Rack-type Motor-Driven Power Steering (R-MDPS)

A firm, solid feel and unprecedented steering response are simultaneously achieved with R-MDPS.

### Upright rear shock absorber

A more vertically oriented rear shock absorber system helps to smooth out the effect of uneven surfaces for greater comfort.

# When it pays to be tough

The Kia Sorento has been thoroughly tested in countless crash simulations and collision tests to ensure occupant safety is placed above all else. A safety cage fortified with ultra-high-tension steel and a 6-airbag SRS system make a great team for your protection.

52.7% AHSS\* used

## \*Advanced High-Strength Steel (AHSS)

The Sorento uses more than 52.7% advanced high-strength steel. This exceptional steel reinforces the front, rear and sides, as well as high-stress points throughout the car's body.

## Six airbags

The Sorento offers front and side airbags for driver and front passenger, as well as two side-curtain airbags to protect all occupants.

## Emergency Fastening Device (EFD)

The 1<sup>st</sup> row seat belts in the Sorento feature an emergency fastening device. It supports the seat belt pretensioner to pull the driver and front-seat passenger more quickly and firmly into their seats for added protection in a collision.

### 360° view monitor

Assurance all round: this intuitive system combines four wide-angle images from cameras at the front, rear and sides of the vehicle to give you a comprehensive bird's-eye view of the space around the Sorento while parking or moving at low speed.

## SAFETY

# Awareness, action, protection

Whether it's assisting you with parking, manoeuvring tight spaces or taking corners with added confidence – the Sorento comes with highly refined solutions for a safer journey.

## Smart Parking Assist System (SPAS)

This system is designed to help you with both parallel and bay parking as well as reversing. It recognises a suitable parking space, steers, and judges the distance to cars around the Sorento – all you need to do is adjust the speed and change gears accordingly.

## Adaptive Front Lighting System (AFLS)

For enhanced visibility at night, the headlights shine light in corners more efficiently as the swivelling headlights adapt to the steering angle, the weight and the speed of the car.

## Speed Limit Information Function (SLIF)

This feature uses a camera and navigation system to read speed limit signs along the road and displays them beside the speedometer and on the navigation screen.

## SAFETY

# A very modern helping hand

The Kia Sorento helps you stay aware of what is happening around you and other vehicles, enhancing your comfort and safety, on both short and longer journeys. It will also shut off the engine when you are at a standstill in traffic to save fuel.

## Advanced Smart Cruise Control (ASCC)

ASCC uses a radar sensor at the front of the vehicle to monitor the distance to the vehicle ahead. To keep a set safe distance, the system will apply the brakes, and even stop the car, until the vehicle ahead proceeds.

## Lane Departure Warning System (LDWS)

A camera at the front of the car monitors lane markings and, if the driver moves out of the lane unintentionally, the instrument cluster emits a warning.

## ISG Start/Stop system

This Intelligent Stop and Go technology switches off the engine whenever the car comes to a halt – for example at a traffic light – cutting down on fuel consumption and CO<sub>2</sub> emissions. As soon as you resume the journey, the engine restarts.

## Autonomous Emergency Braking (AEB)

Autonomous Emergency Braking is a brand new feature on the Sorento. The Autonomous Emergency Braking system detects both preceding vehicles and pedestrians crossing the road. Using sensors and a camera to monitor the proximity and velocity of vehicles, it delivers a warning to the driver if any potential collision is detected. If there's no driver reaction, the car brakes automatically – avoiding or mitigating any accident.

## Blind Spot Detection (BSD)

If the Kia Sorento senses a car in your blind spot, the system triggers a visual warning. Should you try to change lane whilst a car is in your blind spot, it sounds an audio alert.

## Rear Cross-Traffic Alert (RCTA)

When reversing out of a parking space or driveway, the system warns the driver if it detects any vehicles crossing your path.

1

2

3

4

### 1. Live traffic\*\*:

The navigation system delivers highly accurate live traffic information that is updated every two minutes, so you know exactly where traffic is running smoothly, or which areas to avoid. When things get busy, the system lets you know and suggests alternative routes.

### 2. Speed cameras\*\*:

You'll also be alerted to a whole range of speed cameras. The system can even take into account areas where accidents are particularly common, and warn you about these accident black spots.

### 3. Local search:

If you're looking for a sushi restaurant, a supermarket or a particular place to meet, simply select Local search. The database contains 500 searchable categories, 25,000 keywords and 250,000 locations to ensure you find what you need. Plus, the system allows you to search in ten languages, even while abroad.

### 4. Weather forecast:

Is your weekend away going to be sunny or a washout? Better check the weather forecast. Just type in your destination to view a four-day summary, complete with minimum and maximum temperatures, wind speed and chances of sun or rain.

Kia's Connected Services powered by:

**TOMTOM** 

## Where? When? How? The answer is here.

Our brand new navigation system with Kia's Connected Services powered by TomTom takes reliable route guidance to the next level of accuracy and excellence. It keeps you in touch with the outside world and offers more handy information than ever. The Sorento's navigation system connects to the Internet through your smartphone.\*

Kia's innovative hotspot app (android phones only) uses your smartphone's Bluetooth® to detect when a Kia navigation system is in range. It then switches on the hotspot to connect to the navigation system and turns it off again when the communication with the car is interrupted or stopped – making it even more convenient to use Kia's Connected Services.

Kia's Connected Services also feature Android Auto and Apple CarPlay which are designed for convenience with the aim of reducing driver distraction.

\*Smartphone with data plan required to activate services.

\*\*Legal restrictions to these services may apply depending on country usage.

#### **Integrated Memory System (IMS)**

Effortlessly suited to you: stores seat and side mirror positions for two drivers.

#### **Dual automatic air conditioning with Ioniser**

The dual climate control system gives the driver and front passenger separate controls for temperature and ventilation.

#### **Heated steering wheel**

A great comfort feature for cold days.

#### **Rear side window blinds**

Stay cool on sunny days, or add privacy, with a retractable sunshade for the 2<sup>nd</sup> row door windows.

#### **Electrically folding, adjustable and heated door mirrors with LED indicators**

Offered as standard for greater safety and convenience including anti-trap mechanism.

#### **Tyre Pressure Monitoring System (TPMS)**

TPMS not only warns you if the tyre pressure is too low, it also shows the current pressure for each tyre.

#### **Electric parking brake with auto-hold function (automatic models)**

Instead of pulling the lever, a simple button activates the brake, for your convenience.

#### **Bluetooth® with music streaming**

Connect wirelessly between your Bluetooth-compatible devices and the sound system via the built-in microphone.

#### **Cruise control and speed limiter**

Adjust cruise control settings without taking your hands off the wheel using these ergonomically designed buttons.

#### **USB charger**

Never run out of battery again: simply charge portable devices using the USB charger built into the rear of the floor console.

#### **LED high-mounted brake light**

Form and function meet again: the beautifully shaped rear spoiler improves airflow and incorporates a high-mounted brake light.

#### **LED rear combination lights**

These highly visible lights are integrated into the tail light clusters to create a striking finish.

#### **Ice cube LED fog lights**

Attractive arrays of hi-tech LED fog lights help light your way. LEDs are also efficient as they are long-lasting sources of consistent brightness.

#### **Alloy pedals**

Add some sporty flair: sturdy, lightweight stainless steel pedals add a performance-style feel.

#### **Door scuff plates**

Bright and beautiful: low-energy LED lighting illuminates the lower door sill to guide you in and out of the Sorento at night.

#### **Shark fin antenna**

An aerodynamic shark fin roof antenna is included with navigation systems.

#### **Infinity premium sound system with 10 speakers including 4" central speaker, external amp and sub woofer**

Comes with ten speakers and an external amplifier.

#### **8" Touchscreen sat nav with European mapping and traffic messaging channel (TMC)**

The 3.8" LCD audio system offers radio and CD player control, Bluetooth handsfree, MP3 storage/playback functions and more.

#### **7" Touchscreen sat nav with European mapping and traffic messaging channel (TMC)**

Touch screen technology, a rear-view camera and slots to connect your favourite external music devices are all included in this comprehensive 7" multimedia system.

#### **Steering wheel mounted controls**

Adjust volume or change stations without taking your hands off the wheel – thanks to the intuitively placed steering-wheel-mounted controls.

#### **USB and AUX ports for connection of an audio media device (ipod®/memory stick)**

Set for all types of media: play audio from MP3 players, USB drives and other compatible multimedia devices using the integrated AUX and USB slots.

#### **Panoramic sunroof with automatic electric one touch roll blinds with safety function**

Let the sunshine in: the large twin-section panoramic sunroof fills the cabin with light and air and adds an even more spacious interior ambience. An electric roller blind is also included.

### **HIGH QUALITY FEATURES**

## **Attention to detail**

A high level of comfort and quality is at the heart of the Sorento's highly comprehensive standard equipment.

# COMPLETE PEACE-OF-MIND

## Kia Insurance

Kia knows your car inside out, which is why you can trust Kia Insurance to provide the protection you need. Kia Insurance is rated 5 stars\* with a range of exclusive benefits and a UK-based 24-hour claims team. Unlike most other UK insurers, we guarantee to repair your vehicle at a Kia Approved Bodyshop using only Kia Genuine Parts. This helps to protect its warranty, safety standard and resale value. **Call now for an annual quote on 0330 102 8543 or ask your dealer about free 7 day insurance.** [kiacarinsurance.co.uk](http://kiacarinsurance.co.uk)

\*Rating by an independent financial research company.

Insurance benefits are subject to qualifying status, terms, conditions and underwriting criteria. Kia Insurance is provided by Original Insurance Services Ltd.

## Free Kia Excess Return

When you buy a new or approved used Kia you'll qualify for one year's free £250 Excess Return Voucher. In the event of an accident, all you need to do is **call Kia first on 0330 102 8832 – before your insurer**. In return, we'll reimburse up to £250 of any excess you pay as part of a motor insurance claim, no matter which company insures you. You'll also enjoy all the benefits of the free Kia Accident AfterCare service.

**Ask your dealer for your voucher. [kia.co.uk/excessreturn](http://kia.co.uk/excessreturn).**

Conditions apply – please see the voucher for details.

## Free Kia Accident AfterCare

If you have an accident, call Kia first on **0330 102 8832** and let us take care of things. Kia Accident AfterCare offers end-to-end handling of your motor claim – so you can relax. It doesn't matter who you're insured with. We'll exercise your right to an accident repair at a Kia Approved Bodyshop using only Kia Genuine Parts. This means your car will get the Kia treatment by our trained technicians. Plus you get use of a courtesy car for the duration of the repair – all at no cost to you.

**Get your free key tag at [www.callkiafirst.co.uk](http://www.callkiafirst.co.uk)**

## Care-3

For complete peace-of-mind, Kia can offer you a great value fixed-price servicing package for your Sorento which is called Care-3. Please speak to your Kia dealer for more information and pricing. Terms and conditions apply. Log onto [www.kia.com/uk](http://www.kia.com/uk) for details.

The official fuel consumption figures in mpg (l/100 km) for the Sorento range are: urban: 36.2 (7.8)-40.9 (6.9). Extra Urban: 47.9 (5.9)-57.6 (4.9). Combined: 42.8 (6.6)-49.6 (5.7). The official CO<sub>2</sub> emissions for the Sorento range are 149-174 g/km.

Fuel consumption figures are derived from testing in accordance with EU standard test procedures and regulations. These official figures are for comparative purposes only and may not reflect 'real world' fuel consumption. The figures do not constitute a guarantee or offer from Kia Motors.
