Bongo III

EV/LPG Turbo

EV

The New Bongo III

A smart partner for success.

With an optimized range for urban use, new and specialized EV technologies, and sensible maintenance costs, the New Bongo III delivers greater satisfaction with every ride.

Range per charge
(all-electric range)

217 km

Charging time

32 min

Motor max. power

135 kW

(based on 10→80% 150 kW fast charging)

- ※ The energy efficiency and driving range figures above are based on standardized testing and may vary depending on road conditions, driving style, vehicle load, maintenance condition, and ambient temperature.
- ※ Actual figures may be lower in the winter or when outside temperatures drop due to a decline in the battery's performance.
- ※ The battery charging time above is based on internal laboratory tests.
- ※ Actual charging time may increase due to a decline in the battery's performance when outdoor temperatures drop, such as in the winter.
- ※ The charging time above was measured when the battery and surroundings were at room temperature. Actual figures may vary depending on the battery temperature, charging power, battery condition, and external temperature.

※ Specifications may vary according to the vehicle type, trim, seating capacity, engine, and options that are selected.

1-ton Ultra Long King Cab, Clear White (UD)

Interior & Convenience

An upgraded interior and smart EV convenience features provide greater comfort and pleasure.

Black and gray 2-tone interior
10.25" navigation/Rear-view monitor

Paddle shift with regenerative braking control
Rack-mounted Motor Driven Power Steering (R-MDPS)

Smart key system with push button start
Electric Parking Brake (with Auto Hold)

Black and gray 2-tone interior

※ Specifications may vary according to the vehicle type, trim, seating capacity, engine, and options that are selected.

LPG Turbo

※ Specifications may vary according to the vehicle type, trim, seating capacity, engine, and options that are selected.
 ※ If you purchase a Bongo cargo truck and arbitrarily modify it to a special vehicle, such modifications or structural changes will void the warranty and any subsequent problems with the vehicle will not be covered.

Colors

Kia Connect

Kia Connect is Kia's connected car service for wireless software updates, smartphone-based remote vehicle control, and emergency alerts for a safer and more convenient vehicle usage experience.
 ※ Kia Connect services may vary depending on vehicle model, trim level, and optional features.

 Remote control Remote Air-conditioning Control Remote Charging Control Remote Door Lock/Unlock Control	 Safety and security Automatic Notification of Airbag Deployment SOS Emergency Dispatch EV Battery Monitoring	 Maintenance Driving Report Wireless Update Smart Remote Diagnosis	 Navigation Kia Connect Navigation Traffic Information Vehicle Location Sharing	 streaming service Audio Streaming Video Streaming
--	--	---	--	--

※ Remote starting and air conditioning control services are not available for Bongo III LPG Turbo vehicles.
 ※ Enjoy 5 years of complimentary full-service upon initial enrollment with your vehicle purchase, followed by 5 additional years of essential services—including SOS emergency dispatch, automatic notification of airbag deployment, traffic information, and **EV battery monitoring**.
 ※ **EV battery monitoring: It is the service offered to Kia Connect members who registered their vehicle in Kia App, notifying the customer of battery issues of their vehicle. (EV only)**
 ※ A link to a streaming service subscription is required to use Kia Connect's streaming service.
 ※ If your streaming service subscription only supports mobile devices, it will not be compatible with Kia Connect's streaming service.

LPG Turbo Government-reported fuel efficiency and rating

Model Name			Displacement (cc)	Unladen weight (kg)	Transmission	Rating	Combined CO ₂ Emissions (g/km)	City (km/ℓ)	Highway (km/ℓ)	Combined (km/ℓ)
1-ton Ultra Long 2WD	Standard Cab	SmartStream LPG 2.5 Turbo Engine	2,469	1,660	6-speed manual	5	188	6.7	7.4	7.0
	King Cab		2,469	1,675	6-speed manual	5	188	6.7	7.4	7.0
	Double Cab		2,469	1,780	6-speed manual	5	195	6.5	7.2	6.8
1-ton Ultra Long 2WD	Standard Cab	SmartStream LPG 2.5 Turbo Engine	2,469	1,690	5-speed automatic	5	204	6.1	7.1	6.5
	King Cab		2,469	1,705	5-speed automatic	5	204	6.1	7.1	6.5
	Double Cab		2,469	1,810	5-speed automatic	5	208	6.0	6.9	6.4
1-ton Long 4WD	Standard Cab	SmartStream LPG 2.5 Turbo Engine	2,469	1,790	6-speed manual	5	208	6.2	6.4	6.3
	King Cab		2,469	1,805	6-speed manual	5	208	6.2	6.4	6.3
	Double Cab		2,469	1,910	6-speed manual	5	210	6.2	6.4	6.3

※ Fuel efficiency numbers correspond to standard mode. Actual figures may vary according to road conditions, driving habits, vehicle load, maintenance, and outside temperature.
 ※ Fuel efficiency is not indicated for the 1.2-ton model as it is a medium-sized truck exempt from energy efficiency and rating labeling requirements.
