

Planning for your future
and the road ahead.

DISTINCTION™

VEHICLE PROTECTION PLAN

TOLL-FREE CLAIMS SERVICE

Our representatives will provide you with claims service, authorization and access to an authorized repair facility near you. Just call 866-440-1340.

NATIONAL COVERAGE

Enjoy peace of mind with a **Kia Distinction Vehicle Protection Plan**, knowing that you are covered anywhere in the U.S., its territories or possessions, or Canada.

DIRECT PAYMENT

Participating dealers can be paid directly for authorized repairs. You do not have to pay and wait for reimbursement.

Ask your salesperson or finance manager about Term Care Select and our other Kia Distinction Plans so you can be on your way to a carefree cruising experience.

DISTINCTION™

KIA DISTINCTION VEHICLE PROTECTION PLAN

It's no surprise that most major repairs are needed after the original factory warranty has expired, which means you will have to deal with all the inconvenience, time, energy and expense of those repairs.

Depending on the age and mileage of your vehicle, you can purchase up to 120,000 miles of coverage. The Kia Distinction Vehicle Protection Plan begins on the purchase date and expires according to the term and mileage selected, whichever occurs first, and may include a deductible depending on the option selected. You can select from any authorized Kia dealership or a national network of over 6,000 authorized service centers, or any licensed repair facility in the U.S. or Canada.

FIVE COVERAGE LEVELS*

- + POWERTRAIN COVERAGE
- + SILVER COVERAGE
- + GOLD COVERAGE
- + GOLD PLUS COVERAGE
- + PLATINUM COVERAGE

Kia Distinction Vehicle Protection Plans are available at participating Kia dealerships. This information is intended to provide only an outline of the types of coverages, exclusions and limitations of the service contract described in this brochure and should not be relied upon when purchasing a specific service contract. For exact coverages, exclusions and limitations, please review the Kia Distinction Vehicle Protection Plan contract itself.

PLAN FEATURES

The five plans come with the following additional benefits to keep you moving:

RENTAL CAR COVERAGE

Reimbursement up to \$35 per day for up to 10 days per covered mechanical breakdown.

TOWING COVERAGE

Payment of up to \$75 in towing charges per covered mechanical breakdown.

TRAVEL COVERAGE

If you're more than 100 miles from home when you experience a covered mechanical breakdown, payment of up to \$100 per day, up to \$500 per occurrence, for food and lodging.

FLUIDS COVERAGE

Replacement of necessary fluids, oils, greases, lubricants, and approved air conditioner gases needed in conjunction with a covered repair.

IMPROVED RESALE

Each plan is fully transferable to a subsequent owner, making your car more appealing to potential buyers.

FINANCING

The cost of the selected plan can be included in the financing of your vehicle.

NATIONWIDE SERVICE CENTERS

Receive service at any authorized Kia dealership or a national network of over 6,000 authorized service centers, or any licensed repair facility in the U.S. or Canada.

ADDITIONAL INFORMATION

This optional Kia Distinction Vehicle Protection Plan will not pay or reimburse for mechanical breakdowns caused by misuse, abuse, negligence (including the negligence of any repair facility), improper towing, lack of maintenance of the failed covered part, contamination, overheating, lack of coolant or lubricants, lack of oil viscosity, sludge, restricted oil flow, salt, rust and rust damage, environmental damage, chemicals, or a buildup of carbon.

No payment or reimbursement for burnt valves, worn or carbon fouled piston rings, the correction of oil consumption, or any repairs for reduction in engine efficiency that must be performed on your vehicle. See service contract for complete details.

*See service contract for complete details

POWERTRAIN

Powertrain offers protection against covered mechanical breakdowns of the engine, transmission, and drive axle. Certain restrictions, limitations and/or exclusions may apply.*

ENGINE

Engine block and cylinder heads and all internally lubricated parts including pistons, piston rings, pins and cylinder sleeves; crankshaft, pulley, main bearings, caps and bolts; connecting rods, rod bearings, caps and bolts; camshaft(s), camshaft bearings, buttons and plugs; timing gears, chain or belt, and tensioner; rocker arms, rocker arm pivots, shafts and bushings; intake and exhaust valves, springs, guides, adjusters, retainers and seats; pushrods and lifters; intake manifold; exhaust manifolds; balance shaft; water pump; fuel pump; thermostat; oil pump, cover, gears, pressure relief valve and screen; rotor housing, rotors, shims and silent shaft; all internal fasteners, nuts and bolts; turbocharger assembly including boost valve, boost pressure control, wastegate, recirculation and blow off valve; seals and gaskets.

STEERING

Steering gear housing and internal parts including control rings, valves, pinion shaft, pitman shaft, worm shaft and gear, sector shaft, bearings, adjusters; supports and shafts; control rings; yoke; extension housing; speedometer drive gears; accumulators and rings; adjusters; all internal fasteners, nuts and bolts; shift cover and forks; separate bell housing; transfer case and all internal parts contained within the transfer case; seals and gaskets.

TRANSMISSION

Oil pan; detent cable; kickdown link; throttle cable; vacuum modulator; transmission mounts.

ADDITIONAL HYBRID/PLUG-IN ELECTRIC COMPRESSED NATURAL GAS COMPONENTS

Constant velocity joints; slip joint; front wheel drive axles/ halfshafts and wheel bearings; u-joints; couplings; flex disc; prop shafts; center support bearings.

DRIVE AXLE

Differential/axle housing(s) and all internally lubricated parts including the axle flange; ring and pinion gear/cARRIER assembly; spider gears and bearings; pins; retainers; positraction clutches, plates and springs; cover; 4x4 locking hubs and electric or vacuum actuator; seals and gaskets.

BRAKES

Master cylinder; vacuum or hydraulic brake booster assembly; hydraulic lines, hoses and fittings; brake pedal apply pin; seals and gaskets. (ANTI-LOCK BRAKING SYSTEM COMPONENTS NOT COVERED.)

COOLING

Compressor/proportioning valve; metering valve; calipers, piston, seal and dust boot; wheel cylinders, cups, seals, spring and dust boots; brake pedal apply pin; seals and gaskets.

ADDITIONAL HYBRID/PLUG-IN ELECTRIC COMPRESSED NATURAL GAS COMPONENTS

Onboard computer system including all relays, sensors, electronic control units and electronic control modules; power switch/button; driver information displays; controller/electronic throttle control system; battery cooling system including blower motor control, blower assembly and ducts; dedicated cooling system including pumps and radiators, coolant storage bottle, coolant valve; hybrid condenser; thermistor; high pressure fuel storage tanks including mounting straps/hardware, pressure regulators, high/low pressure fuel lines, fuel metering system, gas fill valve, low pressure filter, and finite filter; seals and gaskets.

AIR CONDITIONING

Condenser; compressor; evaporator; orifice/expansion; seals and gaskets.

FRONT SUSPENSION

Upper and lower control arms, shafts and bushings; upper and lower ball joints; struts, housing and cartridge; wheel bearings/hubs; spindle/steering knuckle and spindle support; coil and leaf springs, seats and bushings, leaf spring shackles; track bars, links and bushings; electronic level control components including pump, accumulator, lines, bags; stabilizer bar, links and bushings.

ELECTRICAL

Cruise control module, servo, and cables; instrument cluster/module including speedometer, odometer, tachometer and all gauges, warning indicators;

*See service contract for complete details

SILVER

Silver offers all the same features of Powertrain and Gold, plus the following additional coverage. Certain restrictions, limitations and/or exclusions may apply.*

ENGINE

Alternator housing and all internal parts including bearings, bushings, brushes, rectifier bridge, diodes, field coil and rotor; alternator mounting bracket; voltage regulator; starter motor housing and all internal parts including bushings, brushes, field windings, starter drive and solenoid.

STEERING

Radiator, mounting brackets and coolant recovery tank; fan clutch, fan blades and motor; fan shroud; heater core; transmission oil cooler; engine oil cooler.

COOLING

Fuel lines; fuel pressure regulator; level sending unit; fuel injectors and seals; injection pump; diesel vacuum pump; electronic spark control systems; fuel injection control components including mixture control processor, throttle body assembly, cutoff valve, fuel rail, fuel distributor, trigger contacts, cold start valve, fuel injection valve, fuel accumulator; tank; tank door latch; tank filler neck and o-ring.

TRANSMISSION

Front and rear wiper motor, transmission and linkage; power window motor; window regulators; power seat motor; steering column multifunction switch and individual switches for turn signal, headlamp, dimmer, wiper, washer and cruise control; clock spring/spiral cable; mirror motor switch; brake light switch; neutral safety switch; glove box light switch; courtesy light switch; cooling fan relay; air control solenoid; air regulator valve; idle air control motor; electronic ignition module; ignition coil; engine distributor including shaft, gear, bushings and modules; electronic throttle control; throttle position sensor; electric steering rack, gear, and motor; electro/hydraulic power steering pump and reservoir; hydrogen fuel cell stack; seals and gaskets.

DRIVE AXLE

Hybrid/EV/hydrogen battery (nickel-metal hydrate or lithium ion) drive propulsion battery including the case and mounting hardware, junction block, main battery cable, and frame wire; onboard battery charging system including charge controller, plug in outlets, brake adjusters and brake hardware; brake pedal, pedal lever and pedal pivot; parking brake linkage/ratchet assembly and cable; anti-lock braking system including boost valve, boost pressure control, wastegate, recirculation and blow off valve; seals and gaskets.

BRAKES

Compensator/proportioning valve; metering valve; calipers, piston, seal and dust boot; wheel cylinders, cups, seals, spring and dust boots; brake pedal apply pin; seals and gaskets.

STEERING

Steering wheel tilt and telescoping mechanism; lines and hoses.

FRONT SUSPENSION

Coil and leaf springs, seats and bushings, leaf spring shackles; electronic level control components including pump, accumulator, lines and bags.

ADDITIONAL HYBRID/PLUG-IN ELECTRIC COMPRESSED NATURAL GAS COMPONENTS

Onboard computer system including all relays, sensors, electronic control units and electronic control modules; power switch/button; driver information displays; controller/electronic throttle control system; battery cooling system including blower motor control, blower assembly and ducts; dedicated cooling system including pumps and radiators, coolant storage bottle, coolant valve; hybrid condenser; thermistor; high pressure fuel storage tanks including mounting straps/hardware, pressure regulators, high/low pressure fuel lines, fuel metering system, gas fill valve, low pressure filter, and finite filter; seals and gaskets.

AIR CONDITIONING

Condenser; compressor; evaporator; orifice/expansion; seals and gaskets.

REAR SUSPENSION

Upper and lower control arms, shafts and bushings; upper and lower ball joints; struts, housing and cartridge; wheel bearings/hubs; spindle/steering knuckle and spindle support; coil and leaf springs, seats and bushings, leaf spring shackles; track bars, links and bushings; electronic level control components including pump, accumulator, lines, bags; stabilizer bar, links and bushings.

ELECTRICAL

Cruise control module, servo, and cables; instrument cluster/module including speedometer, odometer, tachometer and all gauges, warning indicators;

*See service contract for complete details

GOLD

Gold offers all of the same features of Powertrain, Silver, and Gold Plus, with the following additional coverage. Certain restrictions, limitations and/or exclusions may apply.*

COOLING

Security system or electronic entry systems including remote entry receiver, sender and module; door lock actuators; windshield washer pump; mirror motor; manual and mechanically operated switches; rear window defogger; horn and relay; convertible top motor; sunroof motor; power antenna motor; electrical headlamp motor; power trunk/hatch release motor and solenoid; power sliding door motor; electronic control modules including body control module, electronic control unit, powertrain control module, transmission control module; electronic throttle control module; airbag module; crank angle sensor; camshaft position sensor; throttle position motor; fuel pulse damper; wide open throttle switch; thermo time switch; fuel pump relay; automatic temperature control sensor; ride height sensor and relay; oxygen sensor; sealed beams, body parts and/or panels, weather stripping, trim, moldings, door handles, lock cylinders, tires, wheels, all batteries except Hybrid/EV/Hydrogen High Voltage batteries as listed under Silver Coverage, light bulbs, upholstery, paint, bright metal, freeze plugs, filters, heater and radiator hoses, exhaust system, catalytic converter, shock absorbers, constant velocity joint boots, steering and suspension joint boots, work such as front-end alignment or wheel balancing (except when required in conjunction with a mechanical breakdown), safety restraint systems, audio/ security or other system not factory installed, cellular phones, radar detectors, appliances, or vinyl and convertible tops.

TRANSMISSION

Fuel lines; fuel pressure regulator; level sending unit; fuel injectors and seals; injection pump; diesel vacuum pump; electronic spark control systems; fuel injection control components including mixture control processor, throttle body assembly, cutoff valve, fuel rail, fuel distributor, trigger contacts, cold start valve, fuel injection valve, fuel accumulator; tank; tank door latch; tank filler neck and o-ring.

DRIVE AXLE

Front and rear wiper motor, transmission and linkage; power window motor; window regulators; power seat motor; steering column multifunction switch and individual switches for turn signal, headlamp, dimmer, wiper, washer and cruise control; clock spring/spiral cable; mirror motor switch; brake light switch; neutral safety switch; glove box light switch; courtesy light switch; cooling fan relay; air control solenoid; air regulator valve; idle air control motor; electronic ignition module; ignition coil; engine distributor including shaft, gear, bushings and modules; electronic throttle control; throttle position sensor; electric steering rack, gear, and motor; electro/hydraulic power steering pump and reservoir; hydrogen fuel cell stack; seals and gaskets.

BRAKES

Compensator/proportioning valve; metering valve; calipers, piston, seal and dust boot; wheel cylinders, cups, seals, spring and dust boots; brake pedal apply pin; seals and gaskets.

STEERING

Steering wheel tilt and telescoping mechanism; lines and hoses.

FRONT SUSPENSION

Coil and leaf springs, seats and bushings, leaf spring shackles; electronic level control components including pump, accumulator, lines and bags.

ADDITIONAL HYBRID/PLUG-IN ELECTRIC COMPRESSED NATURAL GAS COMPONENTS

Onboard computer system including all relays, sensors, electronic control units and electronic control modules; power switch/button; driver information displays; controller/electronic throttle control system; battery cooling system including blower motor control, blower assembly and ducts; dedicated cooling system including pumps and radiators, coolant storage bottle, coolant valve; hybrid condenser; thermistor; high pressure fuel storage tanks including mounting straps/hardware, pressure regulators, high/low pressure fuel lines, fuel metering system, gas fill valve, low pressure filter, and finite filter; seals and gaskets.

AIR CONDITIONING

Condenser; compressor; evaporator; orifice/expansion; seals and gaskets.

*See service contract for complete details

PLATINUM

In addition to offering the same features of Powertrain, Silver, Gold, and Gold Plus, Platinum expands to cover many assemblies of your vehicle, giving you the "Ultimate Peace of Mind" protection. Certain restrictions, limitations and/or exclusions may apply.*

PLATINUM IS EXCLUSIONARY COVERAGE: THIS MEANS IT COVERS YOUR VEHICLE'S ASSEMBLIES UNLESS LISTED UNDER THE EXCLUSIONS SECTION OF THE VEHICLE PROTECTION PLAN.

PLATINUM EXCLUSIONS:

Brake linings, brake drums and rotors, disc brake pads, standard manual transmission clutch friction disc, pressure plate, pilot bearings, throw-out bearing and arm, air bags, solar powered devices, hinges, glass, lenses, sealed beams, body parts and/or panels, weather stripping, trim, moldings, door handles, lock cylinders, tires, wheels, all batteries except Hybrid/EV/Hydrogen High Voltage batteries as listed under Silver Coverage, light bulbs, upholstery, paint, bright metal, freeze plugs, filters, heater and radiator hoses, exhaust system, catalytic converter, shock absorbers, constant velocity joint boots, steering and suspension joint boots, work such as front-end alignment or wheel balancing (except when required in conjunction with a mechanical breakdown), safety restraint systems, audio/ security or other system not factory installed, cellular phones, radar detectors, appliances, or vinyl and convertible tops.

*See service contract for complete details
