The Power to Surprise

**Whoever.** **YESUV!**  
**Whatever.** **STONIC**  
**YES**

YES SUV  
**STONIC**

*YES SUV*  
**STONIC**

**"SPEEDY+TONIC = STONIC"**

Stonic gets its name from the words "Speedy" and "Tonic" to express its sleek and confident compact SUV image. Tonic is the first note of a scale and the central note in any musical key.

*URBAN SPORTY DESIGN*

**STYLE** also **YES!**

Sporty urban design with a youthful spirit!

TRENDY & WIDE INTERIOR

**STYLE** also **YES!**

Stylish, high-tech interior is laid out horizontally to maximize the sense of spaciousness.

Sliding console armrest\*

Upper and lower center fascia trays

Cup holder

Orange 2-tone interior

**AMAZING EFFICIENCY** 

# PERFORMANCE *also* **YES!**

The 1.0 T-GDI engine's superb 120 ps output and 13.5 km/ℓ fuel economy and the 7-speed DCT's dynamic gear shifting orchestrate a sporty performance.

**1.0 T-GDI gasoline engine**

Optimally downsized engine delivers a dynamic driving performance.

**13.5 km/ℓ** Combined fuel economy (17-inch wheels)

**120 ps** Max. power (6,000rpm) | **17.5 kg·m** Max. torque (1,500~4,000rpm)

1.0 T-GDI gasoline engine

7-speed DCT transmission

**1.4 MPI gasoline engine**

Impressive power and lively acceleration, as well as the superior tranquility of a gasoline engine.

**12.8 km/ℓ** Combined fuel economy (15-inch wheels)

**100 ps** Max. power (6,000rpm) | **13.5 kg·m** Max. torque (4,000rpm)

1.4 MPI gasoline engine

6-speed automatic transmission

PERFECT SAFETY

SAFETY also YES!

Advanced high-strength steel sheets strengthen the body while reinforced basic safety features, such as advanced airbags, promote safer driving.

High-strength steel sheet ratio

74.9 %

51 %

Advanced high-strength steel sheet ratio\*

Advanced high-strength steel sheet ratio was increased to up to 51% to protect the cabin with a solid and rigid bodyshell.

1 Emergency Stop Signal (ESS)

Brake lights and emergency lights are automatically activated after sudden braking to alert drivers in the rear of an emergency.

2 Torque Vectoring by Braking (TVBB)

A torque vectoring system intelligently monitors the vehicle and electronically controls front left and right wheel torque to increase stability and help make driving more agile and safer while turning.

3 Straight Line Stability (SLS)\*

Left and right braking forces are compensated to ensure stability and prevent the car from tipping to the left or right while braking.

4 Smart cornering lamps

Advanced headlamp system improves visibility by turning the direction of headlamps according to the direction of the steering wheel.

Front seat advanced airbags & Side curtain airbags with rollover sensors\*

Advanced system controls low and high pressure deployment of airbags and prevents improper deployment such as in vacant seats or seats fitted with an infant seat. Side curtain airbags with rollover sensors provide additional safety.

**DRIVE WISE** Hassle Free, Delightful Driving  
Peace of mind for a more enjoyable and pleasant drive

Kia's brand name for ADAS technology. ADAS proactively analyzes driving conditions to assist drivers as needed. Its aim is to provide the ultimate safety to drivers, passengers, pedestrians, and surrounding drivers alike.  
※ ADAS : Advanced Driver Assistance System

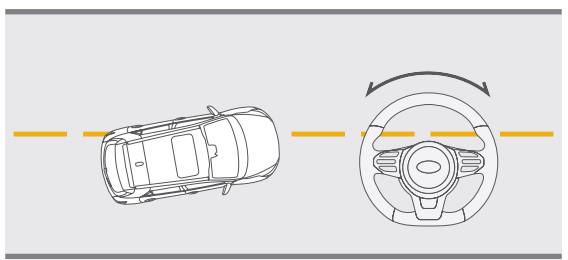

**PERFECT SAFETY**  
**SAFETY also YES!**

Smart, advanced safety features aim to provide absolute safety, warning the driver of imminent dangers and preempting drivers' mistakes.

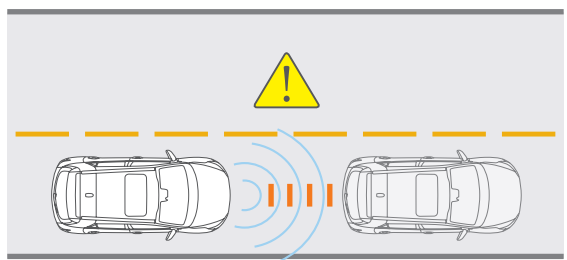

**Blind-Spot Collision Warning (BCW)**

Preventive safety system that detects and alerts the driver about vehicles in rear lateral blind spots or fast-approaching vehicles in the back.  
※ Operation may be limited depending on the surroundings and speed of the vehicle.

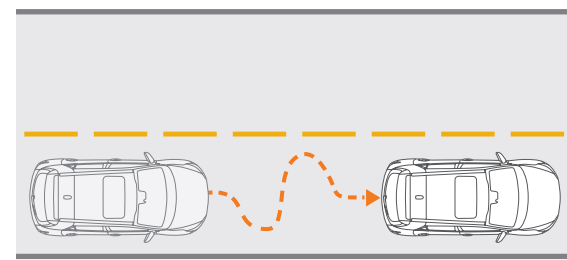

**Lane Keeping Assist (LKA)\***

Tracks lanes in real time through the front-view camera and alerts the driver if the car drifts out of the lane without a turn signal, prompting visual and auditory warnings on the cluster and steering the car safely back into place.  
※ Operation may be limited depending on the surroundings and speed of the vehicle.

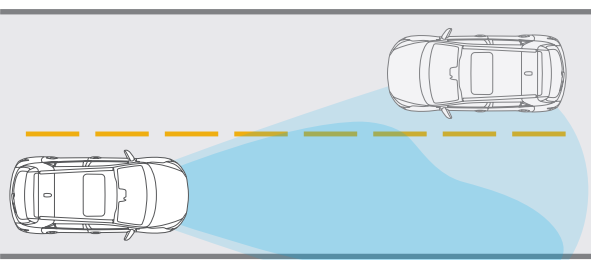

**Forward Collision-Avoidance Assist (FCA)**

Helps prevent collisions by alerting the driver and applying the brakes automatically if necessary when the front-view camera and radar sense a danger of colliding with a car or pedestrian.  
※ Operation may be limited depending on the surroundings and speed of the vehicle.

**Driver Attention Warning (DAW)**

Encourages the driver to freshen up the air and take a short break by emitting visual and audible warnings when the system detects a pattern of driver fatigue and inattentiveness.

**High Beam Assist (HBA)**

Facilitates night-time driving by tracking the brightness of surrounding lights and vehicular headlamps and switching automatically from high beams to low beams.

SMART CONVENIENCE

# CONVENIENCE also YES!

Simple operation of navigation, music, and phone functions through the infotainment system and start button ignition of the engine using the smart key system provide a flawless, upgraded automotive lifestyle.

### 7" UVO navigation

7" floating-type electrostatic touch screen with a wide viewing angle renders outstanding visibility and maneuverability. It offers diverse connectivity options, such as Android Auto (Kakao Navi) and Apple CarPlay, to access key smartphone functions through the Audio Visual Navigation (AVN) system. (Complimentary 5-year subscription to UVO upon initial enrollment following the purchase of a vehicle)

※ Navigation map updates are guaranteed for 8 years from initial purchase. The company reserves the right to suspend services thereafter.  
※ May not support connectivity for particular mobile devices.

### 1 Front row seat ventilation system & Front seat warmer (with automatic heating adjustment)\*

Ventilation fans integrated into the seats circulate air to improve seating comfort, while seat warmers heat up and gradually lower their temperature with the passage of time.

### 2 Engine start/stop button smart key

The engine can be conveniently turned on and off at a press of a button when in possession of the smart key.

### 3 Rear seat USB charger

Low battery electronic devices can be connected directly and charged.

### Smart ITself UVO

UVO makes life more safe and comfortable with advanced technologies that protect the driver and vehicle under all circumstances. UVO offers SOS emergency dispatch, automatic airbag deployment notification, and theft alarm services anytime, anywhere. Discover the priceless value of safe and comfortable driving.

※ Complimentary 5-year subscription to UVO upon initial enrollment following the purchase of a vehicle: remote control, safety and security, maintenance and navigation  
※ Inquiries : UVO's Kakao Talk service center (type "UVO" in the Kakao Talk search window and befriend)

#### Remote control

Cool or heat the interior of the car remotely in advance using a smart phone.

#### Safety and security

Emergency assistance through the UVO center in the event of an airbag deployment or roadside emergency (24/7, 365 days).

#### Maintenance

One-stop service ranging from automatic diagnosis of break-downs to scheduling of maintenance appointments.

#### Navigation

Optimal route guidance using real-time traffic information.

Orange 2-tone interior / Specifications may vary according to the trim, engine and options that are selected.

**MAGIC SPACE** 

# SPACE also **YES!**

As versatile as you want, as spacious as you need. Discover the true value of an SUV through its outstanding loading convenience.

### Seat variation

Convenient seat variations, such as 2nd row seat folding system (6:4 type), offer diverse means to customize space according to the number of passengers and size of load.

### 1 Rear seat folding system (6:4, flat type)

Seat folding system (flat type) offers a wide choice of configurations that maximize the SUV's utility.

### 2 Dual-level luggage board

Luggage board with dual levels allows a more flexible use of space, including the creation of a wide, virtually horizontal surface using the flat function.

Specifications may vary according to the trim, engine and options that are selected.
