

The Power to Surprise

Kia Motors Corporation (www.kia.com), a maker of world-class quality vehicles for the young-at-heart, was founded in 1944 and is Korea's oldest manufacturer of motor vehicles. Over 3 million Kia vehicles a year are produced at 14 manufacturing and assembly operations across five countries. They are then sold and serviced through a network of distributors and dealers from around 180 countries. Today, Kia has over 50,000 employees worldwide and an annual revenue of nearly US\$44 billion. It is a major sponsor of the Australian Open and the official automotive partner of FIFA – the governing body of the FIFA World Cup™. Kia Motors Corporation's brand slogan, "The Power to Surprise", represents the company's global commitment to surprising the world by providing exciting and inspiring experiences that go beyond expectations.

SPORTAGE

Take your driving experience to an exciting new level thanks to Sportage's unique, head-turning looks, innovative use of technology and outstanding attention to detail.

SPORTAGE

Ready to reinvent the game

The Sportage is the new king of the urban jungle with its exceptional power. Navigate safely and smoothly through city roads in a car that showcases contemporary style and sporty appeal.

City driving has
never been so cool

A remarkable new driving icon

Emanating dynamic energy and sportiness, the Sportage exudes supreme confidence through its striking details. It's time to make a bold statement on the streets.

Eye-catching lines
that draw admiring glances

We all want to stand out and be seen as different from the crowd. With its sleek, bold lines and sporty panache, the revolutionary Sportage is an SUV you can be proud to drive.

Take a seat for
the drive of your life

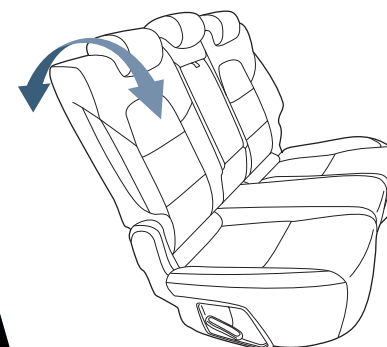

Carefully crafted by our dedicated designers, the Sportage's design combines the finest and most durable materials with unsurpassed attention to detail. Enhance your driving experience with the elegance and comfort that it offers.

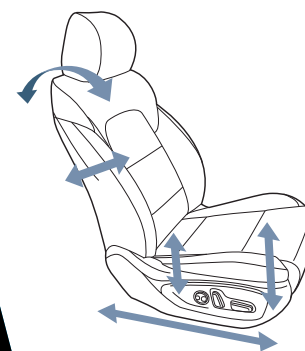

Uncompromised comfort and flexibility

Natural light and superior ventilation in the all-new Sportage transforms the way you travel.

Flexible rear-seat reclining Passengers sitting in the second row of the all-new Sportage have more opportunities to relax and recline than ever before. Easy-to-use levers placed carefully on the side of each seat cushion make customising your seat position more convenient than ever.

Powered front-seat adjustment The supremely comfortable 10-way adjustable driver's seat also offers 2-way power lumbar support to help keep you fresh, alert, and feeling great even during long drives. The 8-way adjustable powered passenger seat also ensures that your companion enjoys the ride as much as you do.

Offering more than enough room for the practicalities of your daily routine, life's better with the Sportage as your companion.

More space to grow as your horizons expand

Smart power tailgate (GT line) The rear tailgate opens automatically whenever your smart key is within its detection area for at least three seconds.

Tailgate memory function (GT Line) Opening angles for the tailgate can be stored in the memory system by pressing and holding a button under the tailgate for three seconds.

Cargo screen The privacy of your belongings is ensured wherever you go.

60:40 split folding rear seats To accommodate more combinations of passengers and cargo, the rear seats split 60:40 and fold flat for maximum capacity.

Fully-folding rear seats Rear seats fold flat to facilitate cargo transportation.

Cargo screen storage compartment The retractable cargo screen can be stowed away conveniently in a space that has been partitioned off under the floorboard.

Enjoy even more power and enhanced performance

With enhanced fuel efficiency, you can travel farther and revel in the greater control offered by the Sportage, regardless of road and weather conditions.

Automatic transmission This six-gear unit features an auto shift lock that prevents unintended acceleration from occurring.

Nu 2.0 MPI gasoline engine

Max. power 155Ps @ 6,200 rpm

Max. torque 192Nm @ 4,000 rpm

Stay safe in all road and weather conditions

We can't predict unforeseen road circumstances but we make use of state-of-the-art safety technologies to guarantee your utmost safety.

Front and Rear Parking Assist System (PAS)

Ultrasonic sensors on the front and rear bumpers detect objects and pedestrians and inform you of their distance from your vehicle.

Vehicle Stability Management (VSM)

This system helps to keep your ride stable and safe while you brake and corner, especially on wet, slippery or rough roads.

Auto Cruise Control (ACC)

Set and maintain a constant speed. Simply step on the brake if you wish to disengage.

Image is for illustration purposes only.

Drive Mode Select (DMS)

Choose from Normal, Eco, or Sport mode to suit your driving preferences.

Extensive use of Advanced High Strength Steel (AHSS), combined with an extremely well-reinforced chassis design and a trusted hot-stamping process has produced the safest and quietest Sportage to date.

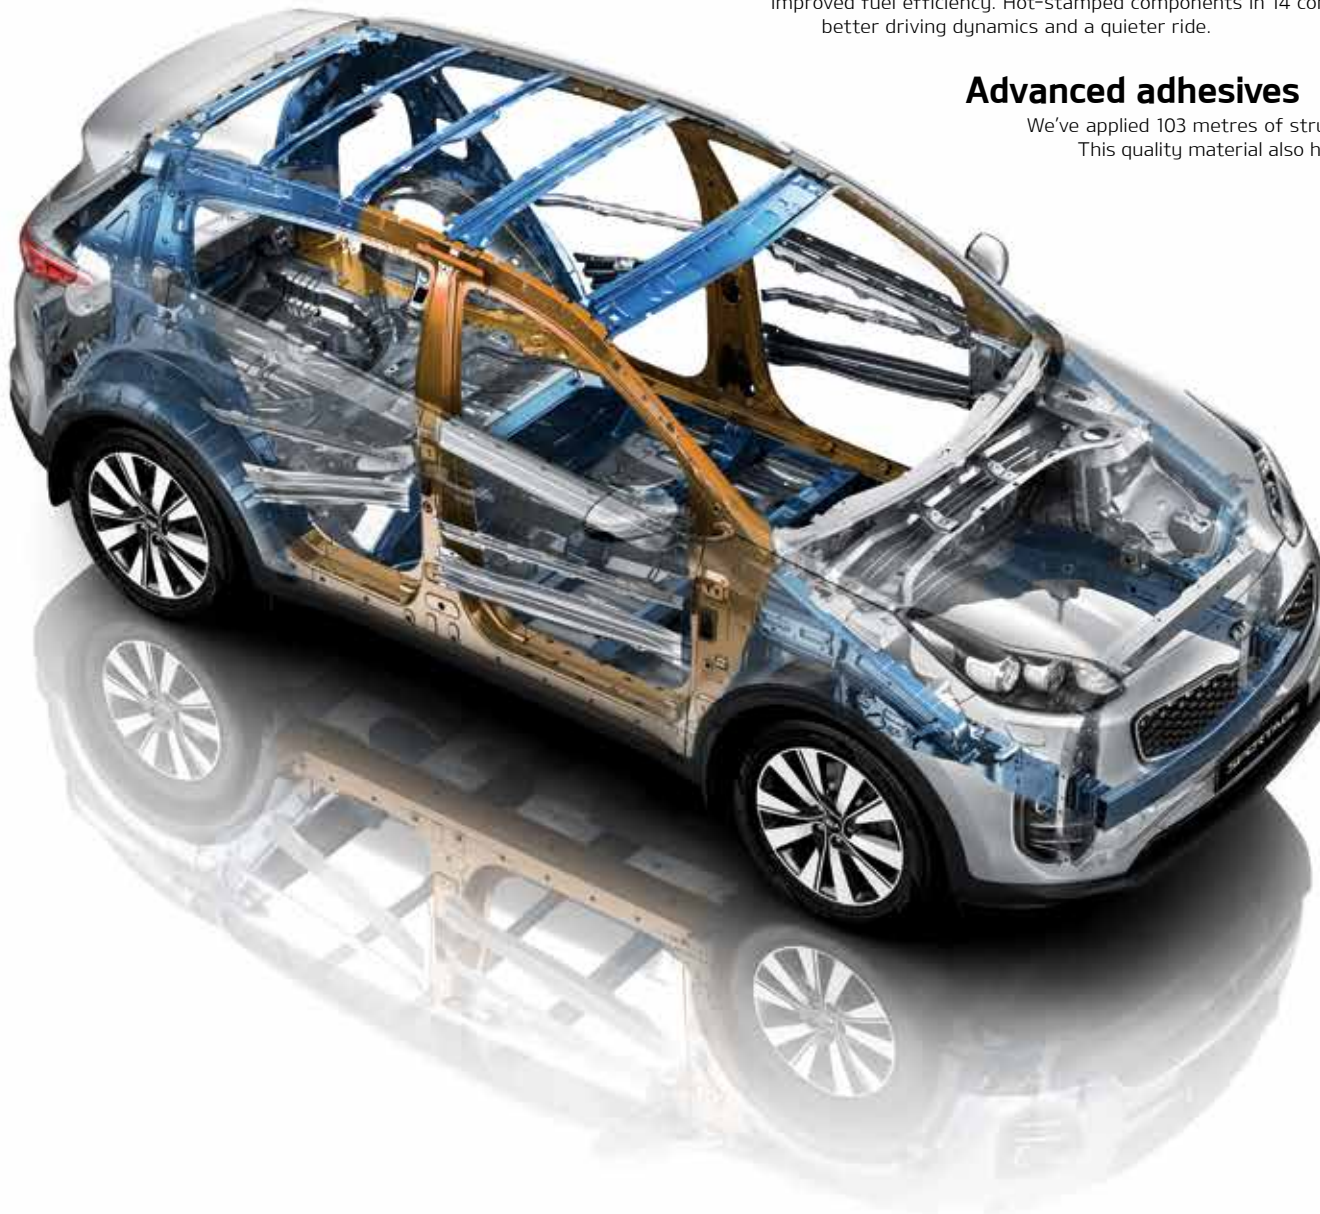

Because strength and safety go hand in hand

Advanced High Strength Steel and hot-stamped steel

51% AHSS application makes the all-new Sportage even stronger and lighter, with benefits that include better handling and improved fuel efficiency. Hot-stamped components in 14 core stress areas help provide maximum crash protection, better driving dynamics and a quieter ride.

Advanced adhesives

We've applied 103 metres of structural adhesive to enhance the vehicle's body strength. This quality material also helps to minimise noise and vibration for a smoother ride.

6 airbags Airbags placed strategically throughout the interior offer protection for you and your passengers in the event of a collision.

High Performance Dampers (GT Line) The High Performance Dampers provide dynamic handling and excellent body control for a sportier drive.

Attention to detail for a more satisfying ride

Step into a world of high-tech driver convenience features with the Sportage bringing out a whole new level of sporty sophistication.

Electronic Parking Brake (EPB) with auto hold function (GT Line) Engage the parking brake at the touch of a button. With the auto hold function, the car is kept stationary even when the brake pedal is released.

Audio remote control Controls mounted on the steering wheel allow you to adjust the volume and change stations or tracks without taking your hands off the wheel.

Bluetooth (GT Line) Steering-wheel mounted controls enable you to stay connected while on the move.

7-inch touchscreen infotainment system Standard 7-inch integrated touchscreen multimedia system that features Apple CarPlay and Android Auto connectivity, as well as up-to-date navigation through Google and Apple Maps.

Parking guide system Steering wheel mounted angle sensors and a rear-view camera indicate the projected trajectory of your vehicle for added safety.

Door scuffs (GT Line) The perfect way for you to protect the cherished interior of your all-new Sportage and keep it looking as good as new.

4.2-inch colour TFT-LCD (GT Line) Strategically positioned, this displays vital vehicle and driving information.

Auto defogger A standard auto defogger system clears windows quickly in cold or humid climates.

Ventilation and USB charger for 2nd row passengers Enjoy cold or warm air when needed. Rear seat passengers can also benefit from USB connection points.

Cluster ionizer A smart ion generator is ever-ready to remove unpleasant smells, clearing the air within the car's interior for an enjoyable ride.

Button start / stop Switch your engine ignition on and off with just a simple push of a button. You no longer have to bother with the hassle of using your keys.

Dual-zone Full Auto Temperature Control (D-FATC) A standard dual-zone full auto temperature control system gives the driver and front passenger the flexibility of separate controls.

Tyre Pressure Monitoring System (TPMS) This system allows you to check the air pressure in your tyre with ease.

AUX & USB ports Connect your mobile devices for convenient music playback.

Aerodynamic improvements The smart rear-spoiler side garnish minimises the drag coefficient, while the wheel air curtain improves the flow of air around the front wheels offering improved fuel efficiency.

Smart welcome system Synchronised with your smart key, your Sportage's lights and mirrors will spring to life when you're within range, providing an inviting welcome.

High-gloss radiator grille | 19" alloy wheels | Front skid plate | Satin chrome door handles

Take your independence
on the road to a new level

When you choose the exciting GT line trim, a host of extras will enhance the exterior style of your all-new Sportage and let you express your unique identity.

Satin chrome inside handles

Paddle shifters

Crash pad stitching This premium detail adds an extra dimension of elegance and style.

D-cut steering wheel Race-inspired flat-bottomed steering wheel.

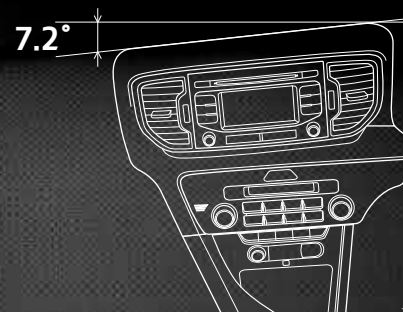

Satin chrome inside handles A nicely understated touch that provides an additional element of pure class.

Paddle shifters Fingertip control and lightning-quick gear changes give you enhanced driving control.

Experience the delight of owning your driving space

The Sportage redefines the utilisation of space. Experience supreme comfort and easy fingertip controls every time you get behind the wheel.

Centre fascia

The centre fascia is angled at a perfect 7.2-degree angle so that audio, navigation, and air-conditioning systems are all within easy reach.

Feel relaxed, comfortable, and right at home while on the move.

An interior for every taste

Black One-tone Interior

Because appearances do matter

These additional styling and convenience features were created out of our passion for addressing even the finest details.

Cycle & Carriage After-sales Service keeps your car in its prime

We care for you the same way we care for our family. Experience the Cycle & Carriage Kia Service spirit as we welcome you at our Kia Service Centres.

With more than a century in the automotive industry, we can assure you that you will enjoy the most comprehensive customer support and first-class service by well-trained professionals, using state-of-the-art technologies, diagnostic tools and Grade A genuine parts to keep your Kia vehicle running in peak condition. All Kia genuine parts come with 1 year or 20,000km (whichever comes first) warranty.

This is our commitment to you.

Industry-leading warranty

We are confident of the quality and durability of every Kia vehicle, having undergone stringent pre-delivery processes and checks before being delivered in pristine condition. So confident are we that your new Kia car will enjoy a 5-year unlimited mileage warranty and a 10-year engine warranty.

From the date of registration, your new Kia car is covered against defects in materials and workmanship for a period of 5 years of factory unlimited mileage. On top of that, starting from 1 June 2014, your Kia car will come with a 10-year engine warranty, subject to a maximum mileage of 200,000km or 10 years, whichever is earlier. This engine warranty from Cycle & Carriage will take effect immediately after the expiry of the manufacturer's.
