

## Movement that inspires.

At Kia, we believe movement inspires ideas. Great ideas come to you when you're on the move. Whether you're walking, traveling on a train or driving. It's why we create the spaces and the time you need to bring ideas to life.

Corporate Showroom:  
239 Alexandra Road, Level 2, S159930, Tel: 6470 7377

# Restart the magic with every drive.

Take the wheel of the stylish new Kia Cerato and start your day feeling invigorated, relaxed and capable of anything. This remarkable compact sedan delivers inspiring performance, along with the latest driver assistance and entertainment technologies. Life just got more interesting.

## Built for motion, stunning at rest.

The Cerato has the best of both worlds—a sporty character grounded in a nimble suspension and responsive drivetrain, coupled with the allure of a spacious, welcoming interior. Aerodynamic contours draw the eye from front to back, while its daring stance signals that it's up for anything.

## Eye-catching from any angle.

There are a number of stunning details you'll notice every time you return to your Cerato. The boldly shaped, complex headlamp housings. The intersection of the side contour and the front grille. And how the tail lamps seamlessly blend with the rear trunk lid spoiler. Every line on the Cerato contributes to its winning personality.

## Modern simplicity, practical luxury.

Simplicity is the key to the luxuriousness of the Cerato dashboard. The look is clean throughout, with driver information appearing sparingly on the instrument cluster and floating center monitor. Metallic trim gives a sporty yet sophisticated touch, while sleek lines connect the turbine-inspired air vents at either side.

# Engaged and focused.

The technology at your fingertips is designed to encourage attentive driving habits. The extensive audio system features, for example, can be operated with just a few taps on the large touchscreen or steering-wheel controls. Wireless charging means that your mobile devices stay close by, but out of mind.

## 10.25" touchscreen infotainment system (EX & GT Line only) **New**

Refreshingly easy to read and operate, the vivid 10.25" touchscreen infotainment system comes with Apply CarPlay and Android Auto connectivity, while giving you access to a wide range of vehicle information. It is also linked to the rear view camera and features dynamic guidelines for easier reverse parking.

## Wireless smartphone charger (GT Line only)

Charge a compatible mobile phone wirelessly on the pad at the front of the center console. An orange light indicates charging in progress; green indicates a full charge.

Interior is only available in black for the Singapore market.

#### Heated and ventilated front seats

Air blowing out through the seat cushion and back saves you from the discomfort of becoming hot and sticky. Heated seats ensure that both driver and front seat passenger are snug and warm even on the coldest days.

## Comfort zone wherever you go.

Inside the roomy cabin of the Cerato you will find clean lines, supportive seats and surfaces that are pleasing to the touch. All models feature seat bolsters front and rear, while the rear seats offer ample space for two or three passengers to sit comfortably and stretch out.

# Small touches that add up.

The appeal of the Cerato goes far beyond just style and comfort. Everywhere you look, you'll notice details that are mindful of real-life situations. From the ease of getting in and out of the vehicle to the ergonomic controls at your fingertips, the Cerato helps you enjoy modern life to the fullest.

## Smart Trunk (EX & GT Line only)

Shopping and transporting large items have never been easier thanks to the Smart Trunk. When your hands are full of bags, luggage or sporting gear, the trunk lid can be set so that it unlocks and opens automatically when the smart key is in the detection area for at least three seconds.

## Sunroof (GT Line only)

Experience the refreshing sensation of open-top driving with the tilting and sliding, one-touch power sunroof. It opens and closes fully with one simple press of a finger.

## Integrated Memory System (GT Line only)

IMS lets you save two different, personalized presets. Each one includes the driver's seating position as well as the cluster display information.

# Watchful eyes that never blink.

DRIVE WISE is Kia's ADAS (Advanced Driver Assistance System) technology initiative that aims to improve driving pleasure and safety by taking over the tedious tasks of everyday driving. Advanced sensor and processing technology are helping to make driving as safe, easy and efficient as possible.

## Advanced 6-airbag system (EX & GT Line only) **New**

To help protect occupants and potentially reduce injuries in the event of a collision, the Cerato includes driver and front passenger airbags, two front-side airbags and available side-curtain airbags running the length of the interior on each side.

## Rear Cross-Traffic Collision Warning (EX & GT Line only) **New**

When reversing out of a parking spot or driveway, RCCW scans the area behind the Cerato using radar technology and alerts you with an audible warning signal if it senses a vehicle crossing your intended path.

## Rear Parking Distance Warning (L & EX only)

## Front & Rear Parking Distance Warning (GT Line only)

To help you park safely and confidently, PDW uses ultrasonic sensors mounted on the front bumpers to warn of any obstacles, helping you to position the wheels properly when maneuvering into tight spaces.

## Rear View Monitor (RVM)

When backing into a parking space, RVM shows the rear view and parking guide lines. The rear top view is convenient for parking and trailer hooking, and the rear view can also be displayed while driving.

## Forward Collision-Avoidance Assist (GT Line only) **New**

The FCA prevents potential collisions by applying an automatic brake when oncoming cars are detected from the other side at a junction.

## Blind-spot Collision Warning (EX & GT Line only) **New**

## Blind-spot Collision Avoidance Assist (GT Line only) **New**

Using radar technology, BCW warns you if it detects a vehicle approaching from behind or in the adjacent lanes of travel. The system employs visual alerts on the side view mirror to inform the driver when it detects a vehicle in the blind spot. In addition, the BCA prevents your car from colliding into vehicles.

## Daily performance powered by ingenuity.

Rely on responsive performance from a lively 1.6-liter gasoline engine that features dual continuously variable valve timing (D-CVVT) and electronic fuel injection.

**6-speed automatic transmission**  
The 6-speed automatic is silky smooth and precise.

Electronic parking brake with auto hold (EX & GT Line only) **New**

Drive mode select (EX & GT Line only)

Paddle shift levers (GT Line only)

# Perfection is all up to you.

Which features make the Cerato the ideal place to spend your commute? That's entirely up to you. Choose the audio, convenience and automation options that reflect your definition of perfection. Make sure every minute you spend in the Cerato is quality time.

# Cycle & Carriage Aftersales Service keeps your car in its prime.

We care for you the same way we care for our family. Experience the Cycle & Carriage Kia Service spirit as we welcome you at our Kia Authorised Service Centres.

With more than a century in the automotive industry, we can assure you that you will enjoy the most comprehensive customer support and exceptional service experience by well-trained professionals, using state-of-the-art technologies, diagnostic tools and genuine parts to keep your Kia vehicle running in peak condition. All Kia genuine parts come with 2 years or 40,000km (whichever comes first) warranty.

This is our commitment to you.

## Industry-leading warranty.

We are confident of the quality and durability of every Kia vehicle, having undergone stringent pre-delivery processes and checks before being delivered in pristine condition. We are so confident that your new Kia car will enjoy a 5-year unlimited mileage warranty and a 10-year engine warranty.

From the date of registration, your new Kia car is covered against defects in materials and workmanship for a period of 5 years of factory unlimited mileage.

On top of that, starting from 1 June 2014, your Kia car will come with a 10-year engine warranty, subject to a maximum mileage of 200,000km or 10 years, whichever is earlier. This engine warranty from Cycle & Carriage will take effect immediately after the expiry of the manufacturer's.

# Specifications

## Exterior

15" Alloy Rim

Bulb-type Rear Combination Lamps

LED Daytime Running Lights

Front and Rear Fog Lamps

## Interior

Steering Wheel Remote Controls

60:40 Split Folding Rear Seats

## Comfort & Convenience

6-Speed Automatic Transmission

## Safety & Security

Hill-Start Assist Control

When you're on a steep upward incline, pulling away from a standing start can be a concern, but don't worry, HAC is designed to stop you from rolling backwards.

Vehicle Stability Management (VSM)

Working in concert with the motor driven power steering, Kia's VSM helps ensure that the Cerato remains stable when simultaneously braking and cornering.

Rear Parking Distance Warning

PDW uses ultrasonic sensors on the rear bumpers to warn of any obstacles helping you to position the wheels properly when maneuvering into tight spaces.

Rear View Monitor

When backing into parking space, RVM shows the rear view and parking guide lines.
