

The Power to Surprise

About Kia Motors Corporation

Kia Motors Corporation (www.kia.com), a maker of world-class quality vehicles for the young-at-heart, was founded in 1944 and is Korea's oldest manufacturer of motor vehicles. Over 3 million Kia vehicles a year are produced at 14 manufacturing and assembly operations across five countries. They are then sold and serviced through a network of distributors and dealers from around 180 countries. Today, Kia has over 51,000 employees worldwide and an annual revenue of nearly US\$45 billion. It is a major sponsor of the Australian Open and the official automotive partner of FIFA – the governing body of the FIFA World Cup™. Kia Motors Corporation's brand slogan, "The Power to Surprise", represents the company's global commitment to surprising the world by providing exciting and inspiring experiences that go beyond expectations.
