Standing still doesn’t satisfy us.

Inspiration doesn’t strike at rest. It’s born in motion, with eyes wide open to new possibilities. Movement wakes us up and sparks unprecedented thinking. At Kia, this is what drives us to keep pushing, seeking, and transforming. Relentless in our mission to build exciting, quality vehicles with the design, performance, capability, and innovative technology to be more than a means of transportation, but also a catalyst for inspiration. In this spirit, we created the Kia 2024 lineup of vehicles.

Kia’s industry-leading warranty program

10-Year/100,000-Mile Limited Powertrain Warranty
5-Year/60,000-Mile Limited Basic Warranty
5-Year/100,000-Mile Limited Anti-Perforation Warranty
5-Year/60,000-Mile 24-Hour Roadside Assistance
10-Year/100,000-Mile Electric Vehicle (EV) System Warranty

Most Dependable Mass Market Brand in 2023
— J.D. Power

You bring the plans.
We’ll bring the power.

Award-winning SUVs and sedans command the off-road and civilized world with grit, grace, and excitement, courtesy of available turbocharged engines, advanced performance, and outstanding versatility — from Telluride’s up to 5,500 lbs. of towing capability,‡ to the best-in-class torque of K5 GT.¹

Forward-thinking, alternative-fuel models include the all-new EV9, the EV6, and our Sorento, Sportage, and Niro electrified models — Kia’s cutting-edge lineup of all-electric, hybrid, and plug-in hybrid vehicles that feature technologies designed to help enhance range, efficiency, and versatility.

Advanced driver-assistance technologies* include our suite of standard and available state-of-the-art systems for emergency braking,¹ lane keeping,¹ blind-spot monitoring,¹ and more, for extra peace of mind, wherever adventure calls you.

Advanced all-wheel-drive systems** are offered on most Kia models to enhance handling, stability, and all-weather confidence in a variety of conditions — with added capability features such as Lock Mode*¹ and multi-terrain modes* available on Telluride, Sorento, Sportage, and Seltos to further boost off-road adventures.

*Optional features available only on certain trims. See Features page for availability. †X-Pro models. ‡No system, no matter how advanced, can compensate for all driver error and/or driving conditions. Always drive safely. 2–5 See inside back cover for endnotes. Do not attempt. Professional stunt driver used. EV6 GT e-AWD shown.
Advanced tech for enhanced escapes.

Innovative technology and features* are in the DNA of Kia’s driver-focused cabins, with standard and available features that include Head-Up Display™, extra-large touch screens™ with high-resolution graphics, and 360-degree Surround View Monitor.*

Kia Connect™ is Kia’s available smart connectivity system that integrates with your compatible smartphone and smart speaker to perform convenient, helpful tasks such as Remote Start with Climate Control®, Find My Car, and Connected Routing. It even provides Wi-Fi Hotspot capability* on certain models.

*Kia Connect™, Head-Up Display™, Find My Car, Wi-Fi Hotspot capability, and advanced technology features are available on certain models.*

*Optional features available only on certain trims. See Features page for availability. 9–10 See inside back cover for endnotes. EV9 GT-Line e-AWD shown. Simulated screen shown.
Rugged outside. Civilized inside. The all-new EV9 is a capable, three-row SUV, seamlessly merged with a strikingly crafted EV. Built for serious performance and versatility, EV9 offers a choice of powerful, all-electric drivetrains with available features like Dual-Motor e-AWD*, 7.8 inches of ground clearance*, and 5,000 lbs. of towing capacity**. Inside, comfort, luxury, and advanced tech rule every drive, with available Head-Up Display*, 24.6-inch total combined Dual Panoramic HD display*, a 5-inch Climate Control display, and Advanced Highway Driving Assist with LiDAR technology*. Plus a premium, road-trip-ready cabin that seats up to 7 passengers featuring outstanding 2nd-row legroom and generous cargo space.

*Optional features available only on certain trims. See features page for availability. †No system, no matter how advanced, can compensate for all driver error and/or driving conditions. Always drive safely. ‡Based on Kia estimates. Figures not available at time of printing. All cargo should be evenly distributed, properly secured, and never piled higher than the seatback. 6, 7, 11–14 See inside back cover for endnotes. EV9 Land e-AWD shown.
**Light RWD highlighted content includes:**
76.1 kWh lithium-ion battery w/shaker
Permanent Magnet Electric Motor w/215 hp & 258 lb.-ft. of torque
223 miles of targeted range on a full charge*8
2,000-lb. towing capacity*
Multi-charging system (400V-400V)
EC5 charge port w/110V-40V & DC fast-charge capability*
Dual power control: AWD/4-Wheel Drive
Relaxation
Total Combined Dual Captain’s Chairs15*

2024 EV6

Built from the ground up on our revolutionary electric platform, the EV6 offers a choice of thrilling, all-electric drivetrains, a 310-mile EPA-estimated range on a full charge, and ultrafast DC charging capability. Inventive and versatile, EV6 features a driver-oriented cockpit with a 24.6-inch total combined Dual Panoramic HD display, an available Augmented Reality Head-Up Display, and CUV flexibility with AWD capability — plus an available Onboard Power Generator that functions as a portable power source for laptops to camping equipment. Want even more excitement? EV6’s GT trim unleashes 576 horsepower, and a blistering top speed of 161 MPH.

The Sportage Turbo Plug-In Hybrid is made for wherever your day takes you. Its 1.6L Turbo engine is paired with a powerful electric motor and 13.8 kWh battery. Standard active all-wheel drive† means slick or rocky roads are open for exploration. And its city-smart, Turbo plug-in hybrid technology lets you charge up in approximately 2 hours at a Level 2 charger 36 for an EPA-estimated 34 miles of all-electric range 26 — so you can skip the gas station for quick trips around town.

With best-in-class 53 MPG combined (HEV LX, EX, SX),\textsuperscript{33} the longest driving range of any crossover in its class,\textsuperscript{46} and an intuitive design, the Niro HEV is a powerfully efficient hybrid that’s made to inspire from the inside out. Its spacious, driver-focused interior features an available 10.25-inch touch-screen display\textsuperscript{7} and premium tech for state-of-the-art connectivity. Cutting-edge “Green Zone” technology can automatically switch to all-electric mode when driving in detected hospital and school zones. And its advanced driver-assistance technologies include standard Blind-Spot\textsuperscript{5} and Collision-Avoidance\textsuperscript{5} features to give you greater confidence, wherever you roam.

HEV SX Touring, shown in all images, rated at 49 MPG combined\textsuperscript{33} and with 544 miles of total driving range.\textsuperscript{34}
The Niro Plug-In Hybrid (PHEV) combines the qualities of our hybrid and fully electric Niros to give you the best of both worlds. Its powerfully efficient plug-in hybrid electric powertrain delivers a total of 180 horsepower, a long driving range, and the ability to plug in, charge up, and go all-electric at the push of a button — so you can head out for the day and rest assured that should you exceed your all-electric range, PHEV will kick into hybrid mode automatically. And like all Niro models, PHEV’s intuitive cockpit keeps you connected with standard advanced driver-assistance technologies such as Blind-Spot Collision Warning, along with available features such as a 10.25-inch touch-screen display.

1. Warranty includes 10-year/100,000-mile powertrain and 5-year/100,000-mile basic. All warranties and roadside assistance are limited. See retailer for warranty details.
2. Steering requires additional equipment. See Owner’s Manual for steering capacity, additional instructions, and warnings. Always use caution while towing. 3. Blind-spot assistance on basis of comparison of typical specifications of 2023 1.5T Turbo engine to other vehicles in mid-size sedan class, as of March 2023. 4. Actual range will vary with options, driving conditions, driving habits, and your vehicle’s condition. 5. These features are not substitutes for safe driving and may not detect all objects surrounding the vehicle. Always drive safely and use caution. 6. Failure to pay attention to travel conditions and vehicle operation could result in loss of vehicle control. Always drive safely and use caution. 7. Distraction driving can result in a loss of vehicle control. When operating a vehicle, never use a handheld device or vehicle system that takes your focus away from safe vehicle operation. Navigation is for information purposes only, and Kia does not make any warranties about the accuracy of the information. 8. Purchase/lease of certain 2022 and newer Kia vehicles with Kia Connect includes a complimentary 5-year subscription to the Kia Connect Ultimate package, starting from the new vehicle retail sale/lease date as recorded by the dealer. After your complimentary 5-year Kia Connect subscription expires, continued access to the full suite of Kia Connect services available with your vehicle will require a paid subscription at the then-current subscription rate or your use of certain Kia Connect features may immediately terminate. Use of Kia Connect is subject to the Kia Connect Privacy Policy (available at owners.kia.com/en/united-states/privacy-policy.html) and Terms of Service (available at owners.kia.com/en/terms-of-service.html). Kia Connect is transferable to subsequent owner during the original Kia Connect service term. Only use Kia Connect when safe to do so. Kia Access app is available from the Apple App Store or on Google Play. Kia America, Inc. reserves the right to change or discontinue Kia Connect at any time without prior notification or incurring any future obligation. Message and data rates may apply. Cellular and GPS coverage are required to use most features. Kia Connect features may vary by model, model year, and trim level. Features, specifications, and fees are subject to change. Kia Connect may be currently unavailable for model year 2022 and newer vehicles sold in Massachusetts; please see www.owners.kia.com for updates on availability. For more on details and limitations, visit kia.com or your authorized Kia dealer. Apple and App Store are trademarks of Apple Inc. 9. Remote features require a Kia Connect subscription, a compatible smartphone, and a wireless signal with good coverage to function. Normal cellular service rates may apply. Do not use remote control if vehicle is an enclosed area (e.g., closed garage) or a partially enclosed area without ventilation. Close all doors leading from adjacent living areas to the vehicle area before executing a remote climate control command; if any door is not properly closed, the remote lock and unlock functions will not work. 10. 16. Wi-Fi Hotspot is available on select 2024 and newer Kia vehicles and requires enrollment in Kia Connect. Trial or paid subscription data plan required. Wi-Fi Hotspot services require vehicle cellular connectivity and availability of vehicle GPS signal; certain services may collect location information. Verizon is the network provider for Wi-Fi Hotspot, which uses Verizon’s 4G LTE network to transmit data. Data usage applies. Coverage is not available everywhere. See https://www.verizon.com/features/our-network/for network coverage map. Complementary Wi-Fi Hotspot Trial begins on activation date and expires at the end of three months or after 3GB of data is used, whichever comes first. Verizon Wireless data subscription required upon end of complementary Wi-Fi Hotspot Trial. Limit one trial per vehicle. Up to 5 devices can be supported in using vehicle connectivity. Use of Wi-Fi Hotspot is subject to Verizon Wireless Customer Agreement (available at https://www.verizon.com/legal/notices/customer-agreement/). Wi-Fi Hotspot may be unavailable for a model year 2022 and newer vehicles that are purchased or sold in Massachusetts. Vehicle must be running or in accessory mode for Wi-Fi Hotspot to function. Never drive distracted. Driver should only use Wi-Fi features when the vehicle is parked in a safe location. 12. Electric range shown is not an official EPA estimate and is based on preliminary manufacturer estimates on a vehicle with a full battery charge. Range will vary and depends on a number of factors, including battery age, vehicle maintenance, charging practices, weather, road/traffic conditions, ambient temperature, driving habits, options, cargo, and others. Battery capacity will decrease with time and use. For more information on range, please see www.fueleconomy.gov. 27. Top speed based on internal Kia testing. Actual results may vary depending on options, driving conditions, driving habits, and your vehicle’s condition. Verification of these results should not be attempted. Always drive safely and obey all traffic laws. 28. All electric range based on projected EPA estimates on a full battery charge. Range will vary and depends on a number of factors, including battery age, vehicle maintenance, charging practices, weather, road/traffic conditions, ambient temperature, driving habits, options, cargo, and others. Battery capacity will decrease with time and use. For more information on range, please see www.fueleconomy.gov. 29. Top speed based on internal Kia testing. Actual results may vary depending on options, driving conditions, driving habits, and your vehicle’s condition. Verification of these results should not be attempted. Always drive safely and obey all traffic laws. 30. The Kia Connect service term is for 1 year or 500 vehicle visits, whichever comes first. Kia recommends minimizing use of DC fast charging. 31. Endnotes 18. 31. Driving with tailgate open may negatively affect range and efficiency. 19. Tire pressure monitoring system may not detect all punctures. 20.
