At Kia, the safety and well-being of our owners is a top priority. We offer four protection plans with various levels of protection that can be customized according to your needs.

**FOUR COVERAGE LEVELS**

**DELUXE COVERAGE:**
Even the most cautious drivers encounter a flat tire or damaged wheel along the way. Help safeguard your tires with the Deluxe Coverage Plan. The Deluxe Coverage Plan repairs or replaces tires damaged by road hazards; road surface conditions such as potholes, cracks, breaks and debris on the road surface.

The Plan provides for the replacement of wheels when or if the wheel cannot be balanced, will not hold air, or the damage has affected the structural integrity of the wheel.

Deluxe Coverage does not cover cosmetic damage to tires and wheels.

The maximum lifetime benefit of the Deluxe Coverage Plan is $5,000.

**PREMIUM COVERAGE:**
Includes Deluxe Coverage plus cosmetic damage coverage to an alloy or steel factory wheel.

**SUPERIOR COVERAGE:**
Includes Deluxe Coverage and Premium Coverage. Repair dents, dings, rips, and tears quickly and conveniently. Repairs can be included in your routine service visits. No out-of-pocket expenses with covered repairs.

Paintless Dent Removal Coverage: provides coverage for unlimited removal of certain dents and creases from the covered vehicle. Each repair covers the removal of any dents and creases that do not exceed 3.35” x 2” within an area located on a single panel of the covered vehicle. It does not cover any area of the vehicle made of composite materials (e.g., bumper).

Interior Repair Coverage: provides coverage for unlimited repair of damage to the vehicle’s interior cabin area seats, carpet, leather, vinyl and cloth surfaces, the steering wheel, armrests, door panels, headliner, center console and cargo area including rips, burns, tears, holes, punctures and scratches from damage up to 2” in length or diameter.

Windshield Repair Coverage: provides coverage for the repair of the windshield caused by small propelled rocks, stones or other propelled road debris.

**SUPERIOR PLUS COVERAGE:**
Includes Deluxe Coverage, Premium Coverage, and Superior Coverage. The windshield is an integral part of our vehicles. Not only does it provide for an undistorted view, it serves as a critical structural component of the vehicle.

Windshield Replacement Coverage: If the windshield is not repairable, coverage provides replacement of the windshield. Coverage is also inclusive of the calibration to the ADAS (Advanced Driver Assistance System). Maximum lifetime aggregate windshield benefit is $2,500.

The maximum lifetime benefit of $5,000 as mentioned in the Deluxe Coverage Plan does not apply to Premium Coverage, Superior Coverage, or Superior Plus Coverage.

**ALTERNATE TRANSPORTATION**
