

The Power to Surprise

From the Cerato K3 to Niro, Kia offers a full line-up of sedans, SUVs and MPVs that are practical, stylish and exhilarating to drive. Keep your eyes on Kia because our best has yet to come.

About Kia Motors Corporation

Kia Motors Corporation (www.kia.com), a maker of world-class quality vehicles for the young-at-heart, was founded in 1944 and is Korea's oldest manufacturer of motor vehicles. Over 3 million Kia vehicles a year are produced at 14 manufacturing and assembly operations across five countries. They are then sold and serviced through a network of distributors and dealers from around 180 countries. Today, Kia has over 51,000 employees worldwide and an annual revenue of nearly US\$45 billion. It is a major sponsor of the Australian Open and the official automotive partner of FIFA – the governing body of the FIFA World Cup™. Kia Motors Corporation's brand slogan, "The Power to Surprise", represents the company's global commitment to surprising the world by providing exciting and inspiring experiences that go beyond expectations.

Unleash your confidence

SORENTO

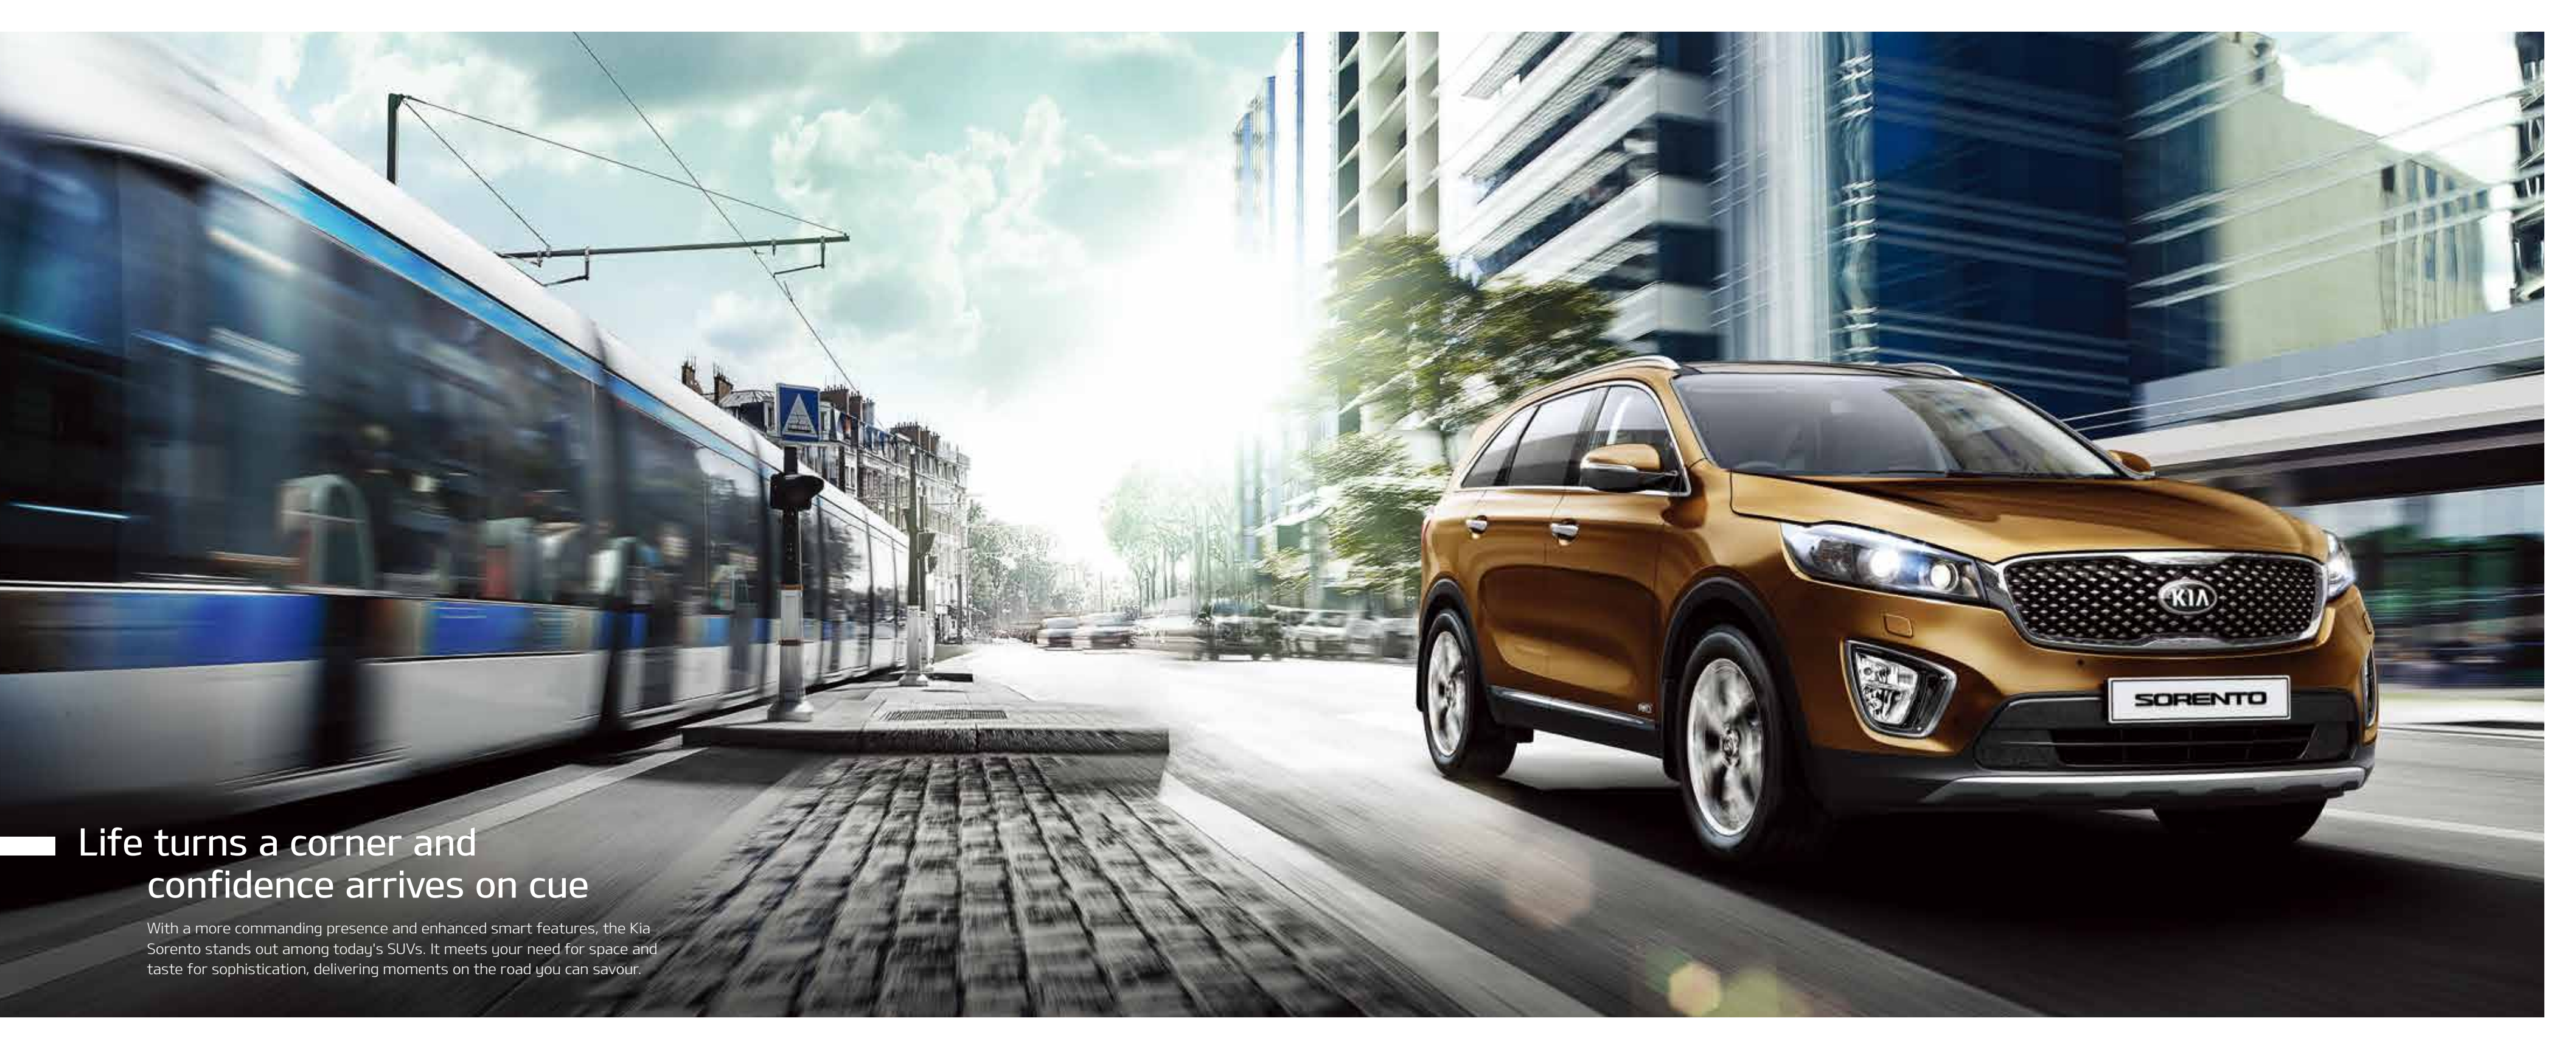

The Power to Surprise

— An adventurer that's equally
at home in the modern cityscape

The Kia Sorento presents the stylish good looks of an SUV with the space and comfort of an MPV. Along with its enhanced smart features, the car gives you simply no reason to compromise.

Life turns a corner and confidence arrives on cue

With a more commanding presence and enhanced smart features, the Kia Sorento stands out among today's SUVs. It meets your need for space and taste for sophistication, delivering moments on the road you can savour.

Surround yourself with intelligent contours

The wraparound form of the Sorento cockpit engages you from the start, as you take in the sculpted door garnishes that flow organically into the front safety mouldings. Functional elements such as the side air vent controls and the lower controls of the centre fascia offer useful engagement.

Interior images used are for illustration purposes only.
Interior is only available in black.

Inspired, relaxed and firmly in control

With its fine craftsmanship, simple yet appealing instrumentation and powerful, targeted ventilation, the roomy Sorento interior is a refuge of sophistication and calmness when life gets busy.

7" TFT-LCD supervision cluster

A high-visibility display in the centre gauge reports outside temperature, audio information, distance to empty, fuel consumption and drive modes.

Satin-chrome finish

The inner door handles, air vent surrounds and other interior design features of the Kia Sorento boast a luxurious satin-chrome finish. The raised vents echo the finish of the dials and their knurled control knobs allow you to adjust airflow direction smoothly.

Simpler floor console design

The floor console design is less cluttered and more efficient thanks to the adoption of an electronic parking brake and the elimination of the manual handbrake lever.

Rear air ventilation and power supply

Rear passengers can adjust airflow with vents and controls mounted at the back of the centre console. USB and 12V outlets facilitate the charging of a variety of devices.

Luxurious trappings to have you feeling right at home

The Sorento's interior offers a high standard of comfort and luxury with its finely-crafted seats, while a dual-pane panoramic sunroof adds a new dimension of sunny charm. The 2nd-row seats fold automatically and slide 270 mm to let the rearmost occupants in and out, while the 3rd row splits and folds 50:50.

Interior images used are for illustration purposes only.
Interior is only available in black.

Black interior

270mm

2nd row slides 270 mm fore-and-aft to let 3rd row passengers in and out

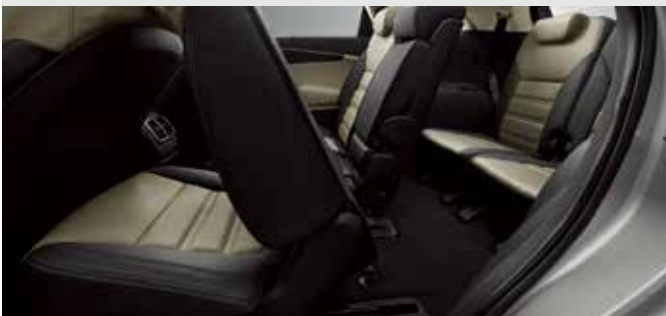

8-way

Power adjustable passenger seat with height adjuster

10-way

Power adjustable driver seat with 4-way lumbar support and memory settings

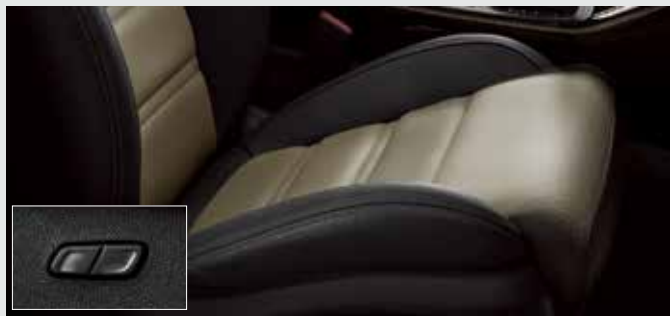

Driver's seat adjuster

Ease of entry and exit The 2nd-row seats fold automatically and slide 270 mm to let the rear-most occupants in and out.

Heated and ventilated front seats Enjoy heated and ventilated front seats for comfort in all types of weather.

Driver's seat thigh extension To offer support and comfort for drivers with long legs, the cushion of the driver's seat can be extended up and forward at the push of a button on the seat base.

One-button adjustable headrest The 1st-row seats have headrests that offer up, down and sliding adjustments with the simple push of a button.

3rd row partially folded

3rd row folded fully flat

3rd row folded fully flat & 2nd row partially folded

7 seats for maximum flexibility Partial and full folding of the rear seat rows give the Sorento numerous seating and cargo combinations, forming a perfect balance of passenger comfort and practicality for the convenient loading of long or odd-shaped items.

Making the most of the space inside

A modern sport utility vehicle that is multi-functional, the Sorento transforms easily from a 7-seat people carrier to an adventure facilitator for travellers and their equipment. Maximum comfort and ease is key, regardless of the seat configuration.

A cargo hauler at heart

The Sorento is designed to offer true practicality when you need to load, stow and carry cargo, thanks to an interior that accommodates large and bulky items. A roof rack comes standard for items that cannot fit within the car, so you will never have to worry about having insufficient space.

Smart power tailgate The rear tailgate opens automatically whenever your smart key is within its detection area for at least three seconds. A simple push of a button closes it.

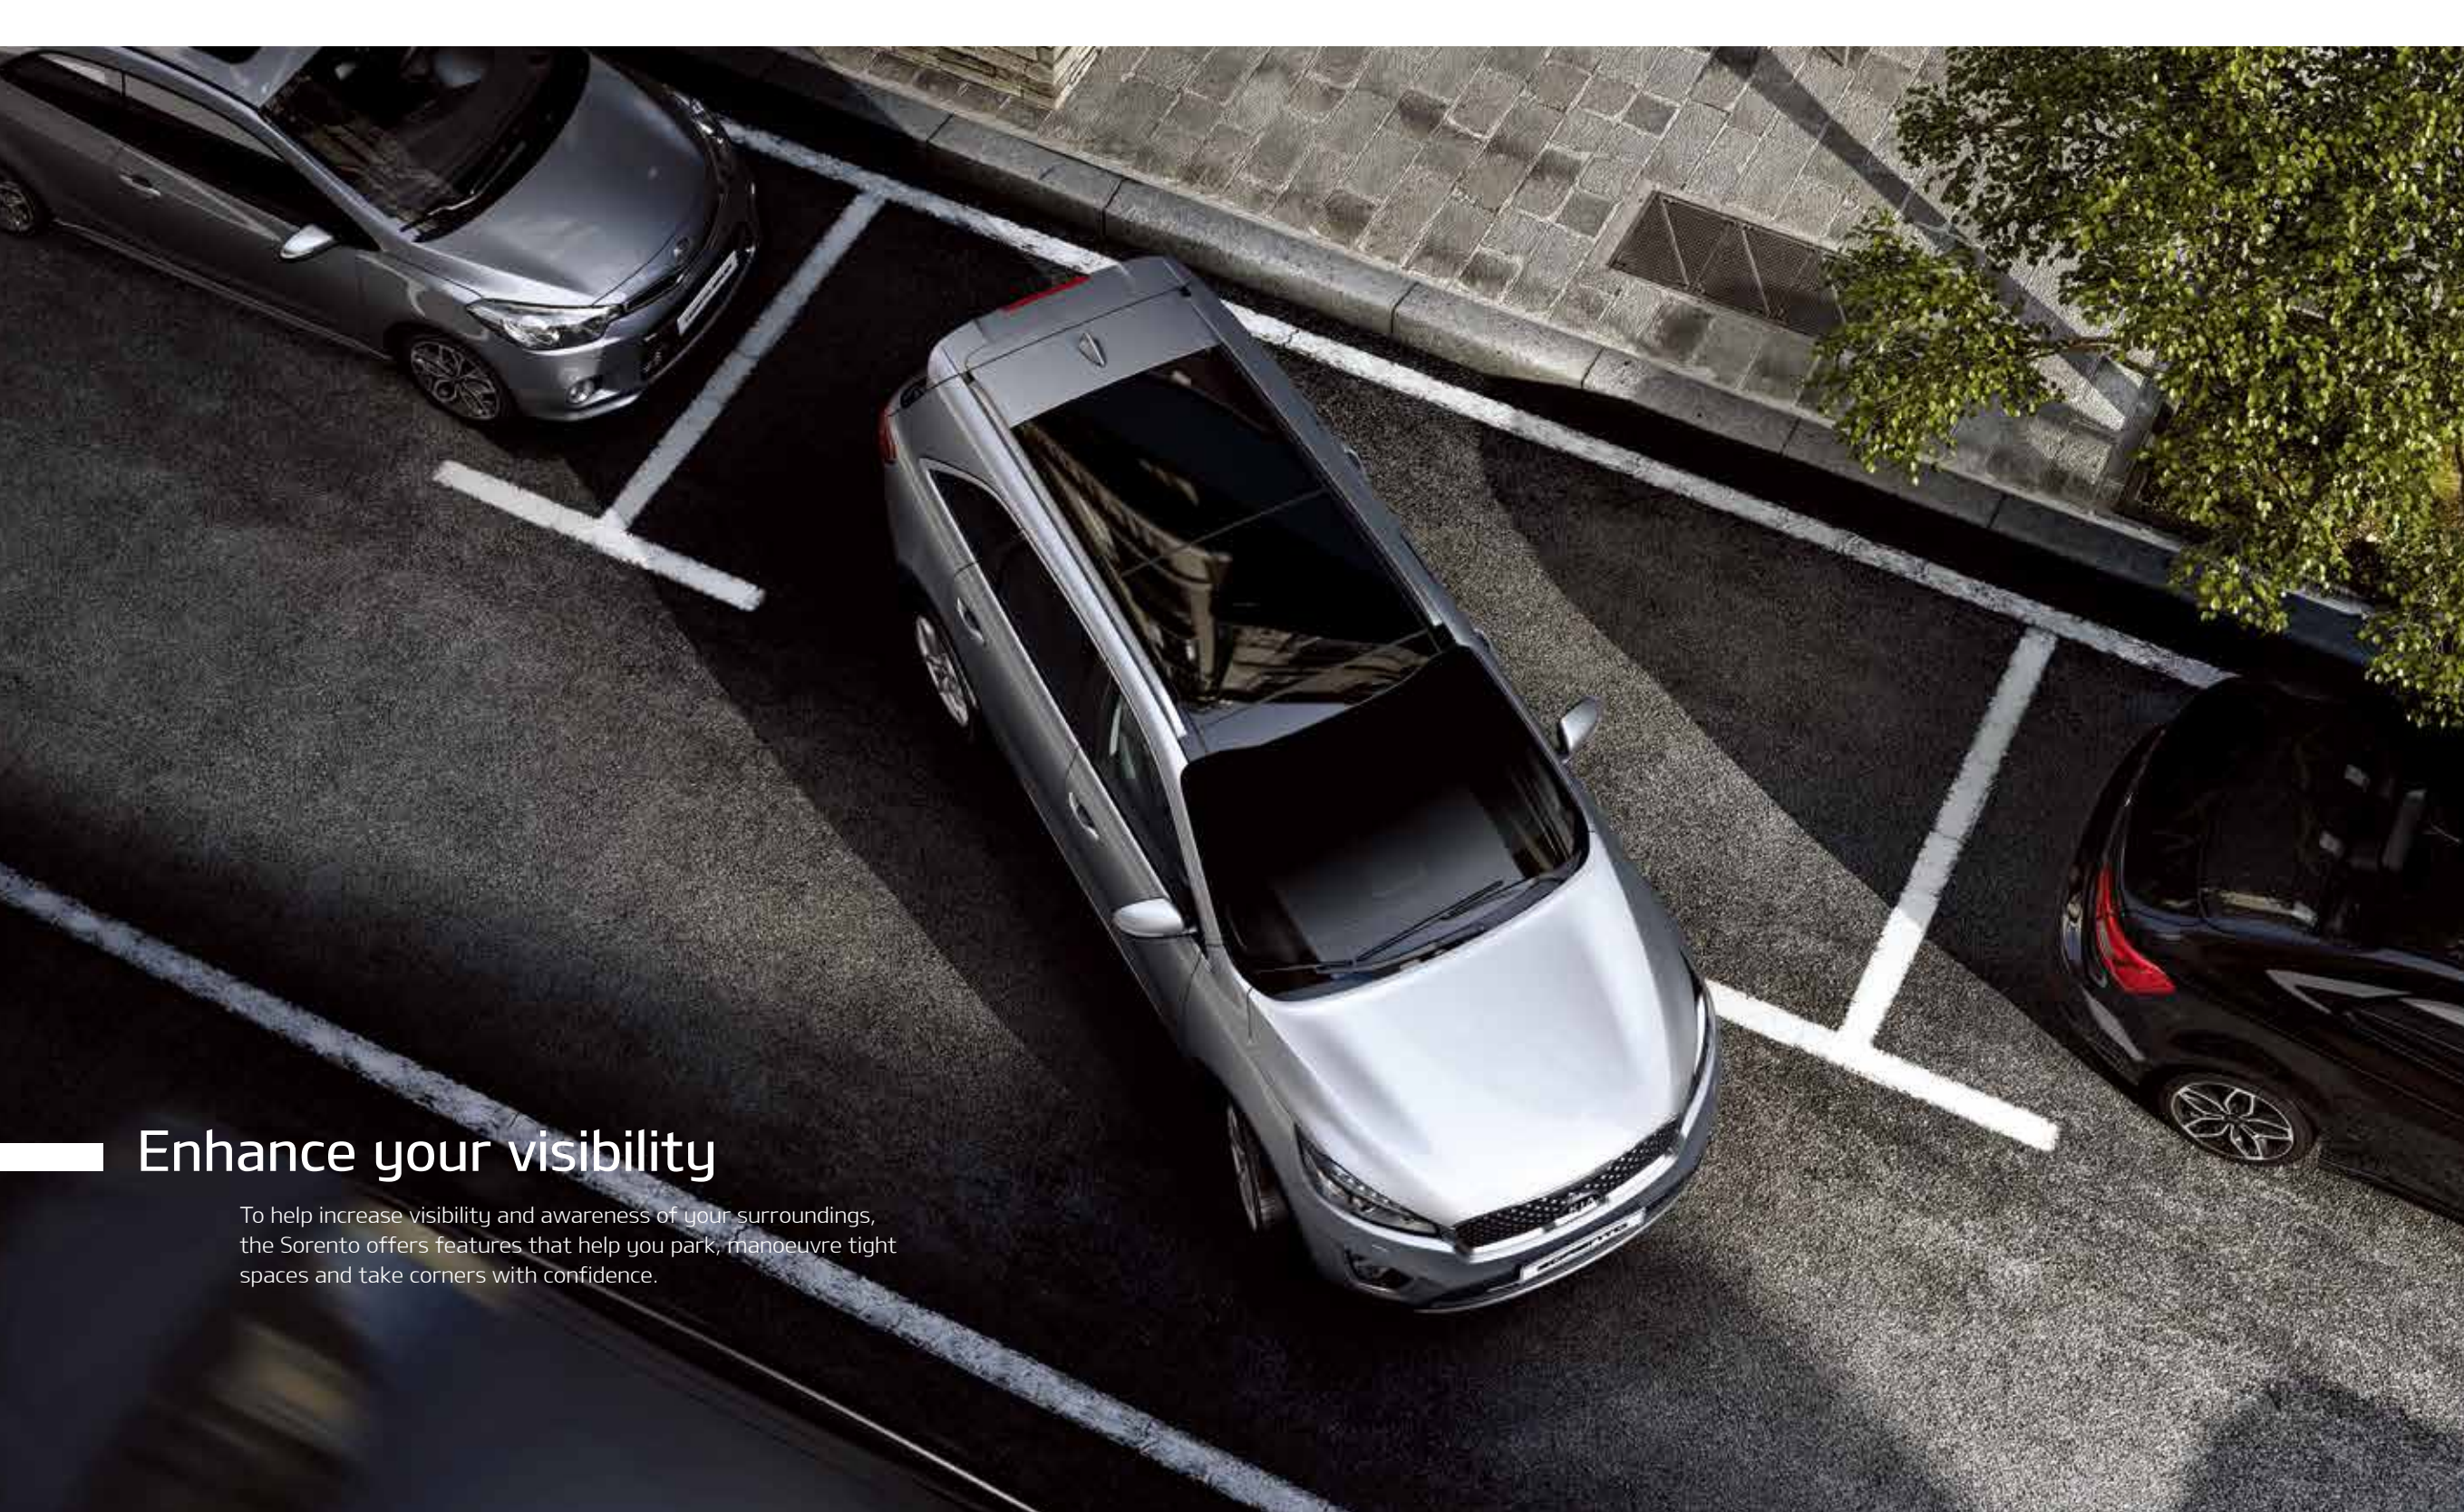

Interior image used is for illustration purposes only. Interior is only available in black.

2nd row seatback lever
Each side of the cargo area has a convenient folding lever for the 2nd row seatbacks.

Tailgate memory function Opening angles for the tailgate can be stored in the memory system by pressing and holding a button under the tailgate for three seconds.

Enhance your visibility

To help increase visibility and awareness of your surroundings, the Sorento offers features that help you park, manoeuvre tight spaces and take corners with confidence.

Smart Parking Assist System (SPAS)

The system uses ultrasonic, side-mounted sensors to search for parking lots. The SPAS automatically steers the vehicle into place, for both parallel and perpendicular parking.

The power you desire and the efficiency you respect

The diesel engine in the Sorento offers enjoyable mid- and low-range torque for a smooth yet powerful drive. Its superior fuel economy is aided by a precise 6-speed transmission.

6-speed automatic transmission

An electronically controlled 6-speed automatic transmission provides smooth, seamless shifting and improved fuel efficiency.

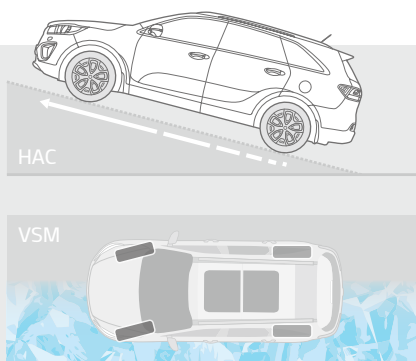

Drive Mode Select system
Choose Normal, Eco, or Sport mode to suit your driving preferences.

2.2 CRDi diesel engine
Max. power 200 Ps at 3,800 rpm
Max. torque 441Nm at 1,750rpm

Technology makes it all seem effortless

The road presents new challenges every day. The Kia Sorento is engineered to use its reflexes to keep you in control when tricky surfaces, inclines, twisting roads and unexpected incidents put you to the test.

Hill-start Assist Control (HAC)

HAC prevents the vehicle from rolling backward when at a standstill on an incline, by gently applying the brakes for up to two seconds while you move your foot from the brake pedal to the accelerator.

Vehicle Stability Management (VSM)

VSM enhances the directional stability of the vehicle by automatically controlling Motor-Driven Power Steering (MDPS) and brakes on each wheel, especially on wet, slippery or rough surfaces.

Rear sub-frame The Sorento features a sturdy rear sub-frame, further improving driving stability.

Upright rear shock-absorber A more vertically-oriented rear shock absorber system helps to control wheel travel on uneven ground and better isolates occupants from bumps.

We've given the unthinkable quite a bit of thought

Feel protected inside the Sorento cabin, where you are surrounded by a safety cage design fortified with ultra-high-tension steel and a 6-airbag SRS system. Thoroughly tested in countless crash simulations and actual collision tests, the Sorento puts occupant safety above all else.

53% AHSS* used

***Advanced High Strength Steel (AHSS)** The Sorento uses 53% Advanced High Strength Steel. This exceptional steel reinforces the front, rear and sides, as well as high stress points throughout the body.

Six airbags The Sorento offers driver, front passenger, two front-side and two side-curtain airbags to help protect occupants and potentially reduce injuries, in the event of a collision.

State-of-the-art convenience features for a more satisfying ride

The 7-seater SUV comes equipped with a multitude of advanced features made to enhance the driving experience.

Interior images used are for illustration purposes only.
Interior is only available in black.

Panoramic sunroof The dual-pane panoramic sunroof lets you and your passengers enjoy fresh outdoor breezes as it creates an even more spacious interior ambience. A one-piece, motor-driven roller blind, as well as the absence of a centre head lining, provides an open feeling unrivalled by other sunroofs.

HMSL integrated rear spoiler
An attractively contoured rear spoiler helps to manage airflow over the rear of the vehicle and incorporates a High-Mounted Stop Lamp (HMSL).

Signature LED tail lamps
LED tail lamps and stop lamps are integrated into the tail lamp clusters. LEDs illuminate more quickly, last longer and are more energy efficient than conventional bulbs.

4.3" TFT-LCD touchscreen audio
The 4.3" touch-screen audio system features an intuitive colour touch screen with an integrated backup camera display.

Dual-zone climate control
The dual climate control gives the driver and front passenger separate controls for temperature and fan speed.

Steering wheel audio remote control
Intuitively placed steering wheel-mounted controls let you adjust volume and change stations without taking your hands off the wheel.

Bluetooth Handsfree with voice recognition
Enables wireless connectivity between your Bluetooth-compatible devices and the vehicle sound system via the built-in microphone.

Auto cruise control
Adjust cruise control settings without removing your hands from the wheel using these ergonomically designed buttons.

Auxiliary, USB, and iPod connections
Play audio from iPhone, iPod, flash drives and other compatible multimedia devices through the integrated 3.5 mm (analogue) and USB connectors.

Electronic Parking Brake (EPB)
Engages the parking brake at the touch of a button. With the auto-hold function, the car is kept stationary even when the brake pedal is released.

Integrated Memory System (IMS)
Recalls the stored seat and side mirror position preferences of up to two drivers.

Tyre Pressure Monitoring System (TPMS)
TPMS not only indicates which tyre is low on air, but also shows the current pressure for each tyre.

USB charger
The USB charger built into the rear bottom of the centre console lets occupants charge their portable devices using a USB power source.

Auto up-and-down windows
Auto up-and-down driver and front passenger windows add to the safety and convenience of the Sorento.

Sunshade blind
A retractable rear-door window sunshade helps rear passengers and stowed cargo stay cool on sunny days.

Stainless steel pedals
Sturdy, lightweight, stainless steel pedals add a performance-inspired accent.

LED-illuminated door scuff
Bright, low-energy LED lighting illuminates the lower door sill to help you get in and out of your car easily at night or in dark locations.

Experience precise control of every wheel

An innovative, continuously active AWD coupling system helps the AWD-equipped Sorento GT maintain the utmost traction on rough, loose or slippery surfaces and helps improve lateral stability when cornering.

Dynamax AWD
True AWD. Continuously thinking forward.

Dynamax™ AWD Coupling The intelligent Dynamax All-Wheel-Drive (AWD) system, developed in conjunction with Magna Powertrain, continuously monitors driving conditions and anticipates AWD system requirements, sending torque to the wheels that have traction. The system also adds stability when cornering, helps eliminate unintended over- and under-steer by reducing unwanted traction forces at the front and rear axle, as well as reduces fuel consumption and emissions.

(AWD is only available in Sorento GT Line.)

Let people know where you stand on performance

The Sorento's performance credentials are on vivid display with the GT Line package. Its high performance features complement the sport-oriented design with a luxurious edge.

Red Callipers

The Sorento GT Line features bright red brake callipers that are prominently visible between wheel spokes. They serve as attractive reminders of the braking performance that makes the Sorento GT reassuring to drive.

LED Fog Lamps

Attractive arrays of high-tech LED fog lamps will help light your way through foggy stretches of road. LEDs offer long-lasting sources of consistent, bright lighting.

Infotainment system with Apple CarPlay

Paddle Shifters

Gear Shift Knob

Seat Work-In System

Red Colour Package

Paddle Shifters

Attractive chrome-finished paddle shifters match the other design elements around the cabin. You can change gears without taking your hands off the wheel and the texture of the paddles is a reminder of the refined GT Line controls.

Seat Work-In System

The Sorento GT Line includes a simple button to slide and recline the 1st passenger seat, and the driver can adjust it easily for the convenience of passengers in the 2nd row.

Gear Shift Knob

In the Sorento GT Line, the push button and knob of the automatic transmission's gear selector lever comes in the same lush chrome finish as the other exclusive GT Line design details. The surface is soft and refined, offering a sensory treat every time you move the lever.

Red Colour Package

Red leather seats and door inserts give the Sorento GT Line a rich, indulgent atmosphere and establish a sexy, dynamic contrast with the black trim of the rest of the interior. It is an elevated variation on the interiors found in many finer sports cars.

Infotainment system with Apple CarPlay

The 7-inch touchscreen system offers Apple CarPlay connectivity as well as up-to-date navigation through Google and Apple Maps.

Enter a higher realm
of driving satisfaction

With upgraded materials, fine craftsmanship and intriguing details, the GT Line transforms the Sorento interior into a driving environment that combines sport and luxury.

Colour and trim selection

Select from 7 stylish exterior colours that bring out the sophistication of the 7-seater SUV.

Exterior colours

The Sorento is available in a wide variety of exterior colours.

Snow White Pearl (SWP)

Imperial Bronze (MY3)

Metal Stream (MST)

Silky Silver (4SS)

Platinum Graphite (ABT)

Sunset Red (MRS)

Aurora Black Pearl (ABP)

Alloy wheel

Aerodynamic alloy wheels help reduce unsprung weight and accentuate the Sorento's brawny character.

Cycle & Carriage After-sales Service keeps your car in its prime

We care for you the same way we care for our family. Experience the Cycle & Carriage Kia Service spirit as we welcome you at our Kia Service Centres.

With more than a century of experience in the automotive industry, we can assure you that you will enjoy the most comprehensive customer support and first-class service from well-trained professionals, using state-of-the-art technologies, diagnostic tools and Grade A genuine parts to keep your Kia vehicle running in peak condition. All Kia genuine parts come with a 1-year or 20,000 km (whichever comes first) warranty.

This is our commitment to you.

Get unsurpassed assurance from Kia

We are confident of the quality and durability of every Kia vehicle, having carried out stringent pre-delivery processes and checks before the car is delivered in pristine condition. Additionally, your new Kia car will enjoy a 5-year unlimited mileage warranty and a 10-year engine warranty.

From the date of registration, your new Kia car is covered against defects in materials and workmanship for a period of 5 years of unlimited mileage. On top of that, starting from 1 June 2014, your Kia car will come with a 10-year engine warranty, subject to a maximum mileage of 200,000km or 10 years, whichever is earlier. This engine warranty will take effect immediately after the expiry of the manufacturer's.
